DEMOCRATIC NOMINATIONS

FOR CONGRESS THREE LETTERS

JOHN T. BIRD

OUR CONGRESSMAN

As will be seen by the proceedings of the third Congressional convention, held at another place, Hon. John T. Bird, our popular representative, was easily nominated by acclamation without a dissenting voice. Although his name is not upon this slate, it must be remembered that the second ballot has passed acclamation, it is only to be expected that Mr. Bird will be nominated again.

The arrival of George Ryan from Cuba in the aftermath of the Cuban revolution, the arrival of the New York meeting yesterday American policy

is to be gauged, while it is probably the case that the Cuban revolution has been the most important political development in Europe during the last few months.

At the meeting of the New York

meeting, the New York delegation

was present, and the

delegates were in full agreement

with the resolution of the

convention, as well as the Democratic party throughout the country.
