Devoted to Yocal

Copyrighted by Mational Tribune Publishing Co. and published by arrangement with them.] The name given this story is made glorious by the valor and achievements of the First division of the Fourteenth Army corps, the cogniz mee of which was a crimson

the Tynnesses hens are doing their duty this winter, so that we'll have no trouble miding that was intended for ! eggs when we get to Murfreesboro to mor-We are likely to be so busy tendering the compriments of the season to Mr. Bragg." | Jim's plans, sold plarry, lightly, "that we will probably ! have but little time to make calls upon the its the led and tossing back her long, silked

haly hens who lteep open nests! "We all may be where we'll need lots o' ! "I wished to go immediately about what I made a sweet little angel I don't know an day that I would rather have for my prope tion to date from. It would have a ver proper look to part in the full year here and start in with the new one world of superior attractions." Well, I declare, if here isn't Dr. Detslow, said Harry, delightedly, as he recognized a borseroun, who rode up to them. you come here? We thought you were let numbertly stationed at the grand hospital "So I was," replied the doctor, "So I was, at lesst so far as general orders could do it. But I felt that I could not be away from my though the irregular way in which I detailed

boys at this supreme moment, and I amber myself from my post may require expla-mation to a court martial. Anyhow, it is a grateful relief to be away from the smell of chloride of lime, and get a Breath of fresh ward full of sick men. It looks," he centinued with a comprehensive glance at the firmament of Confederate camplines that make Murfreesboro seem the centre of a male Milky way, as if the grand climax is at last at land. Brag g, like the worm, will at last turn, and after a year of foot races we'll have a fight which will settle who is the superfluous eat in this alley. There is certainly on "The sooner it comes the better," sail Harry, firmly. "It has to be sometime, and I'm getting very anxious for an end to the eternal marching and countermarching."
My winsome little feet, Kent Edward

putlin, plaintively, "are knowly as a blingle proof safe, with corns and hunions, all them more tender than a majden's heart, and painful as a mistake in a poker hand. Theyre the ripe Cruit of the thousands of miles of sale hills, I've had to tramp over because of Mr. Bragg's refiring disposition. Now, if he's got the spirit of a man he'll compout from under the bed and fight me."

"O, le'll come out—he'll come out—never you feer," said Abe, sardonic as usual. "He got a day or two's leisure now to attend to his business. A hundred thousand of his will come out. They'll swarm out o' them edar thickets there like grashoppers out of a timothy field." niputes absence, "the colonel says well into camp right here, just as we stand, Ko. I'll take the cantee is and hint up water.

you and Abe will break some cedar boughs or the bed, and get the wood to cook super That puts me in for the wood," grumbles Abe. "And I don't suppose there's a fence inside of a mile, and if there is there's not a And doctor," continued Harry, flinging the cantoens over lais shoulders, "you'll stay and take a cup of coffee and sleep with us o-night, won't you? The trains are all far chind, and the he spital wagon must be miles Seems to me that I've heard something of the impropriety of visiting your triends just about meal time," said the doctor quizzbally, but a cun of coffee just now has more charms

for me than rigid etiquette, so I'll thankfully

and eyes shining reciprocate with liberality in does of qui-In less time than that taken by well appdinted kitchens to furnish "Hot Meals to Order" the four were sitting on their blankets around a conifortable fire of rails and codar lors cating hard bread and broiled fat pork and drinkingistrong black collee, which the magic of the open air had transmitted into delightfully delicates and relichable viones. w, as he finished the last danish and drop of his portion of his food, "for the accession to her chair by the fireside, sented herself in it, your company at this needful time of a tower strength in the person of Lieux Joseph back and forth, and sang in a low, sweet Fancake. Abs ground; the doctor looked at him with well feigned astonishment and continued: "That gozo hungry patriot, as you know duty, by virtue of a certificate which he wheelled out of old Moxon. At last, when

