Dangerous Baking Powder.

It has lately been discovered that the famous baking powder that is a necessity tive reality, and but one of many such in every family, is being adulterated to such an extent that it injuriously effects the coatings of the stomach. The worst of the matter is that there is no test by which the adulterated powder can be discovered until its grievous and disastrons effects are felt by those unfortunate enough to use the vile stuff. In

the spending a few days at the house of and almost ruined the poor man's stock that promising artist, Mrs. Vaudyke in trade. The Italian was sharp enough

his middle-aged sister's answer to the fif you think you are put up with an portance. question he had just uttered. Miss Belinda Bruce, who stood in sweet little resebud asyon are, Dorothy." rout of the kitchen table making apple pies, pauced to run the jiggering-iron deftly round the outer edge of the crust **bot**ore she answered---

"She said no l" Mr. Jonathan's countenance fell. *Lindy, 'gaspod he, "did she menn

"Of course sho did," said Miss Be-linds; "and I told you as much before, "But I never heard of such a thing !" bried Jouathan, excitedly: "I'm a "But she's as proud as Lucifer for all that." assented his sister, vindictively. "Where is she?" said Jonathan, with

vague idea of secking out the obdurate question under debate. "Gone?" cohoed her brother. "Yes, gono!"

blatters. keep no girl in my house that feels herself too good to be my brother's wife!

A baughty, airish thing as I'vo no pationco with." Jonathan Bruce said nothing, but he took bis elbows down off the kitchen window-sill and walked slowly away, feeling as if all the brightness had gone out of the summer sky, all the sweetness from the balmy July sir. "I've made a mistake," thought he. Seems to me my life is all mistakes.

pught to have spoken out myself, instead of trusting the matter to Lindy. thought a wem in could manage such matters bether man a man. But I forkot that there are afferent kinds of women. Lindy is excellent in driving bargains about lutter and eggs and shickens, but I doubt if she'd be quite gentle and soft-spoken enough to deal with a question like this. Poor little Dorothy'l I wish I'd asked her myself, though perhaps after all it wouldn't have

nade any difference." Jonathan Bruce had lived to the age of forty-five without feeling the darts of Cupid, and when he did full in love it vas a serious business. Dorothy Dale had come to the old arm-house to earn her living. She was a delicate, lovely girl of nine-

een, with dark gray eyes, black hair, growing low upon her forehead, and a fresh bloom like that of a peach. She had first come to Lowmoor to try and get the place of teacher in the district school. But the trustees happened to have their especial favorite, and when the spectacled Miss Keene was appointed, poor little Dorothy found herself

pouniters in a strange place.
What can I do?" said she piteously. "Miss Bruce wants a servant," suggested the landlord's wife. pound a month and a good home. Housework aint so genteel as teaching. but in my mind it's more healthy." And Dorothy caught at the stray which a kind Providence seemed to ex-

tend to her, and took the position of servant in the Bruce family, which she filled satisfactorily until Mr. Jonathan's unexbested offer of marriage drove her away like a scared bird. "Marry him, become his wife! hought Dorothy, with flushed cheeks and wildly beating heart. "Oh, nover, And yet, strange to say, she did not otually duslike honest Jonathan Bruce. It was only the natural recoil of the

wild bird from the fowler's snare, the intained deer from the hunter's touch. It was scarcely a month from the day over given to any human heart. on which the middle-aged farmer listened o his doom, and he chancel to be crosding the bridge which spanned the river. when, all of a sudden, he came upon a alight figure crouching in one of its em-brasures—Dorothy Dale's figure.

"Why, Dorothy, child I" he cjaoulated. She pushed the dark hair out of her | yes and looked defiantly at him. "Yos," sáid she, "it is 1." "You're pale," he uttered slowly, "and

l **am** olmost at a ved ('' "Yet you wouldn't marry me ?" "No." shoft shed out, "I would not!" "Will you marry me now?"

Ho looked hard at her,

She was ellent, still looking at him in he same sorted, uncertain sort of way, asked the captein. "Says he can't get "However," he mided, 'tkent's neither up, sir." "Why not?" "Bays his poro nor there. But Belinda misses you. | back huits him, sir." | Back? What's She will be glad to have you at the old armhonse decin."

Inda wants you, and that there's always captain, jumping from his borth, what the system, and you are armed against him. Home for you there. And as for me, on earth did you do that for?" "Well The fluest tonic for this purpose is Hestetter's Rome for you there. And as for me, on earth did you do that for?" "Well, you needn't trouble. I shall not be in sir, answered the boy, getting well out and complete, nourishes the system, improves going up to some slate quarties that I other missile that might chance to be counteracts billousness, and keeps the bowels "Yes," said she, "I will go. After woke up in the night it hurt me so that wanness and sallowness of the face, are obvi-
