To Anne Shepherd

In 45 years of teaching at PDS and Miss Fine's School, where she began in 1949, Mrs. Shepherd has given of herself in so many ways. As if it were not enough to have shared the depth of her knowledge with class after class, instilling a love of literature and entertaining her students with literary anecdotes and details, she has constantly devoted her time to activities outside the classroom. As adviser to student publications, representative to Community Council, promoter of Shakespeare competitions, and invaluable helper in the college process, Mrs. Shepherd has taught us the meaning of community.

For individual students as well, she has always been eager to answer questions, theoretical or practical, obvious or far-fetched, often searching out and sharing some little known fact, teaching us along the way the joy and discipline of an inquiring mind. Her departure will be a great loss, but her influence will continue to be felt in English classes at PDS and in the intellects and hearts of her students.

Thank you, Mrs. Shepherd, for all you have given us; we will always remember you.

Jerusalem

And did those feet in ancient time
Walk upon England's mountains green?
And was the holy Lamb of God
On England's pleasant pastures seen?

And did the Countenance Divine
Shine forth upon our clouded hills?
And was Jerusalem builded here
Among these dark Satanic Mills?

Bring my Bow of burning gold!
Bring me my Arrows of desire!
Bring me my spear! O clouds, unfold!
Bring me my Chariot of fire!

I will not cease from Mental Fight,
Nor shall my Sword sleep in my hand,
Till we have built Jerusalem
In England's green and pleasant land.

Dear Class of 1994:

Writing about a forest fire in 1949 which took the lives of 16 fire fighters, Norman Maclean in *Young Men and Fire* observes, "It is in the world of slow-time that truth and art are found as one."

The world of slow-time is often elusive for the young. Perhaps this idea was especially true for the class of 1994. You often appeared in such a hurry to get somewhere, as though the place, the future, would not include you. But you will get there: graduation, college, the life thereafter with all its unknowns.

Like you, I will depart from our school. Graduation and college are not my next stops, but the unknown is there. What a lovely challenge.

May we find the slow-time as we embark on our journeys.

Sincerely,

Duncan W. Allerg

"The Babel fish," said The Hitchhiker's Guide to the Galaxy quietly, "is small, yellow and leech like, and probably the oddest thing in the Universe. It feeds on brainwave energy received not from its own carrier but from those around it. It absorbs all unconscious mental frequencies from this brainwave energy to nourish itself with. It then excretes into the mind of its carrier a telepathic matrix formed by combining the conscious thought frequencies with nerve signals picked up from the speech centers of the brain which has supplied them. The practical upshot of all this is that if you stick a Babel fish in your ear you can instantly understand anything said to you in any form of language. The speech patterns you actually hear decode the brainwave matrix which has been fed into your mind by your Babel fish."

"Now it is such a bizarrely improbable coincidence that anything so mind bogglingly useful could have evolved purely by chance that some thinkers have chosen to see it as a final and clinching proof of the nonexistence of God.

The argument goes something like this: 'I refuse to prove that I exist,' says God, 'for proof denies faith and without faith I am nothing.'

'But,' says man, 'the Babel fish is a dead giveaway, isn't it? It could not have evolved by chance. It proves you exist, and so therefore, by your own arguments you don't, QED.'

'Oh dear,' says God, 'I hadn't thought of that,' and promptly vanishes in a poof of logic."

Individually you can change a lot.
Collectively, we can change the world.

You don't have to ask a child about happy, you see it. They are or they are not. Adults talk about being happy largely because they are not. Talking about it is the same as trying to catch the wind. Much easier to let it blow all over you. This is where I disagree with philosophers. They talk about passionate things but there is no passion in them. Never talk happiness with a philosopher.

Congratulations! Today is your day. You're off to great places! You're off and away! You're on your own. And you know what you know. And you're the person who'll decide where to go. And when things start to happen don't worry, don't stew. Just go right along. You'll start happening too! I'm sorry to say, but sadly it's true that Bang-ups and Hang-ups can happen to you. So be sure when you step. Step with care and great tact and remember that life's a great balancing act. Just never forget to be dexterous and deft and never mix up your right with your left. And will you succeed? Yes you will indeed! (98 and $\frac{3}{4}$ percent guaranteed!) You're off to great places. Today is your day. Your mountain is waiting. So . . . get on your way!!

To laugh is to risk appearing the fool.
To weep is to risk seeming sentimental.
To reach out for another is to risk involvement.
To expose feelings is to risk exposing your true self.
To love is to risk not being loved in return.
To live is to risk dying.
To try is to risk failure.

But risks must be taken because
the greatest hazard in life is to risk nothing.
The person who risks nothing does nothing,
has nothing, and is nothing.
They may avoid suffering and sorrow, but they
cannot learn, feel, change, grow, live, love.
Chained by their certitudes they are a slave,
they have forfeited their freedom.

