WERENGA IN FOURTH RANDOLPH IN FIRST DEMEZA SWAMPS RIVAL

UNOFFICIAL REPORTS INDICATE MacMURRAY AND De MEZA HAVE CONFIDENCE OF VOTERS

MAYOR JAMES T. MAC MURRAY PROVED HIMSELF THE MASTER AGAIN AND THE PEOPLE OF PLAINFIELD HAVE RETURNED HIM AS MAYOR ACCORDING TO INCOMPLETE UNOFFICIAL RETURNS AT FIVE THIS MORNING.

JUDGE WILLIAM C. DE MEYA OF THE CITY COURT WHO HAS LONG BEEN A FRIEND OF MAYOR MAC MURRAY WAS ON THE SAME SUCCESSFUL TREND AS THE MAYOR.

ONLY A MIRACLE COULD HAPPEN IF EITHER GEORGE S. CLAY OR HYMAN ABRAMS, OPPOSITION CANDIDATES, WERE TO OVER TAKE THE MAYORS UNOFFICIAL LEADS, ACCORDING TO THOSE RUSHING INTO CITY HALL FROM VARIOUS DISTRICTS WITH REPORTS.

IN THE FOURTH WARD, FIFTH DISTRICT, THE FIRST TO BE RECEIVED BY CITY CLERK GEORGE BRINTON WEAN MR. ABRAMS TOOK NINE MORE VOTES THAN THE MAYOR. THE FOURTH WARD WAS PARTIALLY CONCEDED TO BE MR. ABRAMS WARD AND BECAUSE HIS SHOWING WAS VERY SMALL, THE DOGSTERS CLAIM HE WILL LOSE MORE IN THE SECOND AND THIRD WARDS THAN HE COULD POSSIBLY GAIN IN THE FOURTH AS THE FIRST WARD, ACCORDING TO UNOFFICIAL REPORTS, IS NOT FOR MR. ABRAMS. THE FIRST WARD APPARENTLY HAS DECIDED UPON DAN F. RANDOLPH FOR COUNCIL AND THUS ALLOWED SALVADOR DIANA, TO FADE FROM THE PICTURE.

PLFD. VOTE IS LARGEST IN CITY'S HISTORY

When the polls closed last night it was found that the largest Republican primary vote ever recorded in Plainfield had been cast. At 9 o'clock there were fifteen to twenty persons standing in line, waiting to cast their votes, in many of the districts. Some of the voters waited over an hour for their turns at the voting booths, and some had to wait so long they went home without voting.

The heavy rush came late, and election officers were rushed up to the end. Though there was no expectation of disturbances at any of the polls, Police Chief Patrick S. Kelly made special preparations to handle any trouble that might occur.

Chief Wesley J. Dunn of the Fire Department also made special preparations to prevent any damage that might occur through the necessity of so many home-owners being out of the house for some time while waiting to cast their votes. The department was ready to answer any belated alarms that might come in if returning householders found fires that had started while they were out.

HERBERT BUXTON

Pituitous services for Herbert Buxton, who died in Muhlenberg Hospital Sunday, were held at 8 o'clock last night in A. M. Buxton and Son's "Home for Services" by Plainfield Lodge 888, B. P. O. Elks. Exalted Ruler Alex. Battie conducted the services, during which Miss Sarah Lee sang "Some Time You'll Understand" and "Let Not Thy Heart Be Troubled."

The youths were also the first to be lodged in the new Plainfield jail. They spent time there and had a good "open-up" after the late H. Michaels, (long street, Irvington, came and took them home. The last last week was taken by their uncle to the home of their grandfather, they told Mayor Muir, and after being there a few days and seeing their grandfather sent them to Newark.

Later they confessed they ran away and were "out to see de World."

JUDGE DE MEYA EASILY WINS AGAIN BY THREE TO ONE IT APPEARS

William C. Demeza was nominated City Judge by a large majority. From the time that the first district was heard from there wasn't the slightest doubt that the man who has served 18 years as presiding officer of Police Court would be returned to office for another term.

