WHOLE NUMBER 2417.

When the light of day has faded

And all nature is hushed to rest

Chanting a soothing lullaby as the go,

And wi en over all the earth

And the sight works sweep

Softly over hill and vail.y,

Mountain and in adow,

Calling the weary to rest

Come forth one by one :

In the sternal arch above,

In their mysteridus way.

Earth's wears plizating

And in the dark t hour

They seem to willsper,

With renewed hope:

And the red emed to devotion;

To look seroncly down upon us

Whose mission if is to insule

And thro' the daykness undis

Go sweetly on your way,

In Heaven 1

Story of American Frontier Life. By CAPT. CHARLES KING. U.S. A. AUTHOR OF "THE COLONEL'S DAUGHTER." FFROM THE RANKS.

"THE DESERTER" BTC. Copyrighted, 1888, by J. B. Lippincott Company, Philadelphia, and Published by Special Arrangement through the American Press Association.

ing Mrs. Bellmap to take off that little tassel on the button of his cap. He has still the gay party lingered on the veranda. There had been came; and we supposed it was something he cherished: I know she did." a fortnight of "getting settled" at the new post, preceded by a month of marching that had brought the hattalion from

distant service to this strange Texan station. The new comers had been hospitably welcomed by the officers of the little garrison of infantry, and now, in recognition of their many courtesics, the field officer commanding the arriving troops had been entertaining the resident officers and ladies at dinner. The colonel to draw too heavily on his reserves o anecdote and small talk, so he had called in two of his sudditerns to assist in the pleasant duty of being attentive to the infantry ladies, and just now at 11:45 p. n., he was wondering if Lleut. Perry had not too literally construed his instructions, for that young gentleman was devoting himself to Mrs. Belknap in a manner so marked as to make the cap-

tain, her lawful lord and master, mani-Mrs. Belknap, however, seemed to enjoy the situation immensely. She was a pretty woman at most times, as even her rivals admitted. She was a beautiful woman at all times, was the verdict of the officers of the regiment when they happened to speak of the matter among themselves. She was dark, with lustrons eyes and sweeping lashes, with coral lips and much luxuriance of tress, and a way of glancing sideways from under her lieavily fringed eyellds that the younger and more impressionable men found quite irresistible when accorded the rare luxury of a tete-a-tete. Belknap was a big and boisterous man: Mrs. Belknap was small in stature, and soft—very soft—of voice. Belknap was either brusquely repellent or oppressively cordial in manner: Mrs. Belknap was

matter of no great danger or discomforti

It was the doctor himself who, seated

set index for faults and white an they continued to the control fluid in the control fluid in

"Well, will you tell me if I can induce the captain to say he has no objection?" persisted Perry. "I will to morrow—if you will tell me about the tassel to night."
"Is it a positive promise? You will tell me to morrow all you have heard about Dunraven Ranch if I will tell you night all I know about the tasself"
"Yes—a promiso."

"Very well, then. You are a witness to the compact, Graham. Now for my confession | I have worn that tassel ever since our parting ball at Fort Riley. That is to say, it has been fastened to that button ever since the ball until tonight; but I've been mighty careful not to wear that cap on any kind of duty." "And yet you let Mrs. Belknap take it off to-night?" "Why shouldn't I? There was contiment whatever attached to it. 1

haven't the faintest idea whose it was, and only tied it there for the fun of the thing and to make Graham, here, ask Mr. Perryl' gasped Mrs. Lawrence And do you mean that Mrs. Belknap knows that you told her what you have just told me? "Well, no," laughed Perry. "I fancy

well feigned smare and with sudden glance towards the object of his inquiry. How on earth should I know anything Mrs. Belknap thinks as you thoughtthat it was a gage d'amour. Hallol look pert testimony in asking me. He tries, I suppose, to adapt himself to circumstances. But why do you ask?" at that light away out there across the prairie. What can that be?" Mrs. Lawrence rose suddenly to her feet and gazed southeastward in the direction in which the young officer pointed. It was a lovely, starlit night. A soft wind was blowing gently from the worn it when off duty ever since he south and bearing with it the fragrance of spring blossoms and far away flowerlaughter, but gave no further reply for just then the colonel and the doctor left their chairs and, sauntering over to the hammock, brought mighty relief to Belknap at the whist table and vexation of ets. Others, too, had arisen, attracted by Perry's sudden exclamation. Mrs. Belknap turned languidly in her ham mock and glanced over her pretty white houlder. The colonel followed her eyes with his and gave a start of surprise. The doctor turned slowly and composed-

