Mrs Shepherd

Anne Barlow Shepherd taught at Miss Fine's School and Princeton Day School for forty-seven years. She taught history, geography, English, chaired the upper school English department, and served as an advisor to **The Inkling, Link, and The Spokesman**. Outside PDS she was the Coordinator of the Princeton branch of the Shakespeare Recitation Contest, advisor to the American Field Service Committee, and the English-Speaking Union, and the Vice President of Curriculum at Princeton Adult School. Established in her honor were the Shepherd-McCaughan Fund, which provides for faculty sabbaticals and the Anne B. Shepherd Humanities Award, for a member of the junior class. She herself established the Anne B. Shepherd Scholarship Fund.

Anne Shepherd was a passionate intellectual, a passionate teacher, and a passionate fighter for liberal values. She was a woman of enormous generosity, both public and private. Her loyalty and capacity for support were boundless. Students felt this for fifty-five years, and so did colleagues. The number of ex-students who kept in touch with her all through her career was truly remarkable.

Anne Shepherd's love of literature was legendary, and it seems fitting to end this tribute with words from a favorite poem of hers, which happens to say a lot about Anne Shepherd herself. It is Tennyson's **Ulysses**. "I cannot rest from travel: I will drink life to the lees... How dull it is to pause, to make an end, to rust unburnished, not to shine in use! As tho to breathe were life."

-Stephen Lawrence

Mrs. Bencivengo

Mrs. Bencivengo (a.k.a. Deni, DB, Senora, Mrs. B.) has known many of us since our middle school years. We are proud to be the first group that she has been dean to. Mrs. Bencivengo has stayed with us all the way through upper school, through two broken candy jars, and our numerous complaints about our class always getting the short end of the stick. Whether we formed a piano, flipped cards, danced in orange garbage bags, or quoted the "The Raven," Mrs. B. was always there with support and encouragement during our Halloween Challenge practices. Her positive input could be counted on during Prom discussions and every class meeting.

We thank you, Mrs. Bencivengo, for your patience and hard work over the last four years. We all appreciate everything you've done for us. You have laughed with us, cheered us on, and helped to make our high school years very memorable!

With love and heartfelt thanks,
The Class of 1997

Head of School

February, 1997

Dear Class of 1997,

As I write this, we are all still eagerly awaiting our first snow day! Although we aren't hoping for a rerun of the winter 1996, we could certainly enjoy a day of sleeping late, drinking coffee in our slippers and making angels in the snow.

You have just survived the first of our new trimesters, about a third of you are already accepted at the college of your choice and you are embracing the Hart family in an incredible gesture of love and support. As we feel their shock and loss, we have been reminded of our recent loss of Mrs. Rothrock and Mrs. Shepherd. Your class provided both the inspiration and manual labor that culminated in Mrs. Rothrock's memorial garden. We are grateful and impressed with your deep appreciation for your teachers and the gifts they have shared with you.

We will remember the Class of 1997 as a spirited group, whose fall bonfire actually burned gloriously, whose Halloween Challenge thrilled us all and whose efforts to enhance the spirit of PDS were remarkable and successful. You provided critical student input in our efforts to strengthen our athletic program and implement our Long Range Plan. You were clearly concerned about your school and articulated a desire to treasure our traditions and simultaneously be open to innovation. That ability to value the best of the past and embrace the possibility of the future will serve you well as you meet the challenges of your personal and professional lives.

Come back and see us often. We will be eager to hear of your adventures, your disappointments and your triumphs. You have helped to shape a school of which you can be very proud. We thank you for your leadership and hard work.

Travel far and wide.

Fondly,

Mrs. Lohr.

