NATIONAL DEMOCRAT,  
RAHWAY, N. J., OCTOBER 25, 1876.

We find the following very sensible  
article in the *Somerset Advertiser*, and  
we think it sentimentally appropriate:

STANLEY'S NATIONAL BANK.—  
Treasurer of the Bank.—The Bank is  
now open for business. It has  
been in existence since the 1st of  
July, and is now well established.  
It is a safe and reliable institution,  
and its Directors and officers are  
well known throughout the State.  
The Bank is well managed, and  
the Directors are anxious to have  
it succeed. The Bank is well  
equipped with all the latest  
machinery, and is well  
managed by a competent  
and experienced staff.
