When the lessons and tasks are all ended.
And the school for the day is dismissed.
And the little ones gather around me
To bid me good night and be kissed.
Oh, the little white arms that encircle
My neck in a tender embrace!
Oh, the smiles, that are bales of Heaven.
Shedding sunshine of love on my face! And when they are gone, I sit dreaming
Of my childhood, too lovely to last;
Of love that my heart will remember,
When it wakes to the pulse of the past,
Bre the world and its wickedness made me

A partner of sorrow and sin; When the glory of God was about me. And the glory of gladness within. Oh, my heart grows weak as a womau's,
And the fountains of feeling will flow.
As I think of the paths steep and stony.
Where the feet of the dear ones must go;
Of the mountains of sin hanging o'er them.
Of the tempest of fate blowing wild!
Oh, there is nothing on earth half so holy
As the innocent heart of a child! Now that it was too late, she would despise me! have given her right hand to retract her decision. Position and comfort, dresses and diamonds, of what value

exclaimed her father.

would they be without him?

'I-my head aches. I will go to

It was evening, but he had not come. Her father had been called per. to a patient at some distance, her brother had gone to attend a lecture on vivisection, and Adrienne was fellow, who -alone in the daawing room.

At the end of the lawn was moss grown path, and up and down this she paced, her dress of soft gray making her moving figure distinctly visible against the sombre back

ground of an ivy-colcred wall. The sunset hour was passed, th opal hues of the sky were darkening when a step on the gravel startled her, and a man's figure came hasten-

ing toward her. Instinctively she recoiled, an would have fled; but in a momen she was folded in strong arms and

The Crowell Case For the third time this matter has been before the Grand Jury of Union County and each time falled of indictment. When the first Grand Jury adjourned, the leader of the crowd of pseudo reformers. In this city, publicly, in the Democrat, charged the Sheriff with packing the jury. Here aro his words : " Next the arrest of the ex. Treasurer and the packing of the Grand Jury to shield him from a criminal prose guilon. Justice paralyzed by the cohorts of

Then by misrepresentations another norty was induced to make a complaint but the second jury failed to find a bil Then at the last term lust closed a jury was empanelled, the composition of which was such, that if any cause existed for the unillog of a bill, no doubt existed that such would be the result. A great deal leaked out, whether it was all surmise busy tongues, or the result of brag on the part of members of the jury who boasted of what would be done we cannot say.-The result is the same at all events. The case caused a deal of excitement all over the county and the Journal says:

"The Grand Jury came into Court Sewell. They had already presented 18 true hills of indictments, and when the Clerk asked Mathers. if they had any more indictments to bresent, the foreman said they had none, that they had transacted all the business brought before them but that one of their and Bowell. number desired to say something to the

INTRODUCTION OF BILLS. Mr. Jackson, an act relative to landlord d tenants, provides that in every City ly case where the reat of devised premises shall not exceed the rate of \$240 per anune any tenant, &c., shall be removed from such premises by any notary public resident the city or justice of thepeace of the county.

Mr. Jackson offered the following:

Resolved. (If the Senate concor). That it Yow Jersey, that the good faith of the nation pledged to the redemption of the coin obli ntions of the government in gold or its full mivalent: that any violation of the public ith would be injurious to the public credit. and hurtful to the good name of our country that a new debasement of the current would unsettle business disorganize indu try, injure labor, indefinitely pretpone the resumption of specie payment and defeat the that therefore the enactment of what known as the Bland Silver bill by the Con gress of the United States, or of any measure calculated to embryrass or prevent re

sumption would be a grave public calamity.

Mr. Mathews moved to postpone the con-

sideration of the resolution until Wednesday week, which was agreed, to The House then adjourned. Why and Wherefore. The misfortunes that have befallen th savings banks, bring to light not only weakness of management, but the expensiveness of salaried officers, of elaborate and ornate buildings, and other outgoes at which the poor people whose hard savings have been applied to foot the bills.

may well look with astonishment and des pair. More than the entire reported surplus of a bank has been sometimes found invested in a bank building with marble torced sale would not bring one half its cost. The primal idea of a surplus is a wise protection against unforseen contingencies; a nest-egg against a day of bad luck, and without that surplus is very large and the business of the bank of corresponding magnitude, there should be no investments of that character. The Passed Bills-Marsh, Emson and Whiticar. surplus as well as the interest belongs to the depositors, and they would much prefer to have it in their pockets.

The original idea of Savings Banks, too included a moderate share of philanthropy on the part of the organizers. THE FEATHERED KINGDOM.—In the great and important part is performed by birds! Few people, perhaps reflect on the mmense field of study and delight this lopic affords. Quadrupeds fill a vast space n the world; but after all, it is questionable to which men are most indebted. At first sight, one would be inclined to say cold climates they are most useful, while eat no animal food, they are not so nece sarv. except for burdens; while in all fronical countries the birds are said by most naturalists to keep insects within the were it not for the birds, insects would destroy the whole vegetable kingdom which man must have to exist. Every

root or leaf has its enemy in an insect, and birds were wisely distributed and de benefit or even pleasure to man al great publishing house of J. B.
