say secure your fortune to her?" strange? You surely know how deeply

I am attached to her. What better use could I make of what is mine, than secure her happiness with it?" The simplicity of his manner, as we

as of his words, carries conviction of his sincerity to the listener. Then, "And you-you love her like this," she orled at last, "to a point of generosity beyond anything that I have ever heard of any other man, and are yet so blind as to think of giving her up

for her happiness, indeed! For he lasting misery, you will find, if you succeed in carrying out your scheme illjudged generosity. "But you forget," he said, "that it

no question of giving up' with me. do not think I should be magnanimous enough for that. She has told me dis tinetly that she can dare nothing for me -I suppose I was a fool ever to think that she could—and shall I be selfish

enough to let any thought of myself stand in the way of what may make her happiness ?"

Putting aside the fact which I have already repeated often enough-I mean that I believe you cannot secure her happiness in this way," said Mrs. Farquharson, "have you wholly forgotten yourself-vour own future? Surely you are not so foolish as to fancy that life is over for you because a silly girl has said 'No.'

I do not fancy that in any sense feel responsible for the result of the intimacy so established. He could not is over for me," he answered; "but even if he had been presented by myself but in a mere formal way, have had the ain certain that I shall never marry. and hence I have a right to dispose o my fortune as I like. What I desire is vantage ground of such unrestrained in tercourse as my heedless folly gave him for I am confident now, in recalling yard to see Constance, and learn from herself how she regards Charteris-for all

depends on that.'

happiness than of anything else. 'Yes, I blame you," she answered;

ship, to tell me the truth, and give ma

the right to serve you. If you mean exactly what you say in declaring that yon never wish to hear his name again. then I pledge my word that he shall go away, and that you shall never hear it again. But stop, and think whether you do mean it. If you care for himas it is very natural that you shoulddon't make the mistake of sending him away for a scruple of honor. I frankly tell you that he is not the man I should select for you to marry ; but if he is the man you lore, you must decide whether or not you will trust your life to him. I appeal to you as a true woman, not a fanciful girl, and I beg you to believe in the sincerity of my desire to secure understand you rightly? Did you your happiness.

"Could I know you and doubt it?" sho asked, in a low voice.

The serious gravity of his appeal has affected her as strongly as he could possibly desire. All the feeling that had filled and swayed her since she parted with Charteris seems suddenly calmed-whether by the power of this voice that has addressed her, or by the weight of responsibility thrown on her,

she does not know. Perhaps it is the latter, for a ricog-

nition of all that depended upon her reply makes passionate liaste impos

As she looks at him, he sees in her eyes-eyes that never have appeared to him so beautiful before-the spirit of reasoning womanhood to which he has

appealed "I will answer you, as you deserve, with perfect candor," she said, "You ask if I really mean what I say in wish-

ing that I might never hear. Mr. Charteris's name again. An hour ago thought so; but wounded pride and indignation had so much to do with the

feeling that perhaps it was not real. What I feel now is that whether or not there would be any excuse for his conduct, there would be none for mine if I listened to the suit of a man who is engaged to marry another woman, or if permitted him to break his engage. ment in order that I might listen to him, You talk of a scruple of honor ! But surely that is more than a scruple if,

there be such a thing as honor? "You are right," he said ; "it is more than a scruple-it is a very grave question of honor. But you cannot blame me for thinking more of your