Only a person who risks is free.

From the beginning we were bound to go our separate ways,
But we created a bond that forever stays
And in your absence I will never forget,
How fortunate I am we ever met

Too often we are scared. Scared of what we might not be able to do. Scared of what people might think if we tried. We let our fears stand in the way of our hopes. We say no when we want to say yes. We sit quietly when we want to scream. Why? After all, we only go round once. So stop. Risk it. You have nothing to lose and everything to gain.

A Midsummer Night's Dream

Out of this wood do not desire to go.
Thou shalt remain here, whether thou wilt or no.
I am a spirit of no common rate.
The summer still doth tend upon my state,
And I do love thee. Therefore go with me.
I'll give thee fairies to attend on thee,
And they shall fetch thee jewels from the deep,
And sing while thou on pressed flowers dost sleep.
And I will purge thy mortal grossness so
That thou shalt like an airy spirit go.
Peaseblossom, Cobweb, Mote, and Mustardseed!

FIELD HOCKEY

Varsity: First Row: Danielle Warren, Lise Lynam, Morgan Altman, Julie Ober, Kelly Badad, and Jessica Boyd. **Second Row:** Cynthia Shafto, Jess Seid, Mariah Howe, Wendy Walter, Marika Sarder, Jess D'Altrui, Merritt Janson, Deborah Pollard, Taryn Esposito, Blythe Quinlan, and Emily DeVilla.

The Field Hockey team's final record of 4-5-4 does not accurately reflect the amount of time, effort, and heart put into the season, nor the amount of improvement shown by the team as a whole; next year's record will have to be the proof. This year's team was led by five amazing, not to mention beautiful seniors: co-captains Mariah Howe and Cynthia Shafto (Honorable Mention Mercer County All-Star Team), Julie Ober, Jess Seid, and Marika Sardar (Prep "A" All-Star 1st Team). But next year's team will be sparked by high scorers Jess D'Altrui (MVP and Prep "A" All-Star 1st Team), Emily DeVilla (MIP), and Lise Lynam, as well as by a strong mid-field of Kelly Babbitt, Merritt Janson, and Jess Boyd.

Junior Varsity: First Row: Chandler Plohn and Sylvia Limm. **Second Row:** Julia Zagoria, Katherine Griffith, Mandy Rabinowitz, and Jill Heisler. **Third Row:** Dana Scott, Mariana Sparre, Gayatri Bhatnagar, Sarah Weeks, and Ari Leydon.

FOOTBALL

Varsity & Junior Varsity: First Row: David Babad, Jeffrey Overman, Phillip Glassner, Jaron Randall, Jeffrey Babad, Joel Melendez, Kaseem Carter, and Ian Halpern. **Second Row:** Mark Chatham, Travis Gilliam, Calder Cruikshank, Dan Knipe, Bryan Esposito, Peter Casey, Eric Boyd, and Kevin McKay. **Third Row:** Ed Cho, Myong Lee, Coach Sagebien, Coach Coniff, Head Coach Adams, Coach Minnefor, Coach Ingoglia, Trainer Damian Robertson, and Brian Mauney. **Fourth Row:** Charles Buck, Dan Kvarta, Ted Shatz, Josh Feldman, Justin Hillenbrand, David Jackson, Andrew Overman, and Kevin Maldonado.

During the 1993 season Princeton Day varsity football enjoyed its most successful season in thirteen years, finishing at 5-3. Paced by all-conference seniors Ian Halpern, Brian Mauney, Andy Overman, and Ted Shatz, along with fellow seniors Justin Hillenbrand and Josh Feldman, the team won four of its first five games. Injuries were a major factor as the days grew shorter, but the seniors' leadership shone through, and the young team reached a level that few had expected when the year began. With head coach Mark Adams' knowledge and unwavering sense of pride from all players, the Panthers overcame heavy odds in a solid season that many will remember for a long time to come.

BOYS' SOCCER

Varsity: First Row: Roy Lynam, Matthew Zarzecki, Adam Schwartz, Erik Treilman, Laate Olukotun, Kevin Gallagher, Jason Kane, and Steve Amendo. **Second Row:** Melissa Morgenstern, Matthew LaBosco, Parker Gibson, Michael O'Neill, Jason Hart, Matthew Zablocki, Michael Wilde, David Levin, Peter Suomi, Weston Willard, and Mercedes Valle.

The Boys' Varsity Soccer team accomplished many goals this year, some expected and some not. They ended with a very surprising record of 9-6-1. This year the young team came up strong in many clutch situations. There were many surprising victories over teams expected to beat PDS. These victories included Gill St. Bernards, last year's Prep "B" champions, Newark Academy, a team PDS lost to previously during the season, and Pennington, a team PDS was losing to 2-0 in the first half, but returned to beat 3-2. The team was led by a small core of solid seniors. They included tri-captains Alex Harris (injured for half the season), Laate Olukotun, and Eric Treilman. The latter two were the dominant figures in a strong PDS attacking front. Then there was an imposing defense that was led by seniors Jason Hart and Pat Meehan, and senior Adam Schwartz was a powerful physical presence off the bench. This team was very young and is looking forward to many great seasons to come, led by this season's underclassmen.