Now do please remember, that the privately educated English man-and Englishwoman, if you will allow me- is the greatest dissembler on earth... Nobody will charm you so glibly, disguise his feelings from you better, cover his tracks more skillfully or find it harder to confess to you that he's been a damned fool. Nobody acts braver when he's frightened stiff, or happier when he's miserable; nobody can flatter you better when he hates you than your extrovert Englishman or woman of the supposedly privileged classes. He can have a Force Twelve nervous breakdown while he stands next to you in the bus queue, and you may be his best friend, but you'll never be the wiser. Which is why some of our best officers turn out to be our worst. And our worst, our best. And why the most difficult agent you will ever have to run is yourself.

To laugh is to risk appearing the fool,
To weep is to risk appearing sentimental
To reach out for another is to risk involvement,
To expose feelings is to risk exposing the self,
To place ideas and dreams before the crowd is to risk loss,

To live is to risk dying,
To try at all is to risk failure,

I believe in people, in the simpler aspects of human life, in the relation of man to nature. I believe man must be free, both in spirit and in society, that he must build strength into himself, affirming the enormous beauty of the world and acquiring the confidence to see and to express his vision.

-Ansel Adams

...none of us ever thought there was any place in the world like that lake in Maine. We returned summer after summer-always on August 1st for one month...I guess I remember clearest of all the early mornings, when the lake was cool and motionless, remembered how the bedrooms smelled of the lumber it was made of and of the wet woods whose scent entered through the screen.

The whole world is, to me, very much “alive”--- all the little growing things, even the rocks. I can’t look at a swell bit of grass and the earth, for instance, without feeling the essential life--- the things going on--- within them. The same goes for a mountain, or a bit of the ocean, or a magnificent piece of old wood.

Ansel Adams

Failing Tao, man resorts to Virtue.
Failing Virtue, man resorts to humanity.
Failing humanity, man resorts morality.
Failing morality, man resorts to ceremony.
Now, ceremony is the merest husk of faith and loyalty;
It is the beginning of all confusion and disorder.
As to foreknowledge, it is only the flower of Tao,
And the beginning of folly.
Therefore, the full-grown man sets his heart upon
the substance rather than the husk;
Upon the fruit rather than the flower.
Truly, he prefers what is within to what is without.

Best of luck. **Whit:** Middlebury doesn't know what they've gotten themselves into. Make me proud. **Vanessa:** Over the years, you and I have shared a lot. Don't ever forget that there's a lot more to life. **Ellyn:** You've always been around to hear me whine. Thanks. **Missy:** one word... videotape. **Class of 1997:** We have all shared so much. A Smile

A smile costs nothing, but gives much.
It enriches those who receive,
 without making poorer those who give.
It takes but a moment,
 but the memory of it sometimes lasts forever.
None is so rich or mighty
 that he can get along without it.
And none is so poor but that he can be rich by it.
A smile creates happiness in the home,
 fosters goodwill in business
 and is the countersign of friendship.
It brings rest to the weary, cheer to the discouraged,
 sunshine to the sad.
And it is nature's best antidote for trouble.
Yet it cannot be bought, begged, borrowed or stolen
 for it is something of no value to anyone
 until it is given away.
Some people are too tired to give you a smile.
Give them one of yours as none needs a smile
 so much as he who has no more to give.

Exchanges

Adrianna came from the Czech Republic and spent most of the year living with Senait Kassahun. She took full advantage of the PDS opportunities, and is now settled in back at home.

Molly Mcguire came from Maryland, where Lila Lohr used to be the Head of School, and enjoyed her domestic exchange here.

Sarah Goldfus spent the second semester in Israel, and during her stay there worked on a kibbutz for a week, and participated in a Peace Rally. She enjoyed it so much that she will spend next year on a kibbutz before entering college.

Louise Sturges spent the first semester on the Maine Coast semester. Also living in the PDS community last year were Olga (from Russia), Priscilla(Seattle) and Richard (from England.)

