NATIONAL DEMOCRAT
RAHWAY N. J. JULY 7, 1915
THE PRESS OF NEW JERSEY

There never was a better occasion
to show the value of the material
of the press of New Jersey than
now. The great war has made it
clear to all eyes that the press
is the most important of all
institutions in a free society.
It is the only one that can
keep the public informed of
the progress of the war and
the needs of the country. It
is the only one that can
expose the wrongs of the
government and the
misdeeds of the military.
It is the only one that can
keep the public from being
deceived by the propaganda
of the enemy. It is the only
one that can keep the public
from being misled by the
lies of the press of other
countries. It is the only one
that can keep the public from
being misled by the lies of
the press of other countries.
It is the only one that can
keep the public from being
misled by the lies of the
press of other countries.
