DIRECTORY ADVERTISING

is the real lever to business. It reaches the great purchasing masses when they are *ready to buy*.

¶ The business advertiser has what the purchaser needs. The purchaser consults the directory to find who sells what he wants.

¶ Successful Business Men are always advertisers in the city directory. Note the list of advertisers in this directory. *Is your name in this list?* If not, be sure it is in the next edition.

A Reason for Advertising.

IN the early stages of civilization, before the publication of directories, it was the custom of men seeking information to sit in conspicuous places along the public highways, and inquire of everyone who passed or came within hearing. This process was slow and developed a system of town criers who both asked and answered questions and afterward made a business of making all public announcements, loudly crying through all public thoroughfares, exciting the populace to joy or sorrow. This was also slow, expensive and inefficient, and a demand for a better, quicker, and surer method ultimately developed the CITY DIRECTORY.

The directory is the greatest source of information concerning persons and places in the world. It is an absolute necessity to the modern business and social life. It is the most economical and effective method of finding those who have what you want; enabling those who want what you have to get it easily and quickly.

Although a man may spend millions in advertising, he is POORLY advertised if he cannot be found in the directory. A LARGE PORTION of GOOD ADVERTISING reaches those who are NOT READY TO BUY, and when they ARE ready, they must CONSULT A DIRECTORY. If you advertise at all, put your advertisement in the directory and get the FULL BENEFIT OF ALL THE OTHER ADVERTISING YOU ARE PAYING FOR. If you do not advertise, then put your advertisement in the DIRECTORY, in order that you may be found by those who look for you at a time when they INTEND to buy.

The Classified List in the directory is the greatest Buyer's Guide in the world.

CLAMMING—Marks

Artificial Legs.

Mr. M. has raked clams and oysters wearing a pair of Marks' artificial legs for years.

If a man with two artificial legs can stand in a wabby boat and rake clams, is there any doubt that on land a man with one or a pair of Marks' legs can do as much and go about nearly as well as one with natural legs?

SUGGESTION

The City Directory

is the modern social and business necessity — as indispensable as the telephone, electric light, gas light, etc. Every successful business concern is a constant user of the directory, as it is the **ONLY MEDIUM EXTANT** containing a complete alphabetical and classified list of the inhabitants. This being so — and no one disputes the fact — there is naturally no other medium to so cheaply and so effectually keep your advertisement before the **REAL BUYING PUBLIC.**

Be sure **YOUR** advertisement is in the next directory.

SECTION 28, COPYRIGHT LAW

IN FORCE JULY 1, 1909

That any person who wilfully and for profit shall infringe any copyright secured by this Act, or who shall knowingly or wilfully aid or abet such infringement, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by imprisonment for not exceeding one year, or by a fine of not less than one hundred dollars nor more than one thousand dollars, or both, in the discretion of the court.