Spirit Week

What do students in pajamas, 80's teenyboppers, and clashing outfits have in common? They were all seen walking through the halls during the 1996 Spirit Week. Headed by Athletic Association co-heads Alexa Faigen and Charley King, the week not only raised spirit at PDS, but also helped to feed the homeless. Participation was overwhelming, and students seemed to enjoy the week. Most impressive was that faculty joined in the festivities as well. It provided a great atmosphere for the week of Homecoming games that followed.

Spotlight on Talent

Geoff Weathersby has been riding for 13 years, 11 of which he has been showing competitively. He was the Children's Jumper Champion at the "I love New York" Horse Show in Lake Placid, and he hopes to be a member of the Olympic Team in 2000. Another Olympic hopeful is Danielle Stramandi. She has been training full-time in diving for 2 years, and before that trained competitively in gymnastics. She won the 1996 Garden State Championship, is an All-American diver, and has a national ranking in U.S. diving as a top Junior Olympian. Janie Egan has been swimming competitively for four years on the Eastern Express swim team. She placed seventh in the 200 M butterfly at the Junior National's and plans to swim at the Division 1 level in college. Whitney Robinson has been doing ballet for 13 years. She has been performing in American Repertory Ballet Company's *The Nutcracker*, gone to summer programs in Houston, Texas and New York City.

Anne Rothrock Garden

The Anne C. Rothrock Memorial Garden was conceived in a community council meeting shortly after she passed away. Liuba Shapiro and Jill Heisler took on the garden as their senior project, and did research into what plants should be planted in the designated area outside of the history wing. This year the garden committee was headed by Hilary Parker. With the help of Jeff Schor, Bill Stoltzfus, Eamon Downey, David Levin and many others, the garden was completed over two weekends. The first weekend, students and faculty worked together to remove old azalea bushes and cart in topsoil, and the second weekend the plants were planted and the bricks were laid. It is a perennial garden that will renew itself each spring, and one that Ms. Rothrock would have enjoyed.

Boys Soccer

The Boys Varsity Soccer team consisted of primarily underclassmen this year. With a relatively small and young team, the players sometimes found it difficult playing against larger, older teams. However, Coach Griffith remarked, "...it is great when you have players who are really versatile... it is beneficial when different players can play different positions depending on the state of the game." The players' versatility helped the team overcome their lack of players. Teamwork was a key factor in their four victories. With three juniors, nine sophomores, and three freshmen, this relatively inexperienced squad emphasized cohesiveness since the beginning of the preseason.

Since it is composed of mainly young players, the team has a bright future ahead. Look forward to a much more experienced team next year, when the underclassmen will return determined to triumph in the Prep B tournament.

Girls Soccer

For the past four years, the PDS Varsity girls' soccer team has played amazingly well and has made it to the Prep A finals. This year was no exception, as the squad headed into the final against Lawrenceville (which they unfortunately lost) after an exciting game against Villa Walsh.

At the end of October, the team had built up an impressive 10-5 record. But it was desperately in need of a huge spark going into their regular season game against Pennington. A loss to Pennington would not only have added to their losing streak, but would have further shattered the team's confidence, which had been on decline since their loss to West Windsor-Plainsboro. "After that game, we got frustrated as a team," said assistant coach Christopher Butler. "We had a mental slump." Coach Matt Levinson and assistant coach Butler were pivotal during the slump in "keeping the team together," said Alexa Faigen. The teams outstanding 10-1 start, its thrilling triumphs over Peddie and Princeton High, and the early visions of a championship would have become distant memories if Pennington had not handed them a win.

Captains Alexa Faigen, the lone senior on the team, Kari Zarzecki XI and Jess Collins XI "have done an excellent job of bringing the freshmen along on the varsity level," Coach Butler said. Brittany Golcher XI and Suzanne Caruso XI have assisted in leading the youthful team.

The rest of the team was comprised of sophomores Brandee Adams, Amanda Suomi, Molly Guidette, Melissa Berger and Annie Jamieson, and freshmen Kerry Golcher, Laura Davidoff, Stephanie Horowitz, Natasha Jacques, Alex Koerte and Rachel Levin.

