RAHWAY, N. J., FEBRUARY 26, 1880.

Another snow storm on Saturday, which melted as it fell, nearly.

The death of Jesse H. Haywood, aged seventy years, of South Plains, is announced.

Rev. J. A. Liggett, of this city, preached in the Trenton Avenue Church, Plainfield, on Wednesday evening, of last week.

The Daily *Advertiser* will hereafter be issued at 2 p. m. It is said, under the following date of Cumberland Osborn—for the "campaign":

A member of the friends of Jay LaTrope, Esq., gave him a birthday "surprise" on Saturday evening.

President of Council Tarbety had an increase in his responsibilities on Washington's birthday, and he calls it "George Washington!"

The Odon tree tax parties at the 2d Presbyterian Church, last Tuesday night, was very successful, the attendance and receipts being large.

The Democratic campaign fund committee of Town Tweedy meeting, said to have been announced by one hundredand-one-party organizations.

There will be a temperance mass meeting at the 1st Baptist church this evening. Rev. Messrs. Liggett and Wheeler will be the speakers.

There will be a temperance mass meeting at the 1st Baptist church this evening. Rev. Messrs. Liggett and Wheeler will be the speakers.

The official notice of the payment of the second ten per cent. dividend by the Receiver of the Rahway National Bank will be found to commence on the 16th of March.

The members of Barry Post G. A. R., of Rahway, are making special preparations for a good time at their "camp fire" in Chamberlain's Hall tomorrow (Friday) evening.

The congregation of the 1st Baptist Church, will make a donation visit to the pastor, Rev. Mr. Robinson, at the parsonage, on Thursday (Friday) evening. All are cordially invited.

The Children's Chorus for the benefit of the Juvenile Temperance Union, at Osborn's Opera House, on Wednesday evening, was a success financially, as much so that it was ordered last night.

The price asked for the home, 210 Main street, ordered for sale by Mr. C. S. Tooker, is reduced to $4,000, which is a figure that is said time to sell, though a good time to buy the property.

Washington's Birthday was not very generally observed in the city, on Monday. The banks and Public Schools, and the Post Office a portion of the day, but general business was not suspended.

Let everyone, in Democratic precinct, Ward or County, who desires to see Democratic success this fall, give another subscription shortly, and the Democratic Committee will be in Congressional, not partaking more of a municipal nature.

Judge Abbett, who was appointed by the governor to investigate the frauds alleged against the Board of Freeholders and Assessors of Plainfield, has presented a report exonerating that the charges referred have been unfounded.

A large fire occurred in Trenton on Tuesday morning, by which Dolan & Co.'s grocery store, on Broad street, and Hutchinson's store, on Front street, were destroyed—the total loss reaching, it is estimated, nearly $50,000, on which there is a heavy insurance.

The *Godey's Lady's* book subscription solicitor, who is this city again now for the week, and Mayor Scrimer leaving of it, issued from it a notice to the effect that where so much as a lady, gave him a pretty second talking to—of ordered him to leave on the next train out of town, followed him up to see that the order was obeyed. The plan, much in force in some towns, has never been seen here, and cannot be accomplished, but is supposed to have been generally announced that they employ "strong-arm" men, and if people read the city papers carefully and generally there would be no new members.

The Peterson pastors of the M. E. Church in Rahway and Clark's Mills have been changed—Rev. Mr. Hall, of Rahway, having been appointed to the Clark's Mills charge, and Rev. Mr. Hall, of Clark's Mills, to the Rahway charge, by the proper authorities of the Church and that action was confirmed by the Conference which said Conference will be held in the Methodist Episcopal Church, in this city, on March 24th. Amputation of the Leg.

The old Family Physician at Home is David Kennedy the Successful Surgeon.

Many in the common language, and some in the Medical Profession, have heard of Dr. Alonzo Kennedy, of Red Bank, Monmouth county, N. Y., but realized this truth. He therein ignored the whole of his neighbors, and the suffering man looked forward, not to the amputation of his leg, but to the relief he would get. His family physician, obliged to amputate the limb, asserting that the operation would kill the patient in the room. Dr. David KENNEDY, of Rondout, N. Y., who had successfully treated the patient, was then requested to be sent for. The doctor after administered freely his World-renowned FAVORITE REMEDY to all and soon all symptoms of the wound, prevent the necessity of the amputation. The man is now living, and has been for years, a monument of health. This gentleman's success was the reflection of feel blood, as I Kennedy's FAVORITE REMEDY will do for all who use it. Sold by druggists everywhere and sent, by express, prepaid, at $1.00 per bottle. Dr. David KENNEDY, Rondout, N. Y.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR, OR ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which in no sense hurtful or injurious, while restoring the hair. It restores, with the original freshness and beauty, faded or gray, lights, and red hair, to a rich brown, or deep shade, as may be desired. By its use, thin hair is thickened, and dailiness "thrown out," and consequent baldness "stayed," though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brunette, weak, or sickly persons, it imparts the vigor, energy, and strength, and renders it salable.

The Vigor dissolves the scurf, and prevents the formation of dandruff, and by its use the scalp becomes healthy and vigorous. It heals most if not all of the diseases and humors peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair

The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not stain the cambric. It imparts the appearance and lasting perfume, and as an elixir for the toilet, is unsurpassed and unequaled in its qualities.
