THE BEST I EVER KNEW OF.

THE DEDOUAL EXPERIENCE OF A PROOF-HENT MAN MADE PUBLIC.

and Chronicle, of Rothester, N. Y., is of fully warn others from the dangerous pulli so striking a nature, and emanates from so in which I poce walked, I am willing to reliable a source, that it is betewith re- endure all professional and personal cousepublished entire. In addition to the value quences. able matter it contains, it will be found

exceedingly interesting. To the Editor of the Democrat and Chronicle: Six - My motives for the pathiculum of the most unusual statements which follow been saved from a most borrible death, read this statement against some of the present gave her three cheers. mo t deceptive influences by which they have ever been surrounded. It is a fact

communication. On the first day of June 1881, I lay at my residence in this city surrounded by my friends and waiting for death. Heaven only knows the agony I then endured, for words can never describe it. And yet, if a few years previous, any one had told me that I was to be brought so low, and by so terrible a discusse I should have scotled at terrible a discusse I should have scotled at the idea. I had always been uncommonly strong and healthy, had weighed over 200] malady which had fastened itself upon me leader of the gang as follows: first began. Still I thought it was nothing: that probably I had taken a cold which would soon pass away. Shortly after this I noticed a dull, and at times neuralgic, pain in my head, but as it would come one

coming fixed upon me. Candidly, I thought I was suffering from Malaria and tom. And yet I did not realize my danger, and my suspicion was wholly disarmed by the fact that I had no pain in the affected

organs or in their vicinity. Why I should thave been so blind I cannot understand.

Do not be ashamed of your occuimprovement was constant from that time, we all be vagrants. As I cannot be a lord, and in less than three months I had gained I should not lament at being a vagrant from pain and I believe I owe my life and bem you're a Chicago fire sufferer. Keep

present condition wholly to Warner's Bale seasonable hours or some other vags will Kidney and Liver Cure, the remedy which | get your plank first. Be hopeful, cheerful, and good-natured. Growling wou't cure a Since my recovery I have thoroughly investigated the subject of kidney difficulties and Bright's disease, and the truths developed are astonuding. I therefore state, de tome giant powder exploders in a closed liberately and as a physician, that I believe fried, the experiment. She struck one MORK THAN ONE-HALF THE DEATHS WHICH with a hammer to see how loud a noise OCCUR IN AMERICA ARE CAUSED BY It would make It exploded at the first and torriday of the liver. I conto per ber. BRIGHT'S DISEASE OF THE KIDNEYS. This blow, tearing off her thumband first finger may sound like a rash statement, but I am and lacerating her hand terribly.

prepared to fully verify it. Bright's Disease has no distinctive symptoms of its on u. (indeed, it often develops without any rain whatever in the kidneys or their vicin i(y,) but has the symptoms of nearly every other known complaint. Hundreds of people die daily, whose burials are author ired by a physician's certificate of "Heart Discusse," "Apoplexy," "Paralysis," "Spl-nel Complaint," "Riscumatism," "Pucu monia," and other common complaints, when in reality it was Bright's Disease of the Kidneys. Few physicians, and fewer people, realize the extent of this disease or its daugerous and insidious nature. It steple into the system like a thirl, manifests its presence by the commonest symptoms, and fastens theif upon the constitution before the victim is aware. It is nearly as hereditary as consumption, quite as common and fully as fatal. Entire lam

Hier, inheriting it from their ancestors, have died, and yet mone of the number knew or redized the injuterious power which was removing them. Instead of common symp toms it often shows none wintever, but brings death middenly, and such is usually supposed to be heart diverse. As one who has suffered, and knows by bitter expericuce what he mys. I implore every noe who reach these words not to neglect the dightest at appropriate Kidney difficulty. Oction agenty and preditie death will be the sure result of said seglect, and so one can alford to betterd such changes. I am awate that such an unqualified statement as this, expling from me, knows as I am throughout the entire hand as a practi-

tioner and lecturer, will arouse the surprise

and possible animosity of the medical profemion and astonish all with whom I am acquaisted, but I make the foregoing state-ments based upon facts which I am prepared to produce and trutis which I can

substantiate to the letter. The welfare of those who may possibly be sufferers such as I was is an ample inducement for me to The following article from the Democrat take the step I have, and if I can success-