Girls Tennis

The PDS girls' Varsity tennis team, led by senior captain Darcy Peifer, had a very strong season this year. The highlights of the season included victories against rival schools Lawrenceville and Stuart. These two wins helped the team achieve a commendable 11-4 record. They also fared well in the Mercer County Tournament, where PDS advanced to the semifinals in four out of five positions.

Darcy Peifer lead the squad at first singles, playing with both grace and aggressiveness. Keri Bernstein followed Darcy in the second singles spot with quick feet and an aggressive attitude. Lauren Kostinas brought consistency to the third singles position. Her determination and commitment were crucial to the team's success.

The first doubles team included seniors Ellyn Rajfer and Hadley Hosea. Ellyn's ability to rush to the net and Hadley's aching serve made them a perfect match for this spot. The second doubles team was comprised of Andrea Koerte and Janine Winant. Andrea's consistent base line play coupled with Janine's aggressive volleys made them a strong pair.

The team fared well in the Prep B tournament, with several of the team's members advancing to the semifinals. All of the members of the girls tennis team gained a lot in the tournament, which will help them in the coming seasons.

In creating a team of such ability, new coaches Rada Trapp and Bill Stoltzfus assured themselves of a victorious season. Their hard work definitely paid off.

Cross Country

The cross-country team jogged into the 1996 season unsure of what lay ahead. Some key runners from last year's season graduated and went on to college. Many of the runners that came out for the team this year were new, representing bot upper and underclassmen. At the beginning, the team was on a quest for consistency, a main goal for any cross-country team

Suddenly, "out of nowhere," laughs team captain Christina Rossi, two young runners stepped up to make steady contributions to the team scores. Sophomore Skye Gruen and Fhreshman Krishna Andavolu pared down their running times to very competitive numbers. Other runners found consistency. Zack Shwartz, Ali Johnston, and Tom Smith also won praise from their teammates.

The girls' team was pleased with their second place finish at the prep conference. Three runners- Gruen, Rossi, and Hathaway- finished among the top ten runners at the meet.

Although the team faced many tough challenges throughoutr the year, they conclued a season to be proud of.

Football

The Boys' Football team ended the season with one strong win. PDS was led mostly by it's defense, which was capable of stopping any run or pass. However, PDS tended to give up points in important plays, which lead to their eventual defeat. "We were steady and consistent, but we still turned the ball over too much," Coach Adams remarked.

The Panthers' trio of running backs provided a solid base for the team. Coming inot the Faith Christian game, Peters had sixty-four carries for 190 yards. Sophomore Mike Pepperman racked up 107 yards while playing in the backfield. Senior Adrian Smith, another talented back, had thirty-seven carries for 110 yards.

The PDS running game would not have survived if it weren't for senior tackle Kevin Mackay, who made huge holes to run through. Kevin was fast and a hard hitter, and his talents led him to be honored by the 12th Man Touch-down Club as offensive lineman of the week.

In their November 1 matchup agaainst Morristown-Beard, the Panthers were strong early on, taking a 6-0 lead on a fifteen yard reception by Andrew Dean. However, PDS didn't score again and the match ended with Morristown-Beard prevailing 36-6.

The Varsity football squad won its last game; it was the final win for the departing seniors, including tri-captains Brooks Landry, Charley King and Kevin Mackay, as well as Jeff Babad, Adrian Smith and Mike Zarzecki. The captains led the team through the hardest part of the season and were rewarded with one final victory.

Field Hockey

Last year, the PDS girls field hockey team had an unbelievable season in which they lost only two games and captured the Prep A title. This year's team looked ready to repeat last year's triumph, making it to the finals of the Mercer County Tournament played at Mercer County Park on November 2.

After defeating West Windsor in the MCT semifinal game, PDS looked ready to face Peddie in the finals. In the final game, junior Robin Ackerman scored twice in the first ten minutes and senior goalie Meghan Desch looked solid throughout. However, Peddie netted two goals to tie the game.