ly and looked silently towards the glistening object, and then upon the officers "What on earth could that have been?" asked the colonel. "It gleamed like the head light of a locomolive, away down there in the valley of the Monee, then suddenly went out." "Be silent a moment and watch," whispered Mrs. Lawrence to Perry. "You will see it again; and—watch the

tete was accomplished in a moment, and then down by her side he sat and plunged into a merry description of his experi-Surely enough, even as they were all looking about and commenting on the strange apparition, it suddenly glared forth a second time, shiring full and lustrous as an unclouded planet, yet miles away beyond and above the fringe of is a very strict Presbyterian, Mr. Perry; cotton woods that wound southeastward with the little stream. And, Mr. Perry, you won't speak gleamed in the soft light that sliche ing men arrive who are said to be very of this to any one, will you? Indeed, if I

respects thoroughly in love with his pro-tession. A fairer type of the American cavalry officer, when once he got in sad-dle and settled down to business, one would hardly ask to find. Tall, athletic, slender of build, with frank, laughing blue eyes, curly, close cropped, light brown hair, and a twirling mustache that was a source of inexpressible delight to its owner and of some envy to his brother subalterns, Mr. Perry was probably the best looking of the young offi-cers who marched with the battalion to

this far away station on the horders of the Liano Estacado. He had been ten years in service, counting the four he spent as a cadet, had just won his silver bar as the junior first lieutenant of the regiment, was full to the brim of health, nergy, animal spirits and fun, and, barcare in the world than the transient and ephemeral anxiety as to whether he would be called up for reditation on a subject he had not so much as looked at. or "hived" absent from a roll call he had lazily slept through. both men and women; but there was about it it will come soon enough."

sion above all others, and these various attributes combined to make him popular with his kind and unusually attractive to the opposite sex. As a cadet he had een perpetually on the verge of dismissal because of the appalling array of de-merits he could roll up against his name, and yet the very officers who jotted down the memoranda of his sins omission and commission—against the regulation

were men who openly said he "had the making of one of the finest soldiers in the class." As junior second lieutenant -"plebe"-of the regiment, he had been elcomed by every man from the colonel down, and it was considered particularly rough that he should have to go to such company as Capt. Canker's, because Canker was a man who never got along with any of his juniors; but there was something so irrepressibly frank and were nearly over." that even that cross | more offended his eye than the sight of grained but honest troop commander the faintest privilege; and when promo-tion took the captain to another region that made the perpetrator a bigment he bade good-by to Perry with eyes | ger herd in his own eyes or the object of

It was always predicted of Ned Perry bis comrade had disappeared from view. that he would be "married and done And over this broad level, horizon

for" within a year of his graduation. bounded, not a moving object could be in question, however restless and impatient he might be when compelled by his duties to absent himself from her side, however promising to casual observers—by the little black import a boy whose perchance to the damsel herself—might by the little black import a boy whose be all the surface indications, the absolute frankness with which he proclaimed Later in the day, when the sum mounted his admiration to every listener, and the high in the heavens and the brisk westfact that he "had been just so with half a dozen other girls," enabled the cooler across the skies, all the broad prairie heads of the regiment to decide that the seemed in motion for then huge shadtime had not yet come or at least the lows swept its face with measured speed

"I do wish." said Mrs. Turner, "that Mr. Perry would settle on somebody, berather hard to tell who he belongs to."