the couldn't keep away any longer, he started tack, but he carefully restrained his matural impetuosity in rushing to the tented field, and His journey from Sardis to! Nashville was a ine specimen of easy deliberation. There was not a sign of ungentlemanly hurry in After dark Fortner came in. | Both wome any part of it. He came into my ward at studied his face engerly as he walked up to Nashville with violent symptoms of a half lozen speedily fatal discases. I was cruel "Nothin' yet, honey," he said to Aunt Debenough to see a coincidence in this attack and by, and "Nothin' yet, Miss," to Rachel and the general marching orders, and I prescribed fter a little stay went out. for his ailments a thorough course of open air When Rachel awoke the next morning exercise. To be sure that my prescription sky was lowering darkly. On going to the would be taken I had the provest marshal inwindow she found a most depressing change terest himself in my patient's case, and the from the scene of bright merriment-she had result was that Pancake joined the regiment, studied the night before. A chill winter rain and so far has found it difficult to get away was falling with dreary persistence, pattering from it. It's the unexpected that happens, on the dead leaves that covered the ground the French say, and there is a bare possibility and soaking into the sodden darth. Everythat he may do the country some service by thing and everybody in sight added something to increase the dismainess of the view, and as

the accidental discharge of his carty." "The possibility is too remote to waste time onsidering," said Harry. rors" took possession of her. She began to They lay down together pon a bed made by spreading their overcoats and blankets nyon the springy cedar boughs, and all but Hurry were soon fast asleep. Though fully a crisis in his fate was at hand, and as he lay and looked at the stars every possible shape that that fate could take drifted across his min I, even as the endlessly varying cloud shar es swept—now languilly, now harriedly -ac coss the dorned sky above him. And as the moon and the stars shone through or around each of the clouds, making the light er one s masses of translucent glory, and gilding the edges of even the blackest with silvery promise, so the thoughts of Rachel Bond suffused with some brightness every

up the resonant pike; to the crashing of newty arrived regiments through the cedars as they made their camps in line of battle; to little spirits of firing between the nervous pickets and at last fell asleep to dream that he was returning to Sordis, mained but honor crowned, to claim fuchel as his exultant The Christmas forencon was quite well advanced before the fatigue of Rachel Bond's long ride was sufficiently abated to allow her to awaken. Then a soft faum of voices impressed itself upon her drowsy senses, and she opened her eyes with the idea that there were several persons in the room engaged in conversation. But she saw that there was only aunt Debby, scated in a low racking chair by the hardy burning fire, and reading aloud from a large Bible that lay open upon Rachel stirred a liftle, and Aunt Debby

> "Well, the hunt's begun at last. The women listened. They heard the ceaseless patter and wind through the shade trees' naked branches -louder still the rolling of heavy wheels over the rough streets; and all these were torn and rent by the shricks of men in agony. "Poor fellows," said Ruchel, "how they are

didn't disturb me in the least. It was time "Think ruther," said Aunt Debby calmly. that I got up, and I was glad to hear you "of how they've made others suffer. | Hit's read I'm only troubled with the fear that God's judgment on 'em." Tve overshipt myself, and missed the duty Rachel turned to Fortner. come next! Will this end it! W"I the Confederates fall back and leave this place (" Ye limit be needed to day, nor likely to-mor "Hardly. This 's on'y like the fust slap in row. Some things her come up ter change the face in a fight atween two big savage men, who 've locked horns ter see which is "I had very sorry," said Rachel, setting up the best man. Hit's on'y a sorter limberin the jints fur the death rassel." many with a single quick, masterful motion "Yes; and what next?" "Well, Rosy's started fur this 'ere place, cold water more than anything else," said am expected to do. I can do anything bet he shan't come heah, an' is gittin' his men an' he's bound ter come heah. Bragg's bound back to defend the town." ez close ez ye kin, an' wait tell the chance

comes ter use ye. Hit may be ter-morrer, and never want ter see the sun rise ter-morrer. hit mayn't be fur some days. These army Good-by we're all in the hands o' Him who moves are mouty unsartin. Aunt Dibby III seth even the sparrer's fall." take keer on ye, an' ye'll not be in a mite 'o danger." "But we'll seesyou frequently: "Ez offen ez I kin arrange hit. I'm actin" z orderly an' messenger "Lout headquarters, but I'll come for yo whenever I kin git a chance, an' keep yo posted." This was Friday night. All day Saturday, a long as the light lasted, Rachel stood at the window and watched with sinking heart the steady inflow of the Confederates from the north. That night she and Aunt Debby wanted till midnight for Fortner, but he did not come. All day Sunday she stood at her cost and watched the unabated pouring in on e Nashville pike. Forther did and come that night. She was doweast, but no shade sturbed the serenity of Aunt Debby's sweet onning. Socit was again on Monday and needay. The continually swarming multi ndes weighed down her spirits fike a mill-

