Its constantly growing advertising patronage of both large and small advertisers shows that profitable results are derived from the use of its columns. PUBLIC LIBRARY, PLAINFIELD, N. J.

Preface

IN presenting to the public the Plainfield-Westfield Directory for 1907, we hope we have succeeded in producing as accurate a book of this description as is possible.

We have made a thorough and efficient house-to-house canvass, and no one can appreciate, but by actual experience, the difficulties which constantly arise in procuring the information for a book of this kind.

But by bringing into execution the methods learned by many years' experience, we believe we have reduced the possible errors to the lowest minimum.

Thanking the public and our many patrons for the kind support they have extended to us, we remain,

Yours respectfully,

BARTON-WAND DIRECTORY CO.,

Benedict Bros.

WATCHES, DIAMONDS AND RICH GOLD JEWELRY

"Benedict's Time" is Standard Time and Our Trade-Mark.

The Watch and Jewelry House of Benedict Bros. was established in Wall Street in 1819 by Samuel W. Benedict, the father of the present Benedict Bros., which makes it probably the oldest in their line in this country. The present Benedicts removed to the corner of Cortlandt Street in 1863.

They are now located at the corner of Broadway and Liberty Street, where they have the most attractive jewelry store in the United States, and, perhaps, in the world.

An early inspection of their magnificent and extensive line of fine Watches, Diamonds and other Precious Gems is cordially invited.
