The Reliable Man. THE INDEPENDENT Of all the qualities that combine For 1878 to form a good character, there is not one more important than reliable true of the character of a good business man. The word itself embraces both truth and honesty, and the reliable man must necessarily be truthful and honest. We see so much all around us that exhibits the absence of this gravering quality that we are able and trustworthy.

The past of the past.

We shall continue to print articles from the past.

We shall continue to print articles from the to form a good character, there is of this crowning quality that we are tempted, in our bilious moods, to deny its very existence. But there are, nevertheless reliable men, men hy aminont closely remarks.

COOK'S LECTURES.

These famous Lectures, delivered in Boston every Monday, by the Rev Joseph Cook, will be published in full, together with the introductory remarks.

French, En to be depended upon, to be trusted, by eminent clergymen in all parts of the country will continue to be printed in whom you may repose confidence, whose word is as good as their bond and whose promise is performance. If any one of you know such a man make him your friend. You can only do so, however, by assimilating his character. The reliable man is a man of good judgment. He does not jump at conclusions. He is thoughtful. He turns over a subject in his mind and postpaidWORCESTER'S UNABRIDGED looks at it all around. He is not a PICTORIAL QUARTO DICTIONARY. partial or onesided man. He sees Bound in sheep, 1854, over 1,000 Illustrations
Issue of 1878. through a thing. He is apt to be a is a brave man, for his conclusions logically deduced from the sure basis of truth, and he does not fear to maintain them. He is a good man, for no one can be thoroughly honest and truthful without being good. Is such a quality attainable? Most assuredly so. It is not born, it is made. Character may be formed, of course then its component parts may be assured to be conclusions. In the subscriber and truthful without being good. Is such a guality attainable? Most assured the following premiums: Any one volume of the Household Edition of Charles Diokens' works, bound in cloth, with 18 illustrations and his Cabinet: or, First Reading of the Emancipation Proclamation. Find large Stoel Engravings. By Ritchie. Size 2838.

Also having Mills, Which gives me all the facilities and advantages for MANIEACTIRING. then its component parts may be molded to that formation. Literary women as Grant or Wilson: Fine Steel Engravings. Housekeepers. It is one phase of the popular unjust judgement of women, even in these liberal days, that it regards literary women as necessarily neglectical of household affairs, in the face of ful of household affairs, in the face of the contrary.

Edwin M. Stanton. Fine Steel Buggaratus.

By Ritchie.

Address THE INDEPENDENT,

P.O. Box 2787. New York C A man of undoubted genius may be never so absent minded, his financial affairs may get into the wildest confusion, and people only smile and say, 'well, one man can't be every-thing.' But if it is a woman, no Price Reduced. matter how great her ability, if her parlor table is dusty, or if occasionally the buttons are off her children's If you would know what it contains read boots, people shake their heads solemnly, and say, 'Oh' these literary women!' Perhaps the secret of the prejudice is, that there are those who affect the ecentricities of genius without the genius itself, which alone makes the eccentricities endurable. DeQuincy, speaking of his mother, said, 'Though unpretending to the name and honors of a literary woman, I presume to call her (what many literary woman, So although the said woman is presumed to call her (what intellectual woman, So although the series of some series of care fully-prepared papers on Practical Phrenology, called "RPAIN AND MIND" prejudice is, that there are those who intellectual woman.' So, although leaving household duties neglected in order to write weak articles for still weaker papers may be the fault of a so called literary woman, it is not "THE TRAINING OF CHILDREN," a characteristic of one who is either intellectual or womanly. The pop-ular verdict is right, so far as this, on Home and Sanitary Matters. that a mother's duty is to her family. A PREMIUM HEAD. and nothing which conflicts with and forces her to neglect that, is either womanly or proper. Be very sure that your family are contented and comfortable; that your husband finds your intelligent symyathy and counsel an aid to him in his work; that and nothing which conflicts with and the children's place in the mother's heart is warm and ample; in a word, that your culture is but a gathering b.
