Reasons Why they are Preferred to All Other Porous Plasters or External Remedies: First. Because they possess all the merit of the strengthening porous plaster, and contain in addition thereto the newly discovered powerful and active regetable combination which acts with increased rubefacient, stimulating, sedative and counter irritant effects.

Second. Because they are a genuine pharmaceutical prep-ration, and so recognized by the profession. ration, and so recognized by t Because they are the only plasters that relieve pain at once.

Fourth. Because they will positively cure diseases which other remedies will not even relieve. Fifth.

With some difficulty, for the opening was only just very much indeed. I am now well. There large enough to admit me, I succeeded, was a lot of sick folks here who have seen disturbing a whole colony of sea gulls who how they helped me, and they used them had built their nests inside. But another danger threatened me, which I could not foresee. I was beginning to get accustomed to my position, and to feel thankful

At first I hardly real what had happened, but when I found that I was actually walled up in the cliff a dreadful fear seized me. Still I did

not yet despair. I resolved to make my way along the passage, hoping to find an other outlet in the tower. It was a steep incline, with rough steps at intervals, and it brought me, as I expected, to a vault. But, to my horror, I could find no outlet of any sort. I groped round the damp stone walls again and again before I could believe it, then sank down, as if stunned. I pictured you all seeking for me in valui-poor grandpapa's grief—Noci's despair. I thought what my fate would be, dying of slow starvation in the dreadful darkness of that living tomb."

Blie broke off, shuddering; then, after a moment's pause, went on again.
"The time dragged by ulit, from sheer exhaustion, I fell into a deep dreamless sleep which must have lasted many hours. At length I woke with a start, thrilling i every nerve with a strange conviction that Nocl was somewhere near me. I sat up, stretching out my arms in the darkness, calling to him, imploring him to come to me. When at last he replied, the sudden joy and relief overcame me, and I fainted."
"Never while I live shall I forget what 1 felt when I heard your voice," said Noel, in a low tone of deep emotion. "And yet it was scarcely surprise. I, too, had the
