A Lecture on the Nature, Treatment and Radical Cure of Seminal Weakness or Involuntary Seminal Emissions, Sexual Debility, Impediments to Marriage generally, Consumption, Epilepsy, and Fits; Mental and Nervous Incapacity, Impotency, Nervousness, and Impediments to Marriage, &c., &c., &c.

By ROBERT J. CULVERWELL, M.D., author of "The Green Book," &c.

The world renowned Author, in the admirable Lecture, clearly proves from his own experience that the humble sufferer may be cured of self-abuse without the dangerous and useless application of the knife, instrument, bougie, or the administration of nauseous drugs, as recommended by other writers on this subject, thereby avoiding the necessity of submitting to an operation, or the application of any nauseous instrument upon the sensitive parts of the body, and at the same time pointing out a mode of cure at once certain, simple, effectual, and inexpensive, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This Lecture will prove a boon to thousands and thousands.

Sent, under seal, in a plain envelope, to any address, on the receipt of six cents or two postage stamps, by addressing

LYCEUM LECTURE.—John Y. Foster will deliver the third lecture of the course, in Washington Hall, on Wednesday evening next, the 21st inst. Subject—"Little Things."

☞ We have from the Elizabeth *Herald* that Senator Grier met with an accident one day last week, which will probably keep him from his duties at Trenton for some time. He was stepping out of his carriage, when he slipped on the ice, and sprained his ankle.

THE FIRST SHAD OF THE SEASON.—Mr. A. S. Cook, who has just opened a market in this city for the sale of fish, fruit, vegetables, &c.; informed us yesterday that he had the "first shad of the season," which he was offering at a very reasonable price.

☞ We understand that companies B and C, of the Ride Corps, of this city, are preparing for a parade on the 22d inst. They will rendezvous in the Park, from whence they will proceed to arrive here on the 8 o'clock train, and parade with them. All four of the companies will then proceed to Elizabeth in the 12.30 train, and have a parade in that city.

RAILROAD ACCIDENT.—About eight o'clock last Thursday morning, on the Bloomfield and Newark Railroad, as the train was passing over it a rotten bridge broke down letting the engine and five passenger cars down. Fortunately the engineer, one passenger car to stones, killing one passenger and severely injuring eight, and slightly wounding many more.

THE S. S. ANNIVERSARY.—The Anniversary entertainments that have been held in the Second Dutch Church for the past two evenings have been of a very interesting character, and very well attended, although last evening many were prevented from attending on account of the inclemency of the weather. The anniversary will be continued this (Thursday) evening, and we shall probably give further particulars of the entertainments to our readers.

☞ Mr. John F. Whitney, a former resident and member of Council of this city, we are pleased to learn, has decided to make Rahway his permanent residence, after trying various other places, and finding none so pleasant and agreeable as this place. He has recently purchased of West Farms, Westchester county, N.Y., where he owned a handsome residence, which he has sold, and purchased the property of Dr. Silas Cook, on Main street. Mr. Whitney will be welcomed back to this place as a good citizen and pleasant neighbor. The sale was brought about through the agency of J. Saxon & Co.

FIREMENS' ELECTION.—The firemens' election was quite an exciting one this year, more interest being manifested than there has been for many years past. It resulted in the election of David J. Bunn for Chief Engineer, Orville D. Campbell for Assistant in the 1st and 3d Wards, and Christian Chercken for Assistant in the 2d and 4th Wards. The following is the vote:

NEW BOOKS.

NEW DOCTOR, Feb. 13, 1866.

To the Editor of the National Democrat:

Within a distance of three miles and a half from your city lies a large district of country known as New Dorcas—a quiet, modest, unpretending community of church-going people—famous for its hospitality, and those who give outward evidence of their sympathy with the cause in this way, for instance: The Methodist preacher finds himself suddenly surrounded with numerous friends and large supplies of refreshments, and on their departure, finds by plates at his gate that he is better off in the world's goods, to the delightful tune of several one hundred dollars.

But in the midst of this quiet community there has suddenly arisen one Whitney, who, though at first sight he may be considered one, nor do they use the mixed volumes of smoke arising from burning shavings, that is to say, the mixed volumes of smoke issuing from the smoke-stack of the saw mill, and that from the tenor of the machinery as it rings in their ears their mingling motto, encouragement to Whitney that its present proprietor, Mr. Samuel Wood, will not only succeed in the enterprise so promisingly begun, but that he will succeed in giving a new impetus to all like enterprise through the entire community.

☞ The New York Weekly Magazine is a new publication, and has taken a great hold on public favor. The number for January 27th contains the first chapters of a new popular tale entitled "Under a Cloud," by Miss Braddon, and "I Can Marry," written by a gentleman of long experience in the art. The theme of this story is that it is a mistake to suppose that only a degree of success. This magazine is sent for three months on trial for 25 cents, and for a year for $1. Address Frank Leslie, 537 Pearl street, New York.

TEMPERANCE CONVENTION.—We were unable to be present at the County Temperance Convention, held at Elizabeth, on Wednesday afternoon, but the next, we understand that there was a large number of delegates present.
