UNION COUNTY REPUBLICAN CONVENTION.

The Republican County Convention wil be held in Library Hall, Elizabeth, N. J., on Wednesday, Nov. 2d, at 2 o'clock P. M., for the purpose of nominating candidates for Benator, Sheriff and Coroner.

L. V. F. RANDOLPH,

Chairman County Committee J. KEAN, JR., Secretary.

HOW REPUBLICANS MAY SUCCEED IN UNION COUNTY THIS FALL? In a doubtful county like Union, the party that in an "off year" comes the nearest to polling its full vote will succeed. In Presidential elections there is enough excitement to call out substantially every voter. In the absence of any offices to be filled of more importance than county ones there are enough members of either party who stay at home to give success to their party if they would vote. As a proof of this take the fall elections in this county for the past three years. In 1878 we voted for a State Benator and Sheriff. In that year there were cast 9846 votes. In 1879 we voted only for Assemblymen. In that year there were cast but 7986 votes. In 1880 when we voted for President and Governor on the vote for Governor there were cast 11.615 votes. In 1880 there were 1871 more Republican tickets voted than

It is generally conceded that there is but one way of applying an effective remedy to the evils which all affect to deplore, and that this is through the enactment of laws by Congress which will take the distribution of public effices from the hands of professional politicians, make their attainment equally open to all meritorious applicants, and render their tenure dependent only on the faithfulness and efficiency of the fineumbent.
