How little these poor old fogies 9:31 p. m. our ancestors knew of the blessings For BrookLyn, N. Y., all through trains of kerosene oil, or the beauty of journalistic condensation. The news- from Fulton street, avoiding direct transfer to and news- from Fulton street, avoiding double ferriage paper of fifty years ago would have and journey across New York City. devoted a full column to an account FOR PERTH AMBOY BRANCH, 7.25, and 11.07 of the awful burning of Mrs. by a. m., 3.22, 5.40, and 7.06 p. m fire. Yesterday's Boston Transcript Fon Boston, (without change) 9.12 p. m. Daily except Sunday. merely says: 'Kerosene-kitchen fire--Hanover street-cannot live.'

to the Detroit Tree Press, didn't discover America any sooner than all astin Salamanca and Don de Penny-

Saturday afternoon a boy not over

Not many miles from Shasta City REPAIRING is the gulch, of which the following mining story is told: 'It is a pretty deep ravine, with rocks showing all the way up the sides.—Gold in pay ing quantities has been found along the stream, but it seemd to disap pear a few feet from the channel, One day, while a gang of busy men were toiling in the stream, a stran long and leaned on ragged elbows to watch, with protruding eyes, the est him took out a five dollar nugget, and anxiety overcame the greenborn.

The hardy minor stopped his work, and giving the wink to all the boys so that the joke should not be lost pointed up on the barren rocks where 'You see that rough lookin' place?'

And when I go home to-night,' out a claim, an go ter work, an' ance into the work to which I have whispered the man, wife will be when we finish here we'll (come up, dedicated the remainder of me life, standing at the gate, watching and hoping; and as far as she can see Then the new hand thanked the she'll tell by my face that the search

casion presents itself it will cost you noth subtlest calculation; and of all fore. The whole story reads just like the casts of the future there is but one traditional fairy story. But then I next. ways remembering that "bread out upon the dence-that nothing is certain but lievable things have happened in the

Sale of Lards for Unital Assessments.

Whereas, The Common Council of the City of Rahway, have duly, by resolution pursuant to the eighty-ninth section of the act entitled "An act to revise and amend the Charter of the City of Hahway," approved March 23d, 1865, ordered and directed the Treasurer to billect the Assessments respectively, remaining unpaid upon the lands and real estate assessed.

For the construction of a Server in Grand For the construction of a Sewer in Grand Street from Allen st. to the North Branch of

For the construction of a Sewer in Grand street, from Alien st. to Church Street. For the construction of a Sewer in Semi-nary Street from Irving st. to Fernote st. And the said City Treasurer did according ly in pursuance of the ninetieth section of said act, prepare and enter a transcript of said assessments respectively and duly caused notices to be published in two newspapers published and direntated in the City of Itahway, that unless such assessments mentioned in such notices should be paid at mentioned in such notices should be paid at his office on or before a certain date being within twenty days after the first publication of said notices, he would proceed to collect the same by public sale according to law, and whereas the following assessments in transcript named at the expiration of said twenty days remained unpaid and still so remain. Now, therefore, public notice is here by given that the said City Treasurer will

1878, At 4 o'clock in the afternoon. tthe Council Chamber, in the City Hall, i the City of Rahway, in pursuance of the power and authority of the said active sell at public auction the lands and real estate on which said unpaid assessments. have respectively been imposed or are a lien (of which assessments respectively the lands and real estate whereon the same have been imposed or are a lien, a schedule is herewith annexed) for the lowest term of years (not exceeding fifty years) for which any person will take the same respectively and pay the amount of such assessment with interest thereon and all lawful costs, fees, charges and expenses unless such assessments have