There were no more goals scored in the second half, so both teams headed into overtime play. Desch looked unbeatable in the first ten minute overtime period, but the PDS offense couldn't produce the one needed goal to obtain the MCT crown. Unfortunately, in the second overtime period, Peddie hit the back of the net to take the win.

In the Prep A tournament, PDS defeated Lawrenceville in an exciting semifinal match. In this contest, no goals were scored during regulation time, and these two league rivals continued playing into two overtime shootout periods. The fourth PDS shooter, sophomore Laurn Welsh, tied the game with an excellent goal. After the first shootout period, the game was still tied, 1-1.

Thus, both teams headed into an overtime sudden death period. The first PDS player to shoot was freshman Emily O'Hara. She hit the back of the net and won.

Fencing

With the loss of many strong fencers, this year's team had a lot to live up to. With a lot of effort and the direction of coach Paul Epply-Schmidt and assistant coach Jeremy Schmidt, the team ended the season with a second place finish for both boys and girls in the prep state tournament.

The men's team ended the season with a 3-6 record. The team was lead by captain Sebastian Touzet and weapons leaders Seth Adler (sabre), Babi Bhattacharjee (epee), and Matt Weber (foil). Sebastian Touzet ended with a silver medal at preps. With all the effort put forth this season, next year's team will be a strong one.

Even though the women's team dual meet record was not very impressive, the team still managed to have a very successful season overall. The team was led by senior co-captains Tali Levin and Ellyn Rajfer. At the prep state tournament Megan Janoff and Amy Kim finished second and third respectively. Ellyn Rajfer became the third consecutive Princeton Day School female to win the prep state tournament. The women's team worked very hard all season long and should do very well in the years to follow.

All the graduating Seniors team members would like to wish next year's captains Matt Weber and Amy Kim and the rest of the team good luck!!! Both teams need new athletes for next year, so if you're interested please try out.

Volleyball

With new coaches and only four returning Varsity players, the girls volleyball team was forced to make several adjustments. Among these were the designation of sophomore Zoe Czyzewski as the teams setter and new court formations.

The team was lead by tri-captains, seniors Hadley Hosea, Senait Kassahun, and Katie Griffith.

Coaches Theresa Lang and Robert Franz did an excellent job of working with the team, even though they were both new commers. They experimented with several different offenses and defenses before deciding on their system.

Through all the hard practices and readjustments, the most important aspect of the team was the ability to have fun while working towards a common goal.

Girls Basketball

The Girls Varsity Basketball team ended their season with a respectable 9-12 record. With six new varsity players, the returning five (Alexa Faigen, Darcy Peifer, Jessica Collins, Kari Zarzecki, and Annie Jamieson) had to lead the way. The team got off to a strong start in the Stuart Tip-Off Tournament when they placed second after nearly upsetting top-ranked Peddie. During the season, the girls went head to head with Lawrenceville three times, but lost in close contests. The Panthers also had some satisfying wins against Gill, Hun, Ranney, and George. The team was consistent in their solid and pressing defense, but fell short on the offensive end. Although the girls ended their season with disappointing losses in the Prep B and Mercer County Tournaments, they maintained a positive attitude and improved their skills with the encouragement of senior co-captains Darcy Peifer and Alexa Faigen. Coach Thomas and the remaining players look forward to another exciting season next year.

Boys Basketball

The Boys' basketball team had a very strong year that included winning the title of Prep B State Champions and Jaron Randall's stunning performance in achieving 1000 points in his high school career.

LaBosco has also been a consistent starter; in a difficult game against Nottingham High School, he scored 27 points to lead the Panthers to a 60-57 win.

The Sophomores on the team have also played instrumental roles. Ted Shoaf, Shane West, Greg Peters and Justin Leith have all developed into quality basketball players who will ensure a strong foundation for the future.