one. She seemed to be encompassed by millions of armed enemies. They more plentiful than the trees, or this fe in glass. After a good breakfast had still the leaves even. They filled the streets of the faither raised her spirits she ventured upon little town until it seemed impossible for little pleasantry about the dramatic possianother one to find standing room ravalry blackened the faces of the long anges of hills. Their artillery and wagons streamed along the roads in a never ending try at night for miles in all directions Just at dusk Tuesday night Fortner and was warmly welcomed. fome in the Rockeastle mountains with "There are such countless hosts of the Con-Union army in the previous spring, and ederaces," Rachel said to him after the first conto Chattaploga, to assist her nephew, ther, in obtaining the required informagreetings were over, "that I quite despair of course took her first up a main street, which our men being able to do anything with was crowded with wagons, ambulances and them. It seems impossible that there can be artillery. Groups of men mingled with these, i jyhen Mitcheil's army advanted against t place in the summer. When the army gathered together anywhere else in the world as far back as Marfreesboro and there "I don't wonder ye think so, but bed to await the army's return, which been whar I wuz to-day ye'd think thet all was confident would not be long delayed. the world wuz marchin' round in blue uni-

forms. Over heah hit seems ez ef all the cedays on the hills had suddintly turned into Confederate soldiers. Three miles from healt the bluecoats are swarmin' thickerin bees in a field o' buckwheat." Three miles from here! Is our army Hat my plain Buty, oz I seed hit. I've done by been taken from me afore they had a crowd o' men an' guns an' hosses that ever fromped down the grass of this dre airth. ye begin in journeyin's often, in perils of rob-Why, hit jest dazed my eyes ter look at 'em. Come for this other winder. D'ye see thet furtherest line o' camp fires, 'way on yander repriness an painfulness, in watchings hill! Well, them's Union. Ef ye could see at her presence there at that how. often, in hunger an' thirst, in fastings often, a cold an' nala-duess, but he warns us not fur enuf ye'd seather're bout five miles long, an' they look partier'n the stars in heaven.' gin immediately, will it not?" "Hit ain't likely ter be put off very long, but thar's no tellin' what'll happen in war, or

er leave an 'arth on which I've been left be "When is my time to come and, an'go whar my husband an' son ar Thet's what I've come fur ter tell ve. She rose and paced the floor, with her face nent, we must do hit to-night, fur most like the battlell begin in the mornin'. Hit's not jest the way I intended ter make use of , but hit can't be helped now. I hev inmution that must reach Gineral Rosen-Fear of death | Child, why should I fear cans afore daybreak. The victily may de legi'd Why sighald I fear death, more than pend on hit. Ter make sure all on us must the rate in child fears birth! But are the start with hit, fur gittin through the lines is some medicine fur my sick manning, and I'm the ale in child fears birth! Both ard the now monty dangersome, an Isomebodyvhar they wait for me. Hit is not even ez mebbe several-is bound to git count, mebbe oblogged ter ye gentlement ye'd low me ter a journey for the next town-hit's only one little step through the curtain of green grass wass. The men I expected ter lelp me are all gone. I hain't nobody now but ye an' an violets on a sunny hillside—duly one little Aunt Debby. D'ye dar and try an' make yer way through the lines to-night? She turned abruptly, and going back Rachel thought a minute upon the dreadful possibilities of the venture, and then and clasping her knees with her hands, rocked Yes I dure, I will try anything that the

est of you will attempt, "Good. I knowed ye'd talk thet-a-way, Now we must waste no time in gittin' started, fur God on'y knows what diffikilties was a welcome prize to them. It was not we'll meet on the way, an' Rosengrans can't her the information enny too soon. Evry minute hit's kep' away from him'll cost many vallerable lives-mebbe help | defeat the that I may lose no time in undertaking it." "Well, heah's a plan of the position at sundown of the Confederates. Hit's drawed out moughty roughly, but hit'll show jest whar they all are, an about the number there is at each place. Hit begins on the right which is so savagely upon the mare's flank that the south of Stone river, with Breckinridge's men; then across the river is Withers, an' Cheatham, an' Cleburne, with McCown's | yards away before the rascals really com-

the division on the left, an' Wharton's cavalry on the flank. But the thing o' most importance is thet all day long they've been movin' men round ter ther left, ter fall on our right an' crush hit. They're hid in the cedar thickets over thar, an' they'll come out tomorrow mornin' like a million yellin' devils, an' try to sweep our right wing offen the face o' the arth. D'ye understand what I've tole ye?" "Yes, Breckenridge's division is on their right and south of Stone river. Withers, Cheatham and Cleburne come next, on the north of the river, with McCown's division and Wharton's cavalry on the left, as shown in the sketch, and they are moving heavy forces around to their left, with the evident itention of falling overwhelmingly on our right early in the morning." "Thet's hit. Thet's hit. But lay all the

