On Saturday aight one of their gas bill of Police Station correct. number unceremonlously outered the rosistreet, and endeavored to effect the sale of were approved. lils coat. Mr. Merrick declined to make the purchase and requested him to leave, and on

his refusing to du so, he, with the assistance the number of the inmates, the improvement of his son foresbly ejected him. The tramp in the farm and stock, giving the amount of BRAHAM A was well known to many of drew a razor and threatening their lives the was well known to many of which, and intentioning their lives the stock and crops raised, an inventory of in plain figures, and warranted as representthe most believe that the companions of the companions of the rest of the companions.

If the was well known to many of the plain figures, and warranted as representthe most to the commending the result watches carefully repaired by the best Mr. Merrick's little daughter was dispatched moval to the Insano Asylum of two of the workmen. We have no connection with any to the Station House for a Policeman and returning with officer Lawler they tound 8 or ten tramps congregated near the house, commending that the oath, as required b Young Merrick pojuted out the one which had caused the trouble and on Lawler's at backs of all bills. the entire gang. Nothing but a most vigorous use of his club and the timely arrival of Chief Wright saved him from serious injury. After a severe struggle the tramp was finally locked in the Police States. lodged in the Police Station. As is dustomary after an outrage of this -8 to 3-McKenzie and Denike. character, we venture to aggert that some. Call thing ought to be done to abate, if we cannot annihilate the tramps nulsance. This much is evident, two policeman are unadequate to

The best way to get at a true solution of cope with the lawless element which invests nike Lufbery. McKenzie. Mansfield and whit is money in to the new of thought New York AQUARIUM.—Among the places of note which visitors to New York should not fall to see is its magnificent Aquarium. This establishment was opened to the public nearly two years ago, and has continued in successful operation ever since. have This experience has suggested various im provements, and without doubt it is now the most complete and attractive place of its kind. in the world. It has been adapted both to the scientific and popular mind. Not only and other marine wonders, but these objects tory. This helps to bring into contrast their having been previously lost. instinctive habits, curlous, and often gro colors. The tropical tanks show great brilliancy of color and curiosity of form. These Ber Geo. Winsor addressed the meeting and tanks are filled with collections from Bermuda and Bahama Islands. They alone would

tel the Rev. Mr. Sgran will conduct the repay a day's close examination, because nothing similar, nor half so beautiful can be nike. formed on our own coasts. The series of marble tanks, for lake and other fresh water fishes, are hardly, less interesting than those that contain marine objects Closely akin to them are those for turtles, alligators, lizards, snakes, etc. This description would be incomplete if we omitted to mention the monkey room and aviary. Very rare specimens of both monkeys and birds are constantly on exhibition, and the variety is constantly increased by importations from Europe, Africa and South America A very entertaining and pleasing comic performance is given every afternoon and evening. This is found to be a suitable relax-

Boon, or of the pleasure that such a sight af. Siegerman met the man at the corner of Win Morgan's was entering Mr. Perms' yard fords, and the greatest favor we can confer Third and Proody sts., where, after a short ces will please you, and we cordially upon our readers is to advise all of them who scuille. Hagor, stabbed Siegerman to the invite your examination. visit New York to go and see the Aquarium. heart.