Junior Varsity: First Row: Ian Wijaya and Jeff Goldson. **Second Row:** Brad Lyons, Michael DeSenna, David Bromwich, Sebastian Touzet, Jeff Schor, Adam Kane, Michael Zarzecki, Mark Gray, Andrew Townsend, Byron Taylor, Jon Graziano, Zander Vincent, Nicholas Lee, Martin Nowicki, Ted Slaughter, Coach Aaron Schomburg, and Coach Jim Laughlin.

GIRLS SOCCER

Varsity: First Row: Sarah Goldfus, Janna Levin, and Alexa Faigen. **Second Row:** Senait Kassahun, Dara DeVito, Roopa Purushothaman, Emily Churchill, Dana DeCore, Molly Dwyer, Dana Vetrecin, and Karein Donahue. **Third Row:** Coach Chris Butler, Molly Ober, Luiba Shapiro, Lindsay Sternberg, Jen Mitchell, Amanda Tate, Sara Hart, Louise Sturges, Veronica White, and Coach Matt Levinson.

The Girls Varsity Soccer team celebrated a season filled with many great victories. The record of 12-5-2 really showed the team's improvement. The three new coaches, Matt Levinson, Michelle Massaros, and Christopher Butler, guided the young team to much progress both in their ball skills and in spirit, and a season that culminated in a tie against Blair Academy in the Prep "B" state tournament.

Dana DeCore led the team with 27 goals out of the 53 scored by the whole team during the season. She, along with Molly Dwyer, Lindsey Sternberg, and Jenn Mitchell, were nominated as All-State Prep "B" First Team players.

Those who are leaving will take with them many fond memories from the past four years, and will leave a team which has a very promising future.

TENNIS

Varsity: Florence Lam, Janina Washington, Rachel Glatt, Michele Kalafer, Sydney Zapiec, Hadley Hosea, Dominika Tarczyska, Coach Webster.

The girls' varsity tennis team had another rough season, compiling a record of 5-7. The team was led by co-captains Janina Washington, a senior, and Sydney Zapiec, a junior. The team had a new coach this year, Dede Webster. Sydney Zapiec at 2nd singles and Rachel Glatt at 3rd singles managed to make it to the Mercer County semi-finals. With only two seniors graduating this year, the team looks forward to a more successful season next year with many returning players up and coming.

Junior Varsity — First Row: Coach Shin, Monica Bhattacharya, Becky Rubin, Katie Jamieson, Becca Nemiroff. **Second Row:** Sara Lott, Sarah Critchlow.

CROSS COUNTRY

Coach Eamon Downey, Chuck Flores, Christina Rossi, Julian Wong, Pete Nowicki, Margaret Carmalt (kneeling), John Ackerman, Mike Sobieszczk, Pat Regan, Alex Manka, Dan Rizzi, and Coach Susan Daly-Rouse.

The cross country team had a disappointing season, as it failed to win its third state Prep "B" title. Due to injuries and other difficulties, the team finished third behind Gill St. Bernard's and Newark Academy. MVP and Sportsmanship winner John Ackerman, bothered by nagging health problems all season, was also unsuccessful in his attempt to win another Prep "B" championship, finishing second. Mike Sobieszczyck took ninth, followed by Dan Rizza, Jordan Rappaport, and Alex Manka, who showed great improvement and won MIP. The team looks forward to next season, when it expects to be back in top form to win back the Prep "B" trophy.

FENCING

The 1994 season left the Boy's Varsity Fencing team with a record of 3 wins and 2 losses. This is the first time in years that the boys' team has finished over .500. This stellar record was partly due to the cancellation of meets against superior teams, but the improved record was an achievement nonetheless. Notable victories included those over MKA, Lawrenceville, and a last minute comeback against Somerville. The younger talent on the team matured through increased fencing experience and leadership during trying times. Captain Abe Mezrich served as an effective catalyst of team spirit and hope. Coach Paul Epply-Schmidt once again served as an effective overseer of the team's progress. This year saw an unexpected shift towards more team spirit — a sharp contrast to the past few years of individualism. It is interesting that although this team may have lacked the raw talent of previous teams, it ended with a more successful record, thanks to its group orientation.

The girls' fencing team finished this year with a short, but winning season. The varsity team's record was marred by only two close, 14-15 losses. The J.V. team's record was equally satisfying. Although the statewide Santelli Tournament was cancelled due to inclement weather, the team did finish second in the state prep tournament. Led by two strong and dedicated captains, Monica Bhattacharya and Stacy Feinstein, the team also included three juniors and two nationally competitive sophomores, Emily deVilla and Sarah Weeks. With only two seniors departing and many upcoming J.V. fencers, the team looks forward to another winning season next year.

