Dedication

Mr. Ed Logue

The Metuchen High School class of 1989 wishes to dedicate the 1989 Blue Letter to Mr. Edward Logue. His unselfish dedication and hard work are an example for us all. Mr. Logue's contribution to the spirit and vitality of MHS are beyond measure. Not only those involved in the music programs have benefitted from his untiring work. What would the Spring Musical or the football games be without Mr. Logue's countless hours of effort? He is always ready to listen and talk when we need it. There are very few people of his caliber and many of us will never find another quite like him. So, we dedicate the Blue Letter to you, Mr. Logue, with love.

**“A lifetime’s
not too long
to live as
friends.”**

Kara, Karla, Meredith, Kristi, Beth, & Stacy — These four years have been filled with fun, pain, sorrow, laughter, excitement, boredom, panic, anger, heartaches, and headaches. We’ve had our giggles and guffaws, and our tears and primal screams. What we went through, we saw through together—as friends—as family. Without my friends (my family), I would have missed the sanity that I had lost at M.H.S. Because “Several years ago, I said goodbye to my sanity, but I don’t mind at all.” Thank You—for being my friends.
