INTRODUCTION AND GENERAL INDEX

— — — — —

R. L. POLK & CO., publishers of more than 1,400 City, County, State and National Directories, present to subscribers and the general public, this, the latest edition of the Plainfield Directory, which also includes North Plainfield.

Confidence in the growth of Plainfield's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Plainfield to the world.

The enviable position occupied by R. L. POLK & CO.'S Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Plainfield Directory will fulfill its mission as a source of authentic information pertaining to the community.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like Plainfield, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult, resident of Plainfield and North Plainfield, and the name, official personnel, nature and address of each firm and corporation.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE on green paper, is the third major department. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols and Zip Code numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Community Publicity

The Directory reflects the achievements and ambitions of the community,

depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Plainfield and vicinity. There are more than 800 of these Directory Libraries, installed and maintained in cities and towns throughout the United States, Canada and Puerto Rico through the courtesy of your Publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

GENERAL REVIEW

Situated in an attractive location, 24 miles southwest of New York City, and immediately south of the Watchung Mountains, Plainfield, a residential suburban city of 47,900 population, is also the center of a retail trade area which includes the communities of Fanwood and Scotch Plains in Union County, and Greenbrook, Warren, Watchung, and North Plainfield in Somerset County, covering 81.5 square miles with a population of 200,000.

Because of the rapid development of northern New Jersey, Plainfield is ideally situated by reason of its location, railroads and highways to dominate as a manufacturing, distributing and shopping center of the entire area described above. Newark airport is approximately 18 miles.

New Jersey ranks among the first states of the Union in education, Rutgers University is located only nine miles southwest of Plainfield in New Brunswick, and is one of the oldest institutions of learning in the U. S., having been founded as Queen's College by charter from King George III in 1766. The public school system is adequate to serve the educational needs of all children. To Plainfield is awarded the honor of being the home of the free public school system in the State of New Jersey. The first school came into existence August 16, 1847. Congregations of every creed meet in dignified houses of worship numbering 51 in all, and a fine spirit of friendship exists among the various denominations.

A paid supervisor directs recreational activities throughout the entire year, so that no form of recreation is found lacking. Two moving-picture theatres operate three and four shows daily for twelve months. There are several auditoriums and clubhouses for recreation and exposition purposes.

In the Plainfield area the quantity and quality of skilled workers are excellent for most manufacturing purposes. Skilled machinists of all kinds; building trades, metal, garment and assembly workers, and printers, predominate in the labor market. The principal industrial products are plastics, electronics, printing presses, newspaper machinery, tools and hardware specialties, hats, women's dresses and sportswear, undergarments, children's clothing, adhesives, wood and concrete preservatives, paints, pigments, steel fabricating, concrete mixing machines and electric motors.

Plainfield is on the main line of the Central Railroad of New Jersey. The Lehigh Valley Railroad main line station is located in South Plainfield, three miles from the center of Plainfield. The Reading Co. line also passes through South Plainfield. The Port Authority Trans Hudson Corporation (PATH) will provide rapid transit rail service to Newark Airport and New York City by 1978. Bus services are adequate and cover the entire trade area and the principal outlying towns, including direct service to New York.

The People are industrious, progressive and accustomed to high standards of living. About 51% of the population own their homes.

HISTORICAL PLAINFIELD

The first inhabitants of the Plainfield area were the Lenni Lenape (Delaware Indians). After Henry Hudson anchored his Dutch-owned ship, the Half Moon, in Newark Bay in 1609, Dutch and Scottish fur traders began moving into the area. A small settlement arose about 1680, and Quakers built a meeting-

house; a later, enlarged version still stands in downtown Plainfield.

Drake House, which was General Washington's temporary headquarters during the American Revolution, later became a refuge for fugitive slaves. Now operated as a public museum by the City and the Historical Society of Plainfield and North Plainfield, the home is open to the public Monday, Wednesday, and Saturday from 2 until 5 p.m.

The first railroad entered Plainfield in 1840, changing the city from a farm community to a hat manufacturing center. The state's first public school opened in Plainfield in 1847. Wealthy commuters from New York moved into the area, and interstate highways changed the area once more, making it into today's busy industrial, commercial, and residential section.

BOROUGH OF NORTH PLAINFIELD

General Information

North Plainfield is a physically attractive and well-kept one-family residential community of three square miles located twenty-four miles southwest of New York City. It adjoins the City of Plainfield which meets most of the commercial needs of the residents. Within North Plainfield there are a few small light manufacturing plants and a centrally located shopping and service district. The Planning Board is endeavoring to attract desirable commercial enterprises while maintaining the present excellent residential characteristics. More than ninety-nine per cent of the homes in the Borough are connected to the municipal sewer system. The Borough has been a member of the Plainfield Joint Sewer Meeting which has recently entered into a long-term contract with the Middlesex Sewer Authority, and permanent disposal lines are in operation to tidewater. North Plainfield has a full-time paid Police Force of 40 men and a full-time paid Fire Department of 25 men. All of the roads are paved and well maintained by the Street Department.

The adults of this community are civic-minded people. Characteristic of their sense of responsibility is the fact that outstanding citizens willingly serve as members of the municipal governing body and the Board of Education. The income of the residents is derived preponderantly from outside the Borough. Many workers commute to New York, Newark and other commercial and industrial centers, and a large number either own or work in the numerous stores and offices in Plainfield. Hundreds of varied industries, large and small, which are flourishing in the area surrounding North Plainfield employ many North Plainfielders. Large manufacturing plants draw upon North Plainfield for technical and professional skills. The diversity of industries in this

group, together with the varied other sources of resident's income, assures a stability of earning power.

