DRALER IN Ladies', Gents', and Children's DOTS AND SHOES, NO. 9 CHERRY STREET, NO. 9 CHERRY STREET, CURLS	TERMS-Two Dollars per year, in advance A DVERTISEMENTS Inserted at reasonable rates, and with remark to the interests of the advertiser as well a tho general reader. JOB WORK Of every description promptly done by com- petent workmen whose whole time is devoted to that branch. TES, &C. WILLIAM M. LOREE,	My Isirthday. SY JOHN G. WRITTIER. Bix years ago, at the age of sixty-four. Whittier wrote the following poem, which appeared in the October number of the Ax- LANTIC MONTHLY of 1571, and which it will be simely to read again in view of his 70th birshday, on the lith inst. Beneath the moonlight and the show Lies dead my latest year: The Winter winds are walling low Its dirges in my eas. I grieve not with the morning wind As if a loss befel;	to believe that another famine is settling down on the vast districts of Southern India, a famine likely to be attended with 'terrible mortali- ty." The Bengal famine was confined to a comparatively narrow area, where population is dense, and which is penetrated by railways. The language of Bengal is under- stood by Indian officials, and every branch of the administration has been matured by upwards of a centu- ry of experience. But in the vast ex- panse of Southern India, the popu- lation is scattered, there is no rail- way communication, the languages	has been much said and ten about scolding wives, ver says or writes anything ding mothers: s any quantity of sympathy y wasting usbands, and much said poor, weary man, who ne, after the labors of the er, to be met by a scolding the never ached in sympathy a man, because I believe nan with a heartache will a way to rid himself of coldings from his wife and think, that if they g	he weather should and open, there any loss of time ing to do. The or's bill, indorsed, 'Declined : rn, in the wood- ouse will occupy intion, and they I. The live stock in and they idea has fully recovered. The striker his not been arrested. There are rare occasions when a run on a bank cripples the bank but little. One of them is when a steam-

Not mindless of the growing years, Of care and loss and pain, My eyes are wet with thankful tears, For blessings which remain.	could be trusted to carry on the scolding n work of relief. The transport must be by cattle, and the drought which back,' but burns up the rice field and the grass, dries the watercourses and kills the cattle. Already vast multitudes of woman, k the animals essential to effective defend the transport have died. There is a pain- fully suggestive emphasis in Lord entail upon Salisbury's declaration that there is ment of sc	o pity children who have ster to his comfort nothers! Unlike the hen- sbands they daren't talk are compelled to listen to usive language that flows from the lips of a scolding nowing full well that to mselves from unjust accu- d imputations will be to n themselves the comple.	and supply his e by hay alone. A little girl, while watching the m alive, but to study their com- nd this requires leanliness, good I enough of it, m to the extreme ther. We think irry-comb ought y day, and they btonze."

To sign for the lack and loss The years no chaim from Nature take; As sweet her voices call, As beautiful her mornings break. As fair her evenings fall. Love watches o'er my quiet ways. Kind voices speak my name, And lips that find it hard to praise Are slow, at least to blame. How softly ebb the tides of will I How fields, once lost or won. Now lie behind me green and still Beneath a level sun! How hushed the hiss of party hate. The clamor of the throng ! How old, harsh vpices of debate Flow into rhythmic song I Methinks the spirit's temper grows Too soft in this still air, omewhat the restful heart foregoes Of needed watch and prayer. The bark by tempest vainly tossed May founder in the calm. and he who braved the polar frost Faint by the isles balm. Better than self-indulgent years. The outflung heart of youth; Than pleasant songs in idle cars The tumult of the truth. Rest for the weary hands is good, And love for bearts that pine. But let the mank habitude Of upright soms be mine. Let winds that flow from heaven refresh, Dear Lord, the languid air? And let the weakness of the flesh Thy strength of spirit share. And, it the eye must fail of light, The car forget to bear, Make clearer still the spirit's sight. More fine the inward car! Be near me in mine hours of need 👔 👩 To soothe, or cheer, or warn, And down these slopes of sunset lead, As up the hills of morn l MISCELLANY. The Scourge of India, Russian who imagine that it would time of his illness, laying perfectly be an unmixed advantage for their quiet all the whilespeecheless entire. country to turn us out of India and Iy-talking incoherently and crying take our place will do well to read, for wather.