Front Row: Erin Belanger, Annmarie Cholankeril, Emily Devilla, Monica Bhattacharya, Stacy Feinstein, and Abe Mezrich. **Second Row:** Coach Ellen Skowronski, Brad Hall, Coach Jeremy Schmidt, Tali Levin, Galette Levin, Brian Kalmus, Sarah Weeks, Liz Funk, Babi Bhattacharjee, Rachel Griffin, Amy Kaplan, Rebecca Highland, Pete Distol, Jon Siegel, Michael Lewis, Dave Rajfer, Julia Gorodetskay, Andy Golda, Brian Schorr, Ian Wijaya, Coach Paul Epply-Schmidt, and James To. **Third Row:** Sebastian Touzet, Justin Krebs, Alex Manka, and Grant Gould.

Boys Ice Hockey

Varsity: Standing: Coach Lustig, Erik Treilman, Ren Thompson, Matt Zarzecki, Dan Knipe, Steve Amendo, John Leahy, Jordan Rappaport, Andy Overman, Andrew Townsend, and Coach Egner. **Kneeling:** Mark Gray, Tom Capotosta, Mike Zarzecki, Steve Nanfara, Roy Lynam, Parker Gibson, Jeff Overman, and Wes Steffens. **Missing from picture:** Justin Hillenbrand, Dave Levine, and Mark Rhodes.

After a disappointing season the previous year, the boys varsity ice hockey team had its best season in five years. The team was basically the same team as last year, but with changes. Matt Lustig (who was the assistant coach last year) stepped up to take the job as head coach. He built a high-spirited, hard-working team that finished its season with a record of 11 wins and 7 losses. Achieving this 11-7 record required some strong offensive and defensive play. Juniors Dan Knipe (a captain) and John Leahy, along with seniors Tom Capotosta, Dave Levine, and Erik Treilman, combined to create a strong and threatening offense that scored many goals when the chances were given. On defense, sophomore Jeff Overman and his senior brother Andy Overman (a captain), along with senior Justin Hillenbrand and Junior Ren Thompson, stepped up and played an aggressive and intimidating defensive game. Goal tending was a major factor this season. Sophomore goalie Mark Gray and junior goalie Wes Steffens both played solid games when in net. The team's season started off with a boom. The Panthers scored over 40 goals against CVC opponents and only allowed 5 goals. When PDS played teams that were a challenge, the outcome was very positive with a

couple of tough losses. A highlight of the season came against Lawrenceville. Down by a goal after an extremely rough second period, the Panthers fought their way back by scoring 4 unanswered goals in the third period to win by a score of 6-4. Other highlights included the annual PDS Invitational Tournament, where the Panthers lost an extremely tough game to the Brunswick School. The Panthers were again down by two in the third period when they popped in a late goal to tie the game at 4 all. Late in overtime, Brunswick scored to win the game and advanced to the finals. The next day, in the consolation game against the Portledge School, Dave Levine scored an overtime goal to give PDS the victory. Awards went to the following team members: Sportsmanship to Erik Treilman, MIP to Steve Amendo, and MVP to Jeff Overman. In the PDS Invitational Tournament, Dave Levine got the sportsmanship award. And finally, Dan Knipe and John Leahy were recognized as First Team All Area.

JV: Standing: Edmond Landry, Bryan Esposito, T.J. Thornton, John Gardner, Mike Wilde, Zander Vincent, Pat Hearney, and David Babad. **Kneeling:** Mark Stern and Coach Coniff. **Missing from Picture:** David Gentempo, Jeff Goldenson, Dan Spear, Calder Cruikshank, Brian Rappaport, and Elliot Shuke.

GIRLS ICE HOCKEY

The girls hockey team finished the season with a record of 4 wins and 5 losses. Girls from all four grades contributed to the team's efforts. Stand-outs included freshman novice Jess Boyd, first year goalie Becca Memiroff, and sophomore centers Morgan Altman and Jess D'Altrui. Co-captains Jess Seid and Maggie Seidel, who was also the team's MVP, led the team, which was anchored by sophomores Lise Lynam, Emily Churchill, and Kathy "slapshot" Knapp. Unfortunately, many games were cancelled due to the weather, but that did not suffocate the team spirit, which was maintained throughout the winter. Highlights included repeated crushings of the rival Peddie, Merritt Janson's sparkling improvement, and a second place trophy in the 4th annual Princeton Day School Girls Ice Hockey Tournament. Since this was considered a rebuilding year for the team, there are high expectations for the coming seasons, although the guidance of the two departing seniors will be sorely missed.

