# cost of field ut \$58,00

An ordinance providing for the construction of a new little league field in the township and appropriating \$50,000 for the project was introduced by the Township Council on Sept. A total of \$55,100 in bonds or notes would be issued to finance the project with a down payment of \$2,900. An Explanation of a similar ordinance introduced at the Sept. 15 meeting for \$23,000 in improvements at Curry Field was given in last week's Clark Patriot. pools in the township.

The purpose of the measure is to bring the Clark code into conformance with the Swimming Pool Code of New Jersey Violations of the code would result in fines ranging from \$2 to \$100 for each offense. Each day a violation continued would be considered a separate officase.

The public bearings and possible final adoptions of the ordinances will be held on Monday, Oct. 20, at 8 p. m.

EDITOR'S NOTE: The following letter was written by Clark Mayor Bernard G. Yarusavage to Gov. Brenden T. Byrnc concerning the proposed sale of the New Departure-Hyatt Boller Bearing plant in Clark by the General Motors Corp. The New Departme-Hyatt Ballor Bearings (Division plant located in Clark has been placed on sale by General Identers. I am certain yet have been informed of this situation through other correspondence.

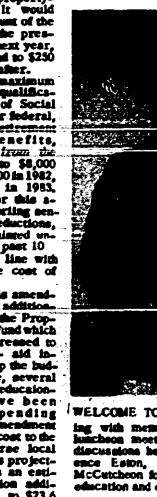

The community of Clark and the employes of the plant are concerned with the fate of the plant and how it may effect the lives of these workers. Rather than wait until after the fact, it is hoped some preparation can be made to either case the transition or affect a change of consership with a minimum disruption of jobs and the local economy. Any assistance from your office or the state at this time would do much to belater the confidence of the workers and subsequently maintain their morale.

I shall await your reply.