An excellent public education system is maintained in five elementary schools strategically located and a six-year high school housed in two adjacent buildings on a beautifully landscaped and centrally located campus. Also there is one parochial elementary school with over 200 pupils enrolled.

Recent development has centered on Route 22 with the construction of both large commercial facilities and garden apartment projects.

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

* The Buyer's Guide is a necessary supplement to the regular listings. It is good City Directory information... * EXTENDED *

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified Listings.

* This Buyers' Guide is a necessary supplement to the regular Directory. It is good City Directory information . . . EXTENSIVE

WHY A BUYERS' GUIDE?

IT IS ESSENTIAL TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to advertise upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyer's Guide is a necessary supplement to the regular Directory in its great City Directory Information... EXTENSIVE *

Pay no money in advance to **Financial Directory Contractors**. We are
led to mention this from the fact that certain parties have been fraudulently
using our publications as specimens, and by that means collecting money
in advance. Before placing an order, see that it has the name of the
publisher of this City Directory printed thereon. We ask no payment until
the work is delivered, and our solicitors have strict orders not to take
advance payment for either advertising or subscriptions.

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

* The Buyer's Guide is a necessary supplement to the regular listing in good City Directory information... EXTENSIVE *

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyers' Guide is a necessary supplement to the regular Listings. It is good City Directory Information... EXTENSIVE

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular alphabetical and classified listings.

* The Buyer's Guide is a necessary supplement to the regular Directory & is good City Directory information... EXTENDED *

CAUTION

Pay no money in advance to Somerset Directory Commissioners. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our collectors have strict orders not to take advance payment for either advertising or subscriptions.

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyers' Guide is a necessary supplement to the regular listings. It is the best City Directory information... EXTENSIVE

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services, impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyer's Guide is a necessary supplement to the regular Directory. It is good City Directory Information... * EXTENSIVE *

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services in the limited space of regular Alphabetical and Classified listings.

The Buyers' Guide is a necessary supplement to the regular Listings in a good City Directory. Information . . . EXTENSIVE *

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

it gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

* The Buyers' Guide is a necessary supplement to the regular listings in the Good City Directory Information . . . **ALPHABETIC**

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

* The Buyer's Guide is a necessary supplement to the regular Directory. It is good City Directory information . . . EXTENSIVE *

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to allocate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

* The Buyer's Guide is a necessary supplement to the regular Directory. It is good City Directory information... EXTENDED *

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE IT gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

* The Buyer's Guide is a necessary supplement to the regular listings in the good City Directory information... EXTENDED *

CAUTION

Pay no money in advance to Hineson Directory Contractors. We are led to mention this from the fact that certain parties have been fraudulently using our publications on specimens, and by that means collecting money in advance. Before signing an order, see that it bears the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE IT gives business firms the opportunity to elaborate upon a description of their products and services, impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyer's Guide is a necessary supplement to the regular Listings. It is good City Directory Information . . . EXTENSIVE *

WHY A BUYERS' GUIDE?

IT IS CRUCIAL TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:
 It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular alphabetical and classified listings.
 The Buyer's Guide is a necessary supplement to the regular Directory. It is Good City Directory Information . . . EXTENDED.

CAUTION

Pay no money in advance to itinerant Directory Commissioners. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by their means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our collectors have strict orders not to take advance payment for either advertising or subscriptions.

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE it gives business firms the opportunity to advertise upon a classification of their products and services applicable to the limited space of regular advertisements and Classified Listings.

* The Buyer's Guide is a necessary supplement to the regular Listings in the good City Directory publications . . . Everywhere *

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyers' Guide is a necessary supplement to the regular Listings in the good City Directory Information . . . EXTENSIVE

CAUTION

Pay no money in advance to Hometown Directory Companies. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by their means collecting money in advance. WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services, impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyer's Guide is a necessary supplement to the regular Listings. It is good City Directory Information... **ESSENTIAL!**

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

* The Buyers' Guide is a necessary supplement to the regular Directory. It is good City Directory information . . . **EXTRA**

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyer's Guide is a necessary supplement to the regular listings in the great City Directory Information ... BUSINESS

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE IT gives business firms the opportunity to advertise upon a description of their products and services important to the limited space of regular Advertiser and Classified listings.

★ The Buyer's Guide is a necessary supplement to the regular Index. It is good City Directory information... EXTENSIVE ★

CAUTION

Pay no money in advance to Somerset Directory Company. We are not to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to make advance payment for other advertising or subscriptions.

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified Listings.

* The Buyers' Guide is a necessary supplement to the regular Directory in a good City Directory information . . . **ESSENTIAL**

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.

NUMERICAL TELEPHONE DIRECTORY

BLUE PAGES

This Directory takes the "mystery" out of blind numbers. It lists telephone numbers in numerical sequence, making it easy to "decode" blind phone numbers in classified ads—especially valuable for real estate agencies, used car dealers, etc.

WHAT'S IN A PHONE NUMBER?

ABOUT THE FIRM:

Who called me? When your call back message gives a telephone number only—or includes a common surname such as Jones, Smith, Brown, etc.—this Numerical Telephone Directory will assist in determining correct firm name. Make use of both Alphabetical and Street Guide information to establish names of officers, owners or partners, products and services, and correct address. Properly identify firm and caller and have needed records, file or correspondence on hand before returning call.

ABOUT THE INDIVIDUAL:

Who called me? When only a telephone number is known, this Numerical Telephone Directory will assist in determining the name of the subscriber—with this information combined with other sections of your City Directory you may quickly establish such information as wife's name, place of employment, job title, home address, business address and telephone number.