stress ye kin on the movin' around ter ther left. Thar's mo' mischief in thet than all the rest. Say that thar's 20,000 men gwine round than this art moon an evening. Say thet than's the bigg st thundercloud o' danger that enny one ever seed. Say hit over an over. tell everybody understands but an' gits ready vherever they could find 'en. Than's been ter meet hit. Toll hit till ye've made ev'ry mistake about hit, an' they must look out fur heeps o' trouble on ther right. Tell hit ez ye and steed and rider rolled in the sweeping never tole anything afore in yer life. Tell hit flood of ice cold water. Rachers first thought ez ye'd pray God Almighty fur the life o' the was that she should surely drown, but hope one that ye love better than all the world became back as she caught a limb swinging side. An'y t that ter fell hit git thru the

Confederate lines-ef ye lave yer God an' yer

who are ter die ter-morrer make their deaths ount somethin' to'ard savin' this Union. Hit may be thet yore information'll save the army from defeat. Hit may be hit's most likely—thet hit'll save the lives of thousands of brave men who love ther lives even ez yolan' "Trust me to do all that a devoted woman can I will get through before daybreak or die in the attempt. But how am Eto got "Hide this paper somewhar. Aunt Debby'll fix ye up ez a country gal, while I'm gittin' yer mar saddled an' bridled with some common harness, instid o' the fancy fixin's ye hed when ye rode out healt. Ef ye're stopt, ez ye likely will be, say thet ye've been for town the door, Rachel came out with a "slat surplowed ground, in search of a stump or a bonnet" on her head, and a long, black canco rock. She thought she saw many around her,

Humor,

fur the doctor an' some medicine fur yer sick nammy an' are tryin' ter git back ter yer me on the south fork o' Overall's creek. Yow, go an' git ready ez quick ez the Lord'll. riding skirt over her linsey dress. Fortner gave her attire an approving hod. Aunt Debby followed her with a bottle. "This is of the gloomp rain—the gusty sighs of the the medicine ye've bin ter git from Dr. Thacker heah in town," she said, handing the vial. "Remember the name, fur fear ye mout meet some one who knows the town. Dr. Thacker, who lives a little piece offen the square, an' gives big doses of epecae fur said Rachel. "I'll be certain to reputer."
Take this, too," said Fortner, handing her n finely finished revolver, of rather large caliber. Don't pull hit onless ye can't git along without hit, an' then make sho o yer man. Salt him.

Piterature.

Good-by—God bless ye," said Aunt Debby, taking Rachel to her heart in a passionate embrace, and kissing her repeatedly. "God tiless ye ngin. No one ever hed more need of His blessin' then we'uns will fur the next few bours. Ef He does bless us an' our work we'll all be safe an' sound in Gineral Rosencrans' tent afore noon. But of His will's federates cease from troublin, and the weary me at rest. I'm sure that ef I that the Confelerates war gwine ter whip our men I'd where he could get a good view, and then

"That second line of fires which ye sectover thar is our Lacs-them fires I mean which Confederates. Ye'll go right out this road then ter yer right an' make fur the Stone iver, ford hit or swim your mar acros , an' make yer way thru or roundithe Confederate line. Ef ye find a good road, an' everything favorable ye mout try ter; make yer way. strait thru of ve think ye kin fool the gyards with yer story. Ef ye're fearful ye then ride beyond the lines an' come interours thet a-way. Aunt Debby'll gofter the other flank, an' try ter git a-past Breckinridge's pickets, an' I'll 'tempt ter make my way than the center. We may all or none o' us git thru. I can't gin ye much advice, ez ve Il hey for trust mainly ter verself. But emember all the time what hangs upon yer cittin' the news ter Rosy afore daybreak. Think all the time that mebbe ye kin save the dense darkness showed an opening between two cedar thickets that led to the picket free half a mile fivey. The mare's the hull army, mebbe win the victiry, surtinly save helps o' Union lives an' fool the pizen

