IMPORTANT
TO OWNERS OF
Boilers.

CELEBRATED
DOUBLE SEATED
LOCK SAFETY VALVE

The Valve is adopted and recommended by the U. S. Government, and the Inspector-in-Chief and Deputies of several States as fulfilling all the requirements of the laws in relation to Steam Boilers, and as being superior to any other. It costs the same as the single disc Valve, and has nearly double the capacity, therefore it is much cheaper. Endorsed by the highest engineering talent of the country. For further particulars address