The Panthers, in the new reign of Coach Taback, have risen to be one of the top teams in the PrepConference. Taback guided the Panthers to wins over the Hills School, 69-56, and the Peddie School, 61-45.

Girls Ice Hockey

The PDS Girls' Ice Hockey team not only stunned, but also impressed their fans this season. Even though the team lost ten seniors from last season, they still managed to have an even-balanced record of 10-8. Although a rebuilding year, this is more wins than last year.

The team will miss sole departing senior and head Captain, Jess Boyd. Goalies Giovanna Torchio and Brandee Adams shut-out three teams this season: Stuart Country Day School, Princeton High, and University of Pennsylvania Club team. Sophomore and assistant Captain, Lauren Welsh lead the team with over 30 season goals. This is more than any one player in the last several years.

Lots of underclassmen and new hockey players joined the team this year. Freshman Lila Cruikshank, recieved the team's Sportsmanship Award at the PDS 7th Annual Girls Hockey Tournament. By the end of the season, all players had improved greatly and became adept hockey players.

Head Coach Matt Henderson is pleased with the team's efforts and also the winning season. Both Coach Henderson and the players look forward to an exciting season next year in the school's new rink.

Boys Ice Hockey

Even though PDS is eagerly awaiting the arrival of the new rink, the players and fans did not forget about this year's season. Despite the deceiving record, the Panthers, whose schedule ranked among the toughest in the County, felt that this season was a success. Coaches Bryan Montgomery and Bill Keeping are pleased with the performance they received and can expect much better results in future seasons.

Captains Mike Zarzecki, Mike Bracken, and Ryan Thornton had strong seasons. Zarzecki, a senior, successfully dealt with a difficult situation when he made the move to defense from offense.

Schwarz commented, "Next year, the Panthers will be one of the top teams in Mercer County. We will only lose two seniors, Brooks Landry and Mike Zarzecki. When you take into consideration all the talent we've got in the younger players, we're going to be a pretty good hockey club for the next few years." adapted from Article by James Shatz

Our deepest fear is *not* that we are inadequate.
Our *deepest* fear is that we are *powerful* beyond measure.
It is our *light*, not our darkness, that *most* frightens us.
We ask ourselves, Who am *I* to be brilliant, gorgeous, talented,
& fabulous?
Actually, who are you *not* be?
You *are* a child of God.
Your playing small doesn't serve the world.
There is nothing enlightened about *shrinking* so that
other people won't feel *insecure* around you.
We were *born* to make manifest the glory of God *within* us.
It is not just in some of us; it's in *everyone*.
And, as we let our light shine,
We unconsciously give *other* people *permission* to do the
same.
As we are liberated from our own fear, our presence
automatically liberates others.

Kaseem, My first born, again you cause my heart to smile as you reach yet another milestone! From your birth to now, there have been many- all having filled me with great pride and joy. It was only a few minutes ago that you entered PDS after graduating from Afrikan People's Action School. Now another graduation is upon you, another end that starts a beginning. Son spread your wings, claim your ground, place your mark, and allow the positive fingers to point at you! And as I said seven short years ago: Continue your search for knowledge, maintain your dignity, self-respect, and pride in your Afrikan heritage. Peace, Love, Blessings, Hugs & Kisses Mom.

Kas & J,

It makes me feel good to see this same picture 12 years later. Congratulations on becoming 2 fine young men.

Willy Wade

We thank you for your
years of devotion

IT IS WRITTEN: "He who would be greatest among you, must be servant of all." Therefore, Willie Wade stands tall among the PDS Family.

Willie came to us on August 1, 1965 and has served wherever, whenever, and whom asked for these many years.

I have never seen Willie angry or frustrated, he has always been "cool." He moves about his daily task as quietly as fog drifting from the river, and as efficiently as a finely tuned machine. When God made Willie, he threw the mold away.

Best wishes in your retirement, Willie. You have run a good race.