One of the surprises to many was the strong run of former Senator Joseph F. Freylinghusen. In all of the first district visited in Plainfield the Somerset man was running ahead of the other four aspirants. The fight between Larson and Carey was close in this city in the early returns and the indications around the state were that these two would have a close battle.

The final returns throughout the State will not be completed until sometime during the morning, this condition being due to the fact because of the large ballot in connection with the Presidential electors.

As we go to press unofficial official returns, Judge De Meza was riding into office for his 19th and 20th years on a land-slide.

WILLIAM DE MEZA

LARSON CARRIES HUDSON ACCORDING TO REPORTS

Jersey City, May 16.—Incomplete returns at 2 o'clock this morning showed that Senator Morgan F. Larson was carrying this city and Hudson County by a three to one majority over his nearest competitor, Judge Robert Carey. An unusually large Republican primary vote here indicated a successful effort on the part of Hudson County Democrats to defeat Judge Carey in his own county. Former Governor Edward C. Stokes was leading for the Senatorial nomination, with Hamilton F. Kean a poor second.

MME. FAY DEL RIO PICKS WINNER IN MAYORALTY

She was right. Was Mme. Fay Del Rio. The "newspaper girl" and famed predictor of the future who will close her engagement at Read's Oxford tonight.

Mme. Rio's letter, when opened after the polls closed last night, was found to contain the name of the winning candidate for Mayor, Mme. Rio, daughter of an old-time newspaperman and herself no mean writer, is considered one of the most accurate tellers of the future on the stage today.

O. H. Hewitt, Jr., Executive Secretary of the Chamber of Commerce acted as a committee to open the letter.

The letter: Tuesday, May 16

My Dear Mr. Gelson:

I have been requested to predict the result of tomorrow's election with regard to the Mayorality of this city. I feel that it would have been an injustice as there is too much at stake, however, I wish to say that Mrs. J. T. MacMurray will win next Mayor of this progressive, debt-laden and interesting city, by not too late a majority.

Thank you for your kind consideration.

Sincerely,
FAY DEL RIO.

STOREKEEPER HELD ON LIQUOR SALE CHARGE BY WESTFIELD POLICE

Frank Nattali, who conducts a store at 353 Spring street, Westfield, was held for the Grand Jury by Recorder Augustus V. Nash on a charge of selling intoxicating liquor, after a raid yesterday afternoon by Captain Edward Nelson and Patrolman Fifteenth and George Benninger.

Nattali was arrested by the officers after a small quantity of supposed liquor was found in the store. Recorder Nash ordered him held in \$1,000 bail, which he was unable to furnish last night.

LARSON AND KEAN AHEAD

Incomplete returns from South Plainfield, received after 2 o'clock this morning, showed that Senator Morgan F. Larson was far in the lead for the Republican gubernatorial nomination. Hamilton F. Kean was leading for the Senatorial nomination.

Congressman Harold G. Hoffman was also leading. There were no definite indications as to results in local contests.

WESTFIELD CARRIED

On the basis of incomplete returns in Westfield, Judge Robert Carey, Jersey City candidate for the Republican gubernatorial nomination, had carried the town by a wide margin. He was leading all other candidates for the nomination at 2 o'clock this morning.

From Indian Trails to Paving

Somerset street has been the natural gateway to the Watchung valleys since prehistoric times. Pleistocene monsters found it easier to traverse the natural pass formed by Stony Brook and the Notch than to lumber up and over the heavily-wooded crests of the first range, and the dinosaur pass was later used as an Indian trail, which the first settlers named "The Road to the Mountains."

Though probably quite broad when used daily by reptilian monsters as big as a house, the brook and forest, and probably landlizards, had encroached on the pathway to such an extent that it was hardly wide enough for an ox cart when the early settlers began to exert a civilizing influence on it. Under their care it began to expand, though it was, as late as Civil War days, still so narrow that two teams could not pass each other in front of Stead's woolen mill at Wetumpka Falls.

