NEPTUNE UNEMPLOYMENT RELIEF NOW ASSUMING TANGIBLE SHAPE
TOWNSHIP JOINS IN WESLEY LAKE CLEANING, DESPITE OTHER LABOR PROJECTS

At the weekly meeting of the Neptune Township
Committee of Public Work, a resolution was
presented advancing the view that a portion of the
money paid out by the Neptune Township
Unemployment Fund should be used for
employment and the
Committee of Public Work will
be the \"proprietor\" of the work in
the town. The resolution was
unanimously adopted.

The resolution of the present
work provides for an appropriation
of $250,000,000 to be spent in
various municipal projects that
will give work to a number of
people. These projects include:

1. The construction of new
roads and bridges.
2. The improvement of old
roads and bridges.
3. The planting of
trees and shrubs.
4. The construction of new
parks and playgrounds.
5. The improvement of
public buildings.

The committee feels that the
public health nurses of Mon-
mouth county in the past year made
a tremendous amount of work.

Neuritis, Neuralgia

doctors think of brain trouble, think of a nervous system out of order. They speak of 'nerves' as a faint and shadowy thing. But in this busy age, much trouble is due to the brain having to do too much. Too much work, too much worry, too much strain, and too much worry, may cause the brain to become tired and upset.

\[ \text{How to train BABY'S BOWELS} \]

Baby's bowels are regulated by the nervous system, and any disturbance of the brain will cause a disturbance in the bowels. If the brain is upset by worry or emotion, the baby's bowels will be disturbed. The first thing to do is to calm the baby's mind by quieting it, soothing it, and giving it something to look forward to, such as a favorite toy or a favorite book.

Have you noticed the new trend in cigarettes—freshness is the popular thing.

That's because a fresh cigarette, as demonstrated by Camels, is something smokers have discovered as better than anything they ever tried before.

Camels are fresh in the Camel Humidor Pack because they're made fresh to start with—blended of choice, delicately mild, sun-cured tobaccos in which the natural moisture and fragrant flavors are vigilantly safeguarded.

The tobaccos in Camels are never parched or toasted—the Reynolds method of scientifically applying heat guarantees that.

That's why we say with so much assurance that Camels are truly fresh. They're made fresh—not parched or toasted—and then they're kept fresh in the Camel Humidor Pack.

Try Camels' freshness for a change. Switch over for just one day, then change back—if you can.

Peace of Mind

Every man enjoys peace of mind. He likes to know that he is saving against the attacks of outrageous fortune. The man who enjoys the best peace of mind is the one who has saved.

Preparation

If we get anything at all that is good, we must value our time of life in time in the measure of saving for just such periods of adversity. There are some who have been saved. They will be prepared for another depression whenever it may come. Will you begin today? The time is now! The time is now! The time is now!

IDEAL GIFT FOR THE BOY

What attribute does your boy lack between the ages of ten and twenty? Is he doing his full share of school work, but needs a boost in mind and body? Is he an athlete without a gift for the races? Is he not only a schoolboy but a guest or host in the family? Is he a boy who will appreciate a present for his health and comfort to keep him in good trim for lessons or play? A healthful present for a boy between the ages of ten and twenty will mean a healthful present for a girl, or perhaps a healthful present for the whole family.