And, as Mrs. Turner had long been a reigning belle smong the married women of the —th, and one to whom the young officers were always expected to show much attention, her whimsical way of describing the situation was readily un-

Pacific.

southeast the rays seemed glinting on some bright objects clustered together within short range of the shadowy

fringe, and the lieutenant shaded his

But here at the new station-at far away Resister—matters were taking on a new look. To begin with, the wives of the officers of the cavalry battalion bad not joined, none of the ladies of the

"Oh. I'll be back in time for that, sir." I wanted to be off three bours or so before breakfast." The colonel could not help laughing. "Of course you can go go wherever you "Neither I would, colone, but I've been interested in something I heard about this ranch down the Money, and thought I'd like to ride down and look at it." at it."

"Go shead, by all means, and see whether those lights came from there.

It made me think of a play I once saw the 'Colleen Bawn' where a fellow's sweetheart signaled across the lake by showing a light in her cottage window just that way three times, and he answered by turning out the lights in his

room. Of course the distance wasn't anything like this; and there was no one here to turn down any light— Eh! what did you say?"
"I beg pardon, colonel. I didn't mea to interrupt," put in a gentle voice at his

elbow, while a little hand on Perry's arm gave it a sudden and vigorous squeeze "but Capt. Lawrence has called me twice -he will not re-enter after lighting his cigar—and I must say good night."
"Oh, good night, Mrs. Lawrence. I'm sorry you go so early. We are going to reform you all in that respect as soon as we get farly settled. Here's Perry, now, Baul and his sons, as recorded in the last leswould sit up and play whist with me an ised to walk home with us" (another squeeze), "and go he must, or be a faith-

ring a few duns and debts in his earlier less eschri. Good night. We've had experiences, had never known a heavier such a lovely, lovely time."

And Ned Perry, dazed went with her to the gate, where Capti Lawrence was Israel." They remembered how David, and awaiting them. She had barely time to "You were just on the point of telling him about the doctor's lights. I cannot Israel (I Sam xviii); but the wonder is that Any other man, his comrades said, forgive myself for being the means of would have been spoiled a dozen times over by the petting he had received from keep—this until everybody is talking feed my people farnel, and thou seed the control of the co something essentially sweet and genial had been about his nature—something lacking in what perturbed in spirit and all alive rightful king of all this earth is guile about his perceptions, said a cynical old captain of the regiment—and a could mean. The first notes of "assem-Naturally, Mr. Perry went home some-

> his plans before following in their tracks, dressed for his ride. The astonishment of Lieut Parke, the junior of the troop, was something almost too deep for words when Perry came bounding to his side. "What on earth brings you out, Ned?" was his only effort.
> "Going for a gallop—down the Monee; that's all. I haven't had a freshener for

creature? You answer. "Gad we get exercise enough at morning drill, one would think, and our horses too. Oh!— And Mr. Parke stopped suddenly. It flashed across him that perhaps Herry was going riding with a lady friend and the hour was her selection. If so, twas no business of 4. "David was thirty years old his, and remarks were uncalled for.

When he mounted and rode away from the stable Mr. Parke was outside at the and sufferings came to him as a young man; would appear at his captain's door in the early morning and burst out with: "By Jove, captain! I slept through reveille again this morning, and never got down till stables."

It is easily occupied in his coming the last aning of the fresh, spirited borses at the line, for the through reveille again this morning, and never got down till stables. of disorder of any kind, and nothing grained but honest troop commander two or three of his charges losse and six months; and in Jarusalem * thirty-three years." It is very profitable in plunging and kicking up and down the plunging and kicking up and down the stable yard. On the other hand, there punish—would never deny his subaltern was no one exploit that seemed to give which occurred there. Hebron, a city of Judah, some twenty miles south of Jarusalem. "Why, greater envy among his fellows—and as because of its earlier associations with Abrathe state fair, says. It is of monatrous size blow it all, what do you fellows hate a consequence every device of which ham, Isaac and Jacob, Joshua and Caleb;

Judah, some twenty miles south of Jerusalem, will ever be a delightful place to the Rible student, not only because of David's two Canker so for? the youngster often said. "He ought to put me in arrest into play, regularly as the morning came if I don't put myself in arrest, or confine myself to the limits of the post, and do the taut and straining picket rope. The if I don't put myself in arrest, or confine myself to the limits of the lost, and do something, to cut all this going to town and hops and such things. Then I can stick to the troop like wax and get up at reveille; but if I'm out dancing till 2 or 8 in the morning it's no use, I tell you; I just can't wake up."

