

NATIONAL DEMOCRAT

THURSDAY, MAY 11, 1900

NOTICE

Having been elected to the office of Mayor of New York City, I hereby give notice that I will not accept the office.

We would be happy to have those who feel an interest in the welfare of the city...

It is curious to notice that all the candidates for Mayor...

Large numbers of military officers are flocking to the city...

The city of New York, which has been the scene of so much...

While some think that a plot was laid to take the city...

One of the most serious of the city's troubles...

The country's dependence on the city for the supply of food...

One of the most serious of the city's troubles...

One of the most serious of the city's troubles...

One of the most serious of the city's troubles...

One of the most serious of the city's troubles...

One of the most serious of the city's troubles...

One of the most serious of the city's troubles...

One of the most serious of the city's troubles...

What makes them so sure?
