Christine Kallo Michelle King Rosanne Koscica Sandra Kovecses VOCATIONAL CONFERENCE - The Vocational-Technical Advisory Committees of the Union County Regional High School District No. 1 which includes Clark, met recently to discuss the various areas of vocational education. Under the direction of Stanley Grossman, second from right, the co-ordinator of industrial education, the committees deal with: Automotive, child-care services, home-and-health-care services, cabinet and millwork, electronics technology, printing, machine shop, drafting and design, beauty culture, and computer science technology. Consisting of administrators, teachers, supervisors, Board of Education members, industrial executives, business people and salespeople from Union County and adjoining counties, the committees offer guidance regarding review and further development of curriculum, recommend types of equipment needed for specific occupational programs, assess program needs in terms of labor market trends, advise on skills, knowledge and attitudes needed to prepare students for entering into

specific occupations, as well as provide internships and assist in locating appropriate jobs for qualified students and graduates. Other committee members are: Second from left, Thomas Baker, the co-ordinator of computer science and instruction; fourth from left, Mrs. Margaret

Board member from Mountainside, and Dr. Donald

Merachnik, the superintendent of schools.