It was always predicted of Ned Perry

I don't put myself in arrest, or confine myself to the trooper or from the troop from the trooper or from the troop from the troop flow was crucified, there His precious blood flowed forth, in Pilate's hall, in Gethsemane and on Calvary, there He was buried and there He that all the horses were securely lashed and knotted. Not until he had examined to the right hand of God, and thither He shall return in power and glory to rebuild to the right hand of God, and thither He shall return in power and glory to rebuild that the getter up took all these little tots at one sitting. If Moore has appropriately named the medley "Our Fets," and bis comrade had disappeared from view.

It was always predicted of Ned Perry Every new face in the five years that seen. Har away, in little groups of three of Jerussian was Jebus; it was a great followed revived the garrison prophory, "Now he's gone, sure?" but, however devoted he might seem to the damset the light, and over in the court the inhabitants, but they were allowed the might seem to the damset the light seem to the light seem to the light seem to the damset the light seem to th ont the inhabitants, but they were allowed to dwell there with Israel. (I Chron, xi, 4, 5; Josh, xy, 63; Judges i, 21.) This was a standing diagrace to Israel during all their history since: Joshus led them into the land up to this time; and now, when David de-

termines to wipe out this disgrace, he is told by these deflers of God and His people that the blind and the lame are able to held the fort against him: 7-9, "Nevertheless, David took the strong old of Zion; • • so David dwelt in the fort and called it the City of David." He who in the name of the God of Israel slew Gollath went forth in the same great name against these enemies of God and proved the faithfulness of Him who had said "There shall and distant cattle and neighboring pony herd appeared as though calmly and contentedly riding on a broad platform. Nature's own "observation car." taking no man be able to stand before thee," contend with one who so relied upon the God of Israel, and therefore they knew not His power, and treated Him and His professed people with contempt. There are in our churches of today, and in the hearts of many a leisurely journey towards in fur away But the sun was only just up as Mr. Parke came back from his inspection of the halter fastenings and paused to look across the low valley. Far down to the who are called Christians both preachers and

something the officer in charge of stable Deterred from last week.] duty was entitled to know that he turned uddenly and called: EVENTIDE

"Sergt, Gwynne!" He heard the name passed down the dark interior of the stable by the men sweeping out the stalls, and the prompt tall young trooper stepped forth into the blaze of early sunlight, his right hand raised in salute, and stood erect and motionless by the lieutenant's side. "Did Mr. Perry take an extra horse,

management of Mr. T. F. Lane, presents neatly printed, and well filled with fresh and crisp editorials and locals. Mr. Smyth continues to print a newspaper with the same title, contending that Lane's purchase only covered the materials and not the right and title of the paper, but Lane right and title of the paper, but Lane right and title of the paper, but Lane roughly covered the materials and not the right and title of the paper, but Lane roughly covered the materials and not the roughly covered the materials and not the right and title of the paper, but Lane roughly covered the materials and not the right and title of the paper, but Lane roughly covered the materials and not the roughly covered t

impression upon the character of the place in which it flourishes, and the election of Judge flyer as mayor of the city in which he resides, shows that his own personal influence, as well as that of his paper, has been appreciated by the people. In every way except politically Judge flyer and the Demograt are to be congratulated.—

such articles, including the one pumished last week over the signature of "Republican and true. The fact that power of taxation shall be passed or continuence in which it flourishes, and the election of last week over the signature of "Republican" in relation to Post Office matters—
which of course is not true. The fact that power of taxation shall in any way be imposed amendments I caused to be formulated in a bill, which was presented in the Poemocratic House of Assembly of the State should not be able to ascertain everything that has been done in the election of its servants, nor why prompt investigation should uct follow a suggestion of corruption. With such publicity and a free and independent press to voice public sentions of vast corruption funds, because the Democratic House of Assembly of the State should not be able to ascertain everything that has been done in the election of its servants, nor why prompt investigation should uct follow a suggestion of corruption. With such publicity and a free and independent press to voice public sentions of vast corruption funds, because the Democratic House of Assembly of the State should not be able to ascertain everything that has been done in the election of its servants, nor why prompt investigation should not be able to ascertain every thing that has been done in the election of its servants, nor why prompt investigation and the office matters—