ye'll ever hev ter do good in all yer life, or a the shallow soil and starvey out the cedar. hundred more, of ye could live 'em. Goodby. Ef Gol Almighty smiles on us we'll meet ter-morrer on you side o' Stone river. Ef He frowns we'll meet on you side of the pass heah." Shinin River. Good-by. Lenino pass, mister, she pleaded. He released her hand and her horse, and she rolle forward into the durkness. and crowded upon the sidewalks. When she passed the light of a window the men stared at her, and some few presumed upon her homely garb so far as to venture upon facetions and complimentary remarks, himed at securing a better acquaintance She made no reply tout jurried her mare onward, as fast as she could pick her way. She soon passed out of the limits of the town

and was in the country, though she was yet in the midst of camps, and still had to thread but shi hall gone far to the south, where the her way through masses of men, horses and two lines were wide apart. The Union fifes and drums, now sounding what seemed an vagous moving along the road. The dirst flutter of perturbation at going unsuspicious and cheerful reveille, were apout into the darkness and the midst of armed phiently at least a mile away. It was grow-ing lighter rapidly, and overy passing momen had given way to a more composed feeling. No one had stopped her, or offered to, pent was fraught with the weightiest urinuc until she had made her way to the Union lines. She had left the thick of the crowd behind some distance and was going along at a fair pace over a clear road, studying all the while the line of fives far to her right, in an attempt to discover a promising dark gno in their extent. ir had no horses attached. She was startled by a hand laid upon her idle and a voice saying:

Say, Sis, who mout ye be an' whar e be a-mosyin' ter this time o' nights" She saw a squad of brigandish looking Her warning came too late. Too late, also, ragglers at her mare's head. "My name's Polly Briggs. I live on the outh fork o' Overall's creek. I'va done been ter Dr. Thacker's in Murfreeshoro, fur on my way buck home | an' I'd be much nclied saw tile men in front of her leave their diren making, rush to the musket stacks, ize their gios and take their places in line. in great hurry fur her medicine." another minute they were ordered forward She said this with a coolness and a perfect to the fence in front of them, upon which they imitation of the speech and manner of the section that surprised herself. As she ended rested their muskets. [Rhehel rode through their line had turned abound to look. The she looked directly at the squad, and inspected rold cotton field was govered with solid them. "Is it possible that it is you, Miss Bond?" left attracted her attention and she saw a long wave of horsemen ride out of the woods "Yes, this is I, or as much as is left of me. sharp resistance, but at length fled befor And here," and his voice trembled, "is about overwhelming numbers. The teamsters, at all that is left of the regiment. The rest are the first sight of the formidable line, began ying about the roots of those accursed cedars, | cutting their wheel males loos and escaping upon them. Ruchel's tehinster followed their "And Harry Glen-where is he?" she said, example. rising hurrically from the boxes and passing skip," he shouted to her as he vanished up the The Confederates were shooting down the nules and such teamsters as remained. (Some smounted, and with the axes each wagon carried, chopped the spekes until the wagon fell, while others ran along and aparted fires in each. In a little while five landled wagons, loaded with rations, clothing, animum

tion and stores were blazing furiously. Their work done, the cavalry role off toward Nashville in search of other trains. Backel leaved from the wagon before the Confederates approached and took refuse behind a large tree, whence she saw her water share the fate of the rest. When the envalry lisappeared she came out again into the read and walked slowly up to, debating what she could do. She was rejoiced to meet her teamster returning. He dad viewed the orcurrence from a prudent distance, and, being help as soon as it could be done without risk. He told her that there was a wagon up the pike a little ways with a swoman in it, to. which he would conduct her, and they would go back to the agmy in front of Murfrees-

"It seems a case of 'twixt the devil and the deep sea," he said despairidely. "At any pate we can't stay out here; and my experience is that it is always safest where there is the big-They found the wagon with the woman in Rachel's friend assumed the reins, It was slow work making their way back through the confused mass, but Rachel was lucky enough to sleep through most of it. When she awoke the next morning the wagon was still on the pike, but in the equitor of the army, which filled all the op a space roundwork of the day before, and of preparations for renewing it. The soldiers, utterly exhausted by the previous day's frightful strain, in a half waking torpor.

lay around on the maked ground sleeping or An officer rode up to the wagon. "There cems to be some flour on this wagon," said the voice of Dr. Denslow, "Well, that may stay the boys's tomacle until we can get symething better, with on a little ways, driver. "O, Doctor Denslow," called out Rachel, as the wagon stopped again, "what is the You here again f' said the doctor, recognizing the voice; "well, that is good news. When I heard about. Wheeler's raid on our trains I was terribly alarmed as to your fate This relieves me much! "But how about the army "Well, it seems to have been a case of nammer and anvil Vestorday, in which both much the worst of it. We are in good shape

now to give them some more, if they want it which so far they have not indicated very strongly. Here, Sergt, Glen, is a chuple of barrels of flour, which you can take to issue out to your regiment." Had not the name been called Enchel could never have recognized her former elegant lover in the stalwart man with tattered uniform, swollen face, and head wrapped in a bloody bandage, who came to the wagon with a squad to receive the flour. A tumult of emotions swept over her, but aperior to them all was the feminine feeling that she could not opiure to have Harry see her in her present unpropossessing plight, men," she said to Dr. Denslow, when he came near again.

