POETRY.

Home Song HENRY W. LONGFELLOW. Stay, stay at home, my heart and rest Home-keeping hearts are happiest,

to the interests of the advertiser as well as Are full of trouble and full of care :/ To stay at home is best.

Of every description, promptly done by competent workmon whose whole time is devoted. They wander east, they wander west, to that branch. And are baffled and beaten and blown about. By the winds of the wilderness of doubt ; To stay at home is best.

Then stay at home, my heart and rest; The bird is sufest in its nest: O'drail that flutter their wings and fly A nawk is hovering in the aky: To stay at home is best.

UZAL M. OSBORN. RAHWAY, THURSDAY, MARCH 21, 1878

CITY CONVENTION. The delegates to the Republican City Convention will meet at Chamberlin's Hall on Friday evening, March 22d, at 8 P. M.

By order of Committee.

A Three Years Review. they had so remarkable filled.

We propose to ald the people in ing back, not only for three years, bu comparison with a few of the years provious to the beginning of the term of these have forgotten.

prising names of men for Mayor and on their own great record as managers of financier," will please not hammer down the democrats had either previously nominated for the same offices, or for similar fastidious, or the most grasping of dispositions. What then? With every office in their hands in the city, of course they He the columns of the Democrat. came responsible for all the results good or eyll, as they occurred. There dould come in no plea that they had only partial disgraced a city. In a year their displace and comprises the sum and substance public without regard to party. These men of words when they took

their seats in Council, instead of address ing themselves to the work for which they were elected and, which the public had a right to expect, spent this time in bluster and threatening. As a specimen, Mr. Pratt led off and told the people that there was \$83,000 of unpaid taxes left on the books as a legacy to the Reform Chuncil We made an examination and published a list of the democratic reformers delin quencies which covered 70 per cent. of up a howl. The reformers put their head only by reformers, but by reform office kept right on exposing the fraud as fas as it appeared. After a few months. the scandal and shame of our city, the re form City Attorney resigned because the clique who appointed blm could not (they said) "get such opinions as they wanted." Then they appointed the great and noble Garret, and the opinions came fust as they wanted. Opinions rolled in masse.: Mr. Fallon had all he wanted, and bounced then Berry was bounced, and policemen were bounced, and next April the reformers will be bounced. The first attempt at economy is as fol

lows—The tax levies for the years 1872 3 and 4, were as follows: 1872-07.500:

1878---60,000.

1874-08,500. Then the reformers with a full board of 8 councilmen took hold and the levy was 69,500, a reduction of only \$1000 and with the license fund of \$9,500-for the support of the poor. But how next year only \$76,000 was the amount of the tax levy—and the present year it is \$54,800; and yot we hear a great hue and cry from the Editor of the Domocrat and his corres pondents, from time to time, of the great reduction in taxes. Verily they remin us of the Irishman's "hist" a per lowe every tine but in reverse order. | Conmon del ... cv. a respect for truth and almilar respect for the intelligence and common sense of his readers should in duce the Democrat man to pause and cor alder, what his course is leading him and his party to. The people are not all fools neither do they torget these thinks from year to year. Neither have they torrotten that the present inx levy in the reduction to the low rates was opposed by demo cratic members in Council—that Freeman moved to make more than one of the items larger.

Now with all this braggadocia in refer. N. Y. Tribune. ence to economy and a reduction of taxes how does the matter stand-Without any The leather dollar-scheme of Nashy and parade of special economy or bluster the Butler has been superseded by another tux levy for the three years of '79.11 4, was which an eminent Washington financier, \$197,000 under Republican rule. For the of the same school, has borrowed from the up straighter for the cause. This comthree years of Democratic rule '71.0.7, is ancients.