The principal corporation by which the should not be able to ascertain every thing that has been done in the

publication of the Demograte. The first of constitution provides that no one shall have been a resident of the state for seven years. Gen. Grubb has been a militia office of Pennsylvania for many years, and to hold the position he had to make oath of allegiance to that state and establish his residence there, where his business is, having a house as a summer home in New Jersey, and where he keeps his fighting cocks. The day after he mass nominated for Governor of New Jersey.

Bome of the Republican papers have been accusing ex-Gov. Abbett of being opposed to ballot reform, but his latter of acceptance, published in another place, is a complete refutation of such charges. He may not have approved all the parts of the bill that was before the last Legislature, neither did we, although it probably would have required ament for that could be arranged at that time. We believe there were some complicated parts of it that would have required ament if it had passed. With Gov. Abbett's legal ability to surmount such difficulties, legal ability to surmount such difficulties, he will doubtless assist in drawing such an act, when he is elected, as will be both simple and effective.

On Thursday afternoon of last week, the committee on county road bonds, of Court House, to open the bids made by

COLTER & CO., 815 and 817 Broad St., NEWARK, N.

POETICALLY SPEAKING Take your savings from your sock, And just hoof it for our block; Leave the folks that pick your pocket In the lurch. For we have the largest stock, All our prices are bed-rock,

> And our competitors we knock Thus talks a Western poet and merchant to his patrons. We quote it because it's good advice and true of us. Besides being poetry, it's absolutely true when connected with ourselves. Most of you know that to be so. But the truth has to be stated

again and again. The sentiment embodied above is truer perhaps this season than ever before. Prices are indeed down to bed-rock. They certainly can't be lower. Our assortment is complete in every department. We have tried to make the stock this present sea son more attractive to purchasers than ever, and we have succeeded. You'll find nothing to equal what we offer in this town, and you'll not beat it it out. You may find a few places where there's more money spent in costly mirrors and carpets. But you don't buy them, although you pay for them in the extra price of what you buy—see! We put full value into the garment that you carry away with you. And it tells Each season trade increases, and more and more pleased customers find their way to our store. It begins to look as

if this will be the most successful season yet. McGREGOR & CO.850 & 852 BROAD ST. NEWARK, N. J.

PEARL (Andrews & Co.) Reports of Government Chemists The Royal Baking Powder is composed of pure and wholesome ingredients. It does not ontain either alum or phosphates, or other in-"The Royal Baking Powder is undoubtedly he purest and most reliable baking powder offered to the public.

"HENRY A. MOTT, M. D., Ph. D. "The Royal Baking Powder is purest in qualv and highest in strength of any baking pow der of which I have knowledge. WM. MCMURTRIB, Ph. D. All Alum baking powders, no matter how high their strength, are to be avoided as dan-gerous. Phosphate powders liberate their gas too freely, or under climatic changes suffer do

"I have used Ayer's Pills for the past thirty years, and am satisfied I should not be alive to day if it had not been for them. They cured me of dyspepsia when all other remedies failed, and their occasional use has kept me in a healthy condition over since."—T. P. Brown, Chester, Pa. "Having been subject, for years, to constitution, without being able to find much relief, I at last tried Ayer's Fills, and deem it both a duty and a pleasure to teatify that I have derived great benefit from their use. For over two years past I have taken one of these Fills every night before retiring. I would not willingly be without them."—G. W. Bowman, M East Main st., Carlisle, Pa. "Aver's Fills have been used in my

"Ayer's Pills have been used in my family unwards of twenty years, and have completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afforded me greater relief than any medicine I eyer tried."—Thomas F. Adams, Holly Springs, Texas. Ayer's Pills.

Dr. J. C. Ayer & Co., Lowell, Mass.
