THE RUMPS HAVE GONE HOME

The country may now take a long breath of relief, for Congress has adjourned. The distinguished body convened for the purpose and having accomplished its task, the members have returned to their respective homes. The adjournment of Congress is a significant event in the political calendar, marking the end of a legislative session. The members of Congress have spent the past few weeks in Washington, D. C., engaged in various legislative activities. The adjournment allows them to return to their constituents and resume their normal lives. HALL'S
Vegetable Seltzer Hair Renewer

Has stood the test of twenty years before the public, and no preparation has ever been discovered that will produce the same beneficial results. It is an entirely new vegetable seltzer, containing a mixture of the most powerful and restorative agents, a VEGETABLE KINGDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp healthy and cleanses the hair, and cures dandruff, humors, and falling out of the hair, and will make a good scalp bald heads, except in very rare cases, as it furnishes the nutritive principle by which the hair is nourished and supported. To make the hair moist, soft and glossy, and is unsurpassed as a HAIR RESTORATIVE. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation. It is recommended and used by the First Medical Authority. The wonderful results produced by our Seltzer Hair Renewer has induced many to manufacture preparations for the hair, under various names; and, in order to induce the trade and the public to purchase these competitors, they have resorted to falsehood, by claiming they were former partners of our firm, and some even with our name. Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our friends on the hair with confidence, and for by mail. See that each bottle has our private Embossed Stamp over the top of the bottle. All others are imitations.