"Very good," he answered. "Sit still in the wagon and nobody will see you. I will have the wagon drive over to the hospital presently, with the remainder of the flour. and you can go along." compound interest, from the increment that wagon cover and looked out. The barrel heads had been beaten in with stones, and a large cupful of flour issued to each of the hungry men. They had mix'l it up into "I don't want no better place to die than | dough with water from the ditch, and were right here!" echoed Abe, still more savagely | baking it before the live on large that stones, this board," she heard Harry say to Abe and Kent. | "With your game arm, Kent, and A' e's battered eyes your cooking skill's about

gone. You ought to both of you go to the hospital. You can't do any good, and why. expose yourself for nothing! I've a mind to use my authority as temporary commander of the regiment and send you to the hospital under guard." "You try it if you dare, after my saving your life yesterday," said Abe. "I can see well enough yet to shoot toward the Confederates, and that's all that's necessary." "I enlisted for the war," said Kent, and I'm going to stay till peace is declared. I I'll ever let up on him."

went into this fight to see it through, and I'm going to stay till we whip them if there's a piece of me left that can wiggle. Bragg's got to acknowledge that I'm the best man before Rachel longed to leap out of the wagon, and do the bread making for these clumsy fellows, but pride would not consent. The douch was browning slowly on the hot stones, but not yet nearly done, when the spiteful spirts of firing out in front suddenly burst into a roay, with a crash of artillery. A bugle sounded near.
"Full in, boys," shouted Harry, springing to his feed and tearing off the flakes of dough, which he limstily-divided with his comrades. "Right dress. Right fave, forward, file right -march!" "If there is anything that I despise, it's disturbing a gentleman at his meals," said Kent, giving the fire a spiteful kick, as he tucked the bread under his lame arm, took his mus et in his other hand and started off in the rear of the regiment, accommanied by the

AVERY'S, No. 9 Cherry St.

National Democrat. cabin on a high bank of Stone river, which he was using as a hospital. RAHWAY, N. J., JANUARY 14th, 1887. She called some question to him, as he turned away to direct the preparation of the flour into food for his patients, when some one cried out from the interior of the cabin: PHUNNY GRAPHS. "Rachel Hond! Is that you Come in SPELLING "KISS." She entered, and found Aunt Debby lying BY HORACE S. KELLER. on the rude bed of the former inhabitants of the cabin. "O, my love—my darling—my loney, is this you? said the elderly woman, with streaming eyes, reaching out he thin mims to take Rachel to her heart. "I never expected ter "Spell kiss," she said! Ab, roguish elf, Her lips were red, And I myself see ye ag'in! But God is good."

"Aunt Debby, is it possible! Are you hurt, Was over head and heels In love befored knew It. "A 'K.' I said, for keeps,"-"No, not hurt, child; only killed," she To those appeals answered with a sweet radiance on her face. Of flashing eyes "Killed! It is not possible." - I feared, alas! I'd rue it "Yes, honey, it is possible. It is true. The gates open for me at last." "Then 'I' comes next," (How my heart leaps !) "How did it happen?" She pouted, vexed. "I got through Breckinridge's lines all right And said, "How slow you lo it." an' reached the river, but thar was a picke "A double 's'."—the task is done thar, hid behind a tree, and ez he beered in To my surprise hose's feet splash in the ford, he shot n A kiss I won; through the back. An' I didn't get through Next followed "yes." in time," she added, with the flist shade of Such spelling's fun! melancholy that had yet appeared in her face. -St. Louis "Did vow?" "No, I was too late, too." Doubtless this blessed climate means "An' Jim must've been, too. well, but it hasn't any tact. + Boston him anywhar!" There is an abundance of mistletoe HATS! HATS! in market and lips are ripening finely. said Aunt Debby, pulling the young face down to where she could kiss it. "Hit's jest ez I want hit.