Standing: Coach Egner, Sarah Goldfus, Mariana Sparre, Lisa Lynam, Merritt Janson, Kathy Knapp, Maggie Seidel, Jess Seid, Liuba Shapiro, Louise Sturges, and Emily Churchill. **Kneeling:** Karein Donahue, Chandler Plohn, Danielle Warren, Taryn Esposito, Kelly Babbitt, Morgan Altman, Jessica Boyd, Becca Nemiroff, Amanda Scherck, and Coach Hilleary Thomas.

BOYS BASKETBALL

Varsity: Kneeling: Alex Harris, Akey Brown, and Brian Mauney. **Standing:** Ted Shatz, Jordan Rappaport, Eric Boyd, Matt LaBosco, Zach David, Brian Smith, Michael O'Neill, Adam Blair, Jaron Randall, Chris Vivona, Pete Denby, Kaseem Carter, and Coach David First

The Boys Varsity Basketball team enjoyed yet another successful season in 1993-94 finishing second in the Prep "B" conference regular season and runner up in the conference tournaments, with an overall record of 16-8. A spirited final drew the largest crowd in Panther history, as the careers of senior captains Akey Brown, Alex Harris, and Brian Mauney, along with fellow seniors Ted Shatz & Chris Vivona, came to a close. Brown, Harris, and Shatz received accolades for their efforts, while coaches David First and Stephen Davis look towards a prosperous future. Brown was named team MVP and Shatz MIP; sophomore Eric Boyd received the Sportsmanship Award. Boyd and a deep sophomore class promise success for the next few years.

JV: Back Row: Michael O'Neill, Byron Taylor, Adam Blair, Jonathan Hirsch, Jaron Randall, and Ed Cho. **Front Row:** Kaseem Carter, Drew Seltzer, Jerry Liu, Steve Uy, and Coach Stephen Davis.

GIRLS BASKETBALL

Varsity: First Row: Christine Uy, Molly Dwyer, and Alexa Faigen. **Second Row:** Jen Mitchell and Dana DeCore. **Third Row:** Sara Hart, Lindsay Sternberg, Kyra Skvir, and Mercedes Valle.

While this season was not as successful as they had hoped it would be, the girls' varsity basketball team posted a 12-9 record, peaking in the middle of a season that included highpoints as well as disappointments. They made it to the Prep A semi-finals, led by high scorer and MVP Dana DeCore. Other award-winning players included co-captain Molly Dwyer (Sportsmanship), co-captain Kyra Skvir (Panther Award), and Lindsey Sternberg (MIP). Jen Mitchell, Christine Uy, Mercedes Valle, Sarah Hart, Alexa Faigen, Alakee Bethea, and Brandi Gwynne also contributed to the team's strengths. Twice, they almost accomplished their goal of beating Lawrenceville, just getting nicked in the fourth quarter. The old saying rings in their heads: "We'll get them next year." With only two of this year's starters heading off to college, next year's team should have a good shot at a state title.

Junior Varsity: First Row: Alakee Bethea, Brandi Gwynn, and Alexa Faigen. Second Row: Dana Scott, Suzanna Touzet, Alicia Irvin, Dominika Tarczynska, and Danielle Peters.

VOLLEYBALL

Varsity: (Left to right) Tracy Ershow, Kevin Maldonado, Mariah Howe, Wendy Walter, Janina Washington, Coach John Baldwin, Marika Sardar, Rachel Glat, Mina Kim, Anita Agarwal, and Roopa Purushothaman.

The Varsity Volleyball Team had another successful season despite the mid-season illness of Janina “Why me?” Washington. Seniors Mina Kim, Mariah Howe, and Marika Sardar — along with Wendy Walter, Anita Agarwal, Rachel Glat and Roopa Purushothman — all raised the level of their play to end the season with a 10-3 record and another Prep “B” Championship.

