THE SUN.

NEW YORK, 1882. THE SUR for 1882 will make its fifteenth annual revolution under the prejent management, shining, as always, for all, big and little, stean and gracious. contented and unhappy, Regulation and Democra-tic, deprayed and virtuellal intelligent and obtuse THE SUN's light is for stanking and womanking of every sort; but its remist warinth is for the good, while it pours hot discomfort on the blistering backs of the persistently wicked.
THE SUN of 1968 was a newspaper of a new kind. It discarded many of the forms, and a multitude the superfluous words and phrases of ancient jour nalism. It undertook to report in a fresh, succinct, unconventional way fall the news of the world, omitting no event of human interest, and commenting apon affairs with the fearlessness of absolute independence. The factors of this experiment was the success of THE SCE. It effected a permanent change in the style of American newspapers. Every important journal established in this country in the dozen years bast has been modelled after THE SUN. Every important journal stready exist-ing has been modified and bettered by the force of

THE SUN'S examply.

It is a sun outspoken, truth-telling, and interesting newspaper.

By liberal use of the means which an abundant prosperity affords, we shall make it better than ever We shall printfall the news, putting it into read-We shall printfall the news, putting it into readable shape, and medicaring its importance, not by the traditional fardstick, but by its real interest to the people. Distance from Printing House Square is not the first consideration with The Suk. Whenever anything frappens worth reporting we get the particulars, whicher it happens in Brooklyn or in Bokhars.

Will positively cure Fever and Ague, Dumb Ague, Ague Cake, Bilious Faver, Jaundice, 1988. Just received Blood. Price \$1.50 by mail. Send for Prof. Guillent Treatise on the Kidneys and Liver, free by BETTER GOODS mail. Address FRENCH PAD CO. In politics we have decided opinions; and are ac-

customed to depress them is language that can be understood. We say what we think about men and events. That habit is the only secret of THE SUN'S political course.

THE WEEKLY SUN gathers into eight pages the tural Department of unequalled merit, full market reports, and a liberal proportion of literary, seientine, and liberal market in literary, seientine, and liberal make it the best new-paper for the farmer's household that was ever printed.
Who does not know and read and like THE SUE-DAY BUN hach number of which is a Golcouds of nteresting literafure, with the best poetry of the day, proje every line worth reading, news, humor —matter enough to fill a good-sized book, and infinitely most varied and entertaining than any book,