In other war days, those of the Revolution, the present Washington House in the Notch was one of the places that offered hospitality to the General, who explored so much New Jersey territory in search of the fast-disappearing specimens of Red-coats. This tavern was probably for the convenience of travelers who wanted to break the long, tedious journey between Plainfield and the old mill at the other end of the Notch, which was latter the David French mill.

Men now living remember when Somerset street was the center of a thriving farmyard. In 1860 there were forty-nine houses and one store on the street, from Front street to what later became Johnstone's Drive. The one store was one in the Spencer house next to the corner of Chatham street. The house on that corner has since been moved back on Chatham street and been converted into a barn, the building erected on its former site being now occupied by Trotta's Pet Shop.

Somerset street was the first thoroughfare in the Plainfields to be macadamized. Boulders more than a foot in diameter made the foundation, on which smaller stones were laid, with finer material making a smooth surface. This was done about 1870, followed by the macadamizing of Cherry street, not Park avenue, from Front street to the railroad. Front street, though the main thoroughfare, was not macadamized until after the other two streets.

At Green Brook, Somerset street was formerly ten feet lower than it is today. In winter boys could and did coast from in going down toward the bridge being nearly enough to carry them up the rise toward the end of their toboggans. The mill built by P. M. French, father of L. M. French of 18 Craig place, in 1853 was then four steps above the ground level. Last year, before it was torn down to make way for the new Griffen Hardware store, it's door sill was even with the ground.

OUR SPORTS TRAIL

By "BOB" JAEKEL

P. H. S. is sending down a real hot delegation to the Union County Meet this Friday at Warminster Park. Every member of the team is expected to be in perfect shape to carry off the honors in his event. This feature race should be a close one, as the contenders in that race will be in the form on Friday. Worth seeing at any rate.

Some people are a bit superstitious and have a heck of a lot of faith in "the lucky charm." Those who have been watching the progress of America's entry in the British Women's open golf championship will probably know that our own Miss Thibon de la Chausse of France. The reason that Miss Collett has been beaten twice since her voyage and her future in the tourney depended upon this defeat.

The kids are beginning to take an interest in this sport page already. One of them finally poked his head in here yesterday and asked me to publish the score of his track and field baseball in the nucleus of his league baseball, you know.

This Union County Baseball League certainly is a great organization. It gives the people of Plainfield a chance for entertainment over the week-end, especially those who do not care to risk their lives among the Sunday drivers. And with the use of the County park as the home of the league has done for the city. And all that stuff you would find in this racket, but Plainfield!

With all these twilight games in session it looks as though I should hear from some of the fans as to the final scores and a bit of dog on the men in general. I can't cover them all, but will try to get around.

The fact that a substitution in the form of George Smith for Joe Sim-

HOME RUNS WIN FOR PLAINFIELD OVER EAST ORANGE

Bowser and Colicci Hit the Ball As Fans Go Wild

Mid a blizzard of hits and down-pour of runs the Plainfield High school team defeated the East Orange team yesterday afternoon.

Two beautiful home runs featured for the locals. One came from the stick of Colicci with the bases full, in the fourth, and the second left Bowser to run the circuit in the seventh, with two men ahead of him. One might say that the Stinsons were of some use, but anyone familiar with the peculiar record of this aggregation might think that Tuesday's victory was a foregone conclusion.

Merker pitched a handsome game over their lackey. The Stinsons were of some use, but anyone familiar with the peculiar record of this aggregation might think that Tuesday's victory was a foregone conclusion.

The scoring started at once for the Big Red team. Stinson, Greenwood and Douglas all crossed the plate in the first. East Orange walked off the second to start its rather weak effort to win by scoring one by Cronin.

The fielding of both teams was "right." Two errors were chalked up as a total for both nines, but it is probably best to give Merker all the credit he is worth for his steady work. While East Orange tried three men on the mound.

Greenwood and Bowser led the men of Plainfield in scoring, both adding three apiece to the score. Bowser was the Essex County team's mainstay. He also lasted for a couple of three.

East Orange seems to have had trouble in two important positions on their team. They used three pitchers. However, one man in each of these positions made a mistake. The vain effort to rally in the sixth ended too soon.