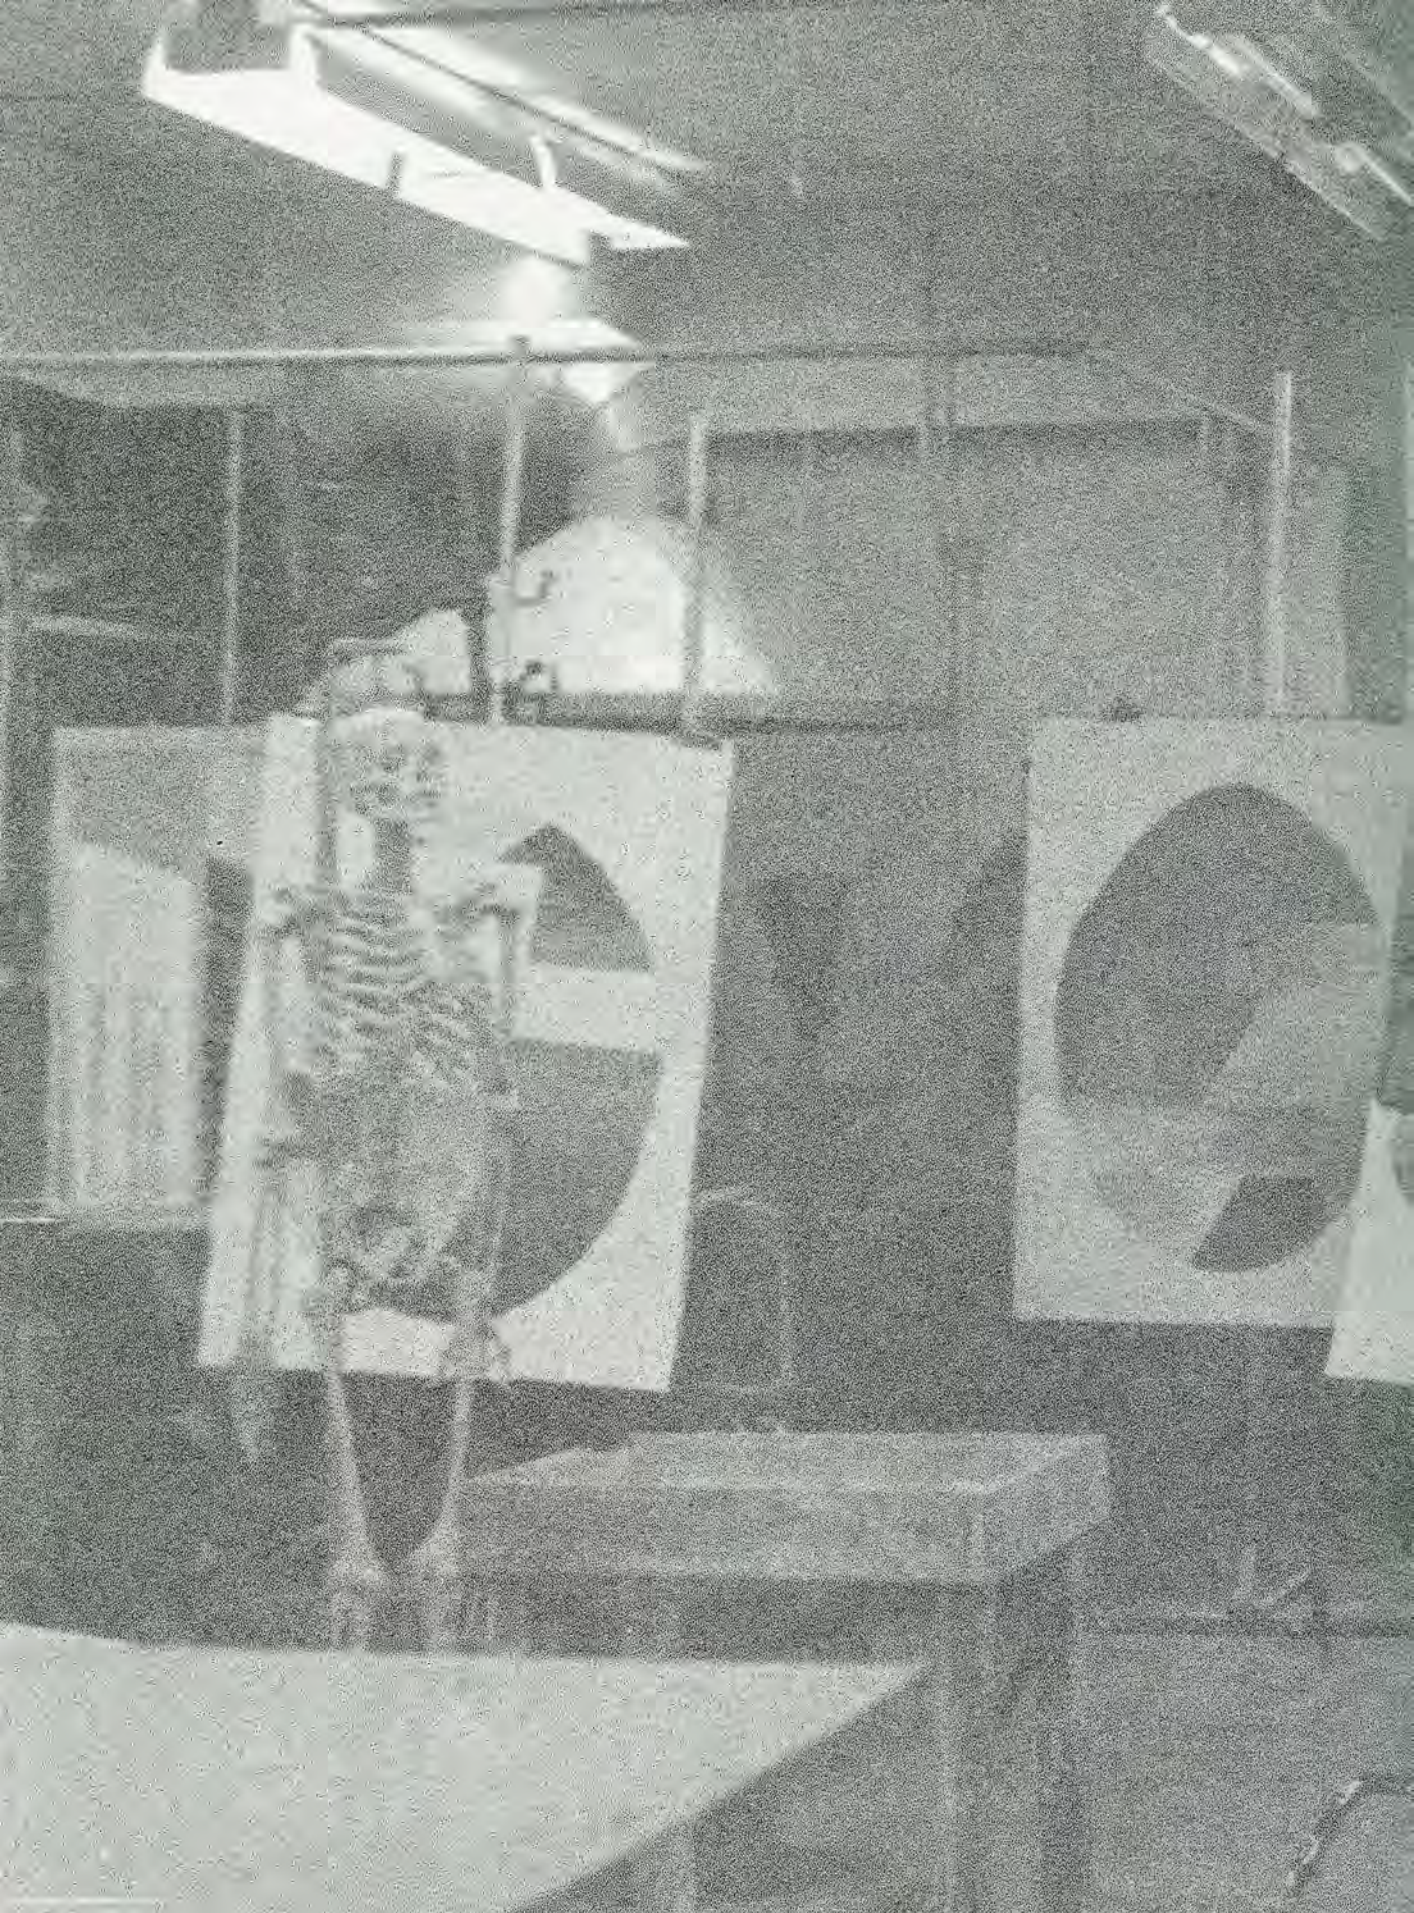

JV: First Row: Senait Kassahun, Davina Mörgerstern, Roopa Purushothaman, and Melissa Morgenstern. **Second Row:** Tracy Ershow, Sarah Green, Katherine Griffith, Cori Brown, Zaneta Shannon, and Elena Koly.

SQUASH

The senior-laden Varsity Squash Team finished the season with a record of 3-5-1, the best in years. Returning varsity players Michael Brown, Justin Doyle, and captain Jeff Wasserman played at the top three spots, forming the backbone of the team. Each compiled a record of 5-2 in the snow-shortened season. Seniors playing for the first time included Matt Varhley, Josh Anzel, and Scott Ostfeld. Sophomores Aaron Beim and Adam Husik finished the season strongly and will return next year. Jeff Wasserman received the MVP Award, Justin Doyle the MIP Award and Matt Varhley the Sportsmanship Award.

(Left to right) Aaron Beim, Josh Anzel, Elissa Doyle, Adam Husik, Doug Berkman, Scott Ostfeld, Dan Oppenheim, Matt Varhley, and Matt Perkins.

Todd "We were children in our places, with the world beneath our feet, and growing up was on our faces. I remember yours so sweet!!

JC We tried so hard. . . I guess something's are never meant to be. Never forget I love you. . . like a cigarette. I will never, no I *could* never forget the times we spent together.

Jill I never would have survived high school without you. Between the 2 of us, we must have experienced it all. Your friendship kept me sane through the worst of times, and you never judged me. Thank you for your eternal support and understanding as well as your laughter and friendship. I love you.

Carrie I remember trailing after you as a little kid, touching everything you touched, repeating every word you said. My whole life I have aspired to be more like you, so thoughtful, so responsible — always putting others' needs before you own. So many times you protected me not only from others but from myself. I don't think I ever said thank you. I love you so much, and someday I hope I can do as much for you as you have done for me your shmoo. Thank you, I love you, big sister.