J. B. HENION, M.D. ROCHESTER, N.Y., Dec 30, 1881. An old maid, not attractive, recently read in a temperance lodge an original poem enare, first, gratitude for the fact that I have titled, "The lips that touch liquor s'x never touch mine," and the young men

I've Found IT .- Found what! Why. that to day thousands of people are within a fact of the grave and they do not know it. To tell how I was caught away from just this position and to warn others against nearing it, are my objects in this perfect cure for Rheumatism, Neuralgia, perfect cure for Rheumatism, Neuralgia, Lumbago, and a number of other diseases

pounds and hardly knew, in my own experience, what pain or sickness were. Very many people who will read this statement reduce at times that they are unusually fired and cannot account for it. They feel dult posse of surveyors busily engaged driving and cannot account for it. They feel dult and indefinite pains in various parts of the looky and do not understand it. Or they are exceedingly hungry one day and entirely without appetite the next. This was just the way I felt when the relentless malady which had fastened itself upon me

"Layin' cout another railroad?" Burveying for one," was the reply. 'Goin'threw my barn!" Den't see how we can avoid it." day and he goue the next, I paid but little attention to it. However, my stomach was out of order and my food often failed to derstan' has I've got somethin' less than the same of the sa "Wall, now, mister," said the worthy

(Galveston News). so doctored myself accordingly. But I got no better. I next noticed a peculiar color and odor about the fluids I was passing—the candidates for the presidency, wisely also that there were large quantities one day and very little the next, and that a person day and very little the next, and that a person describes St. Jacobs Oil. Of course we could not expect our worthy contemporary assent froth and scum appeared upon the to do otherwise than recommend that sistent froth and scum appeared upon the to do otherwise than recommend that surface, and a sediment settled in the bot-famous Old German Remedy — which "heals all wounds but those of love," and for, indeed, seeing these symptoms continunity, I finally became accustomed to them

THE SUN.

tic, deprayed and virtuous, intelligent and obtuse Tax Sux's light is for mankind and womankind of every sort; but its genial warmth is for the good, while it pours hot discomfort on the blistering backs of the persistently wicked.

THE SUN of 1868 was a newspaper of a new kind. It discarded many of the forms, and a multitude of the superfluous words and phrases of ancient journalism. It undertook to report in a fresh, succinct, Ind., when sending in an order for Kidney Pads, unconventional way all the news of the world, writes:
omitting no event of human interest, and comment. "I wo omitting no event of human interest, and commenting upon affairs with the fearlessicss of absolute
independence. The success of this experiment was
the success of THE SUN. It effected a permanent
the success of THE SUN. It effected a permanent
change in the style of American newspapers.

RAY & SHOEMAKER, Druggists, Hannibal, change in the style of American hewspapers.

Every important journal established in this country in the dozen years past has been modelled after.

The Sun. Every important journal already existing has been modelled and bettered by the force of the forc THE SUN's example.
THE SUN of 1884 will be the same outspoken,

truth-telling, and interesting newspaper.

By liberal use of the means which an abundant prosperity affords, we shall make it better than ever In politics we have decided opinious; and are accustomed to express them in language that can be understood. We say what we think about men

and events. That habit is the only secret of THE SUR's political course.
THE WEEKLY SUR gathers into eight pares the best matter of the seven daily iseges. An Argicultural Department of unequalled merit, full market reports, and a liberal proportion of literary, scientific, and domestic intelligence complete THE WESELY SUS, and make it the best newspaper for the farmer's household that was ever printed Who does not know and read and like THE SUN-DAY SUX, each number of which is a Golcouda of nteresting literature, with the best poetry of the day, prose every line worth reading, news, humor -matter enough to fill a good-eized book, and infini tely more varied and entertaining than any book, If our idea of what a newspaper should be pleases you, send for THE SUN. Our terms are as follows; For the daily 80%, a four-page sheet of twentyeight columns, the price by mail, post paid, is 55
cents a month, or \$6.50 a year, or, including the
8 unday paper, an eight-page sheet of fifty-six
columns, the price is 65 cents per month, or

\$7.70 a year, postage paid.
The Sunday edition of THE SUR is also furnished separately at \$1.20 a year, postage paid. separately at \$1,20 a year, postage paid.