Mommy & Daddy What an adventure it's been. The past four years have been memorable to say the least. But throughout our perpetual rollercoaster ride, one thing always remained — "No matter what happens we still love pineapple." There are not enough words to express my gratitude for all you have given me; all the love and guidance, not to mention "another chance's." Thank you, I love you.

To all my friends "Maybe nothing lasts forever, not the mountains or the sea, but the times we had together — they will always be with me. . ."

Laur & Ness "I've run through rainbows and castles of candy. . ." Where to begin? Late nights cruising in the "vehicle", weekends at Andrew's, Woodfield, endless conversations, exotic food, gallons of coffee, cartons of cigarettes, girls' nights, Friday night at Sunoco, stupid arguments, managing lax, nightmarish nights at Nikki's, relationships w/DL, getting Vanessa out of her house, sharing hopes and fears, screw-ups and dreams. There has been so much music & laughter, trust and love. You two are my very best friends in the world. I've learned so much about what really matters from both of you. Please never stop putting up w/my neurotic behavior. Thank you for all the memories. I love you.

Mags There's too much to say, but it's not necessary — you always understood. We've been through so much. . . from Nintendo in my basement to beer. . . and stuff. From foolish infatuations to the real thing. We always had something to laugh about, especially ourselves. Never change — always be my honest to goodness meat & potatoes friend.

Jess Rap session, same rules? Wow! Who would have predicted how we'd turn out? But I always knew we would remain friends. Don't ever forget the good times, there have been so many! Don't "eat up" too much time!

Marge The Camden Aquarium, South Street, Pink Floyd Laser Light Show, snowed in at your house for 3 days, shlonerhugen, girls' nights, shoveling Joe's driveway, I miss you already.

Sarah Thank you for all your support, honesty, and advice as well as your laughter and shared thoughts. I'm so proud to be able to call you my friend; you're wonderful!

Pat & Dave Morning and afternoons at Woodfield, weekends at Andrew's, nights on the Pagoda field. . . I'll miss you. stay safe.

To my friends and peer group: thank you so much for providing a basis of happiness and a collection of memories that I will bring with me everywhere. It is during this time that one builds much of his/her character. I am glad that I was surrounded by so many true companions.

To my mother and father: our relationship has proven true love. It is an unconditional love which will be present in any world and in any time. Our conversations were many, but silence was also a comfortable dimension. Our family is truly the most important thing I will ever have. Thank you for your support and for all the good times. A toast to the future!

To Grandma and Grandpa: I know that it is hard to believe that the infant bouncing on the bed is already graduating, but we have had so many wonderful times since then. Our laughter together and our serious discussions mean the world to me. Thank you for your affection.

Elliot, graduating high school is a milestone realized; but there will be many milestones throughout your lifetime. Milestones that will be challenging, frustrating, and exciting, and you will approach these milestones with confidence. In one of Goethe's passages he sums up the things Dad and I would like you always to refer to when you have to make choices and decisions.

"Until one is committed, there is hesitancy, the chance to draw back, always ineffectiveness. Concerning all acts of initiative (and creation), there is one elementary truth, the ignorance of which kills countless ideas and splendid plans: that the moment one definitely commits oneself, the providence moves, too.

All sorts of things occur to help one that would never otherwise have occurred. A whole stream of events issues from the decision, raising in one's favour all manner of unforeseen incidents and meetings and material assistance, which no man could have dreamed would have come his way.

Whatever you can do or dream, begin it. Boldness has genius, power and magic in it. Begin it now."

God bless, Mum & Dad

Teacher . . . Coach . . . Mom . . . Friend . . . Special
Person

*Some people come into our lives and quickly go . . .
Some stay and leave footprints on our hearts, and we are
never ever the same.*

The world we live in is made up of givers and takers . . .
We were fortunate to have her give so very much of
herself to all of us, and in doing so she taught us to do
the same.

Jill Thomas

Most of us, if we take a moment to think, have
coaches who have made a difference in our
lives . . .

Beyond the statistics, record books, state
championships . . . above and beyond the
dedication and commitment that coaches often
give . . .

She made a difference in our lives.

Jan Baker

We will always remember...

- your dedication to us, your family, your friends. ☘
- you made everyone try to be their best. ☺
- your smile, your laugh, and most of all the confidence you had in everyone of us!
- your sense of humor, energy, and spirit!!
- how interested you were in every little detail of our lives just so we could share together.
- how you instilled in us team unity and got us psyched for the prep tournament last year with those songs we made.
- your enthusiasm for all sports you coached on and off the field.
- how you always brought out the best in everybody and never lost faith in us.
- your shoes!

It is this backward motion toward the source,
Against the stream, that most we see ourselves in,
The tribute of the current to the source.
It is from this in nature we are from.
It is most us.
