With their Grand Carnival of Wonders I A Talk With

We want to talk to you very briefly about our Overcoats, a ways an importtant, almost a vital subject at this season of the year. Four months our forces have been largely directed to the manufacture of these garments and our success has been prodigious. We call it success to be able to sell a better Overcoat for less money than can others. Don't you! We can only give short descriptions and prices, these will have to do until you see the goods.

Men's Overcoats. \$5 Blue and Black Chinchillas; \$6 Brown Mixed Cassimeres; \$8 Brown and Oxford Mixed Diagonals. Also same goods in different grades at \$10, 12, 13, 45, 18, \$20,

Boys, Overcoats. \$4 Brown Mixed Cassimeres; \$5 Brown and Gray Diagonals; \$6 Brown Mixed Diagonals; also \$7, 8, 9, 10, 11, \$12, &c., for higher grades. Ohildren's Overcoats. \$2.50 Brown Check Cassimeres; \$3.00 Six different styles of Union Cassimeres; \$3.50 Gray Diagonals; \$4 Brown Diagonals and Checks.

After all, this gives you but a very imperfect idea of what we can do for you, because in all departments of Suits as well as Overcoats, for all shapes, sizes and prices, our stock is complete. NEWARKOLONALIERS,

HAVE TO SAY ABOUT CLOTHING!

Since our REMOVAL to our NEW BUILDING we have

been busy preparing an entire NEW STOCK of THE BT

SHAPED and FINEST FINISHED GARMENTS ever

shown to our customers; and to day we have an immense

stock, ALL NEW, STYLISH, HANDSOME, and VERY

LOW in price. Never was such a stock of ELEGANT GAR-

MENTS shown in the city, each a perfect copy of the most

expensive custom made work; and never before were such

low prices named for garments of equal style and durability.

It requires no expert to judge of the merits of our stock; for

even the most inexperienced at a glance will see their IM-

PROVED DRESS APPEARANCE when they try them on.

Think of the Finest Cassimero Pants, cut by special pat-

terns, marked in plain figures, at \$5, 5.50 and \$6 a Pair.

The new Cheviots and Shaded Striped Pants, now so

popular in custom trade, selling for \$3, 3.50 and \$4, or our

broken lots of Fine Pants Marked Down daily to close out

quick at \$2, 2.50 and \$3 a Pair. We are quoting prices

that can only be made under Low Expenses. We may not

be clearing large profits; but we are selling goods, and lots of

them, pleasing our old customers and making new ones,

simply by giving them Better Goods than they ever saw, All

Ready to Put On, and saving them all useless expenses like

the cost of shows in windows, circus wagons, signs on

fences, gifts, commissions or discounts to favored cus-

tomers or their friends. You can surely save from 20

to 25 per cent. on your FALL SUITS by coming direct

to us. We are finishing daily full lines in all the New Cuts,

complete for \$10 and \$12. The popular Gold Thread

Cheviots that merchant tailors are using, we get up very hand-

some, and sell at \$13 and \$15 for complete suits, and in

Dress Suits we have a complete department, stocked with

the very latest garments, where you can select a suit for \$15,

18 and \$20, for which a merchant tailor would surely charge

you twice as much and rarely give you such elegant garments.

Our New Overcoat Salesroom, on second floor, is now

open; and here you can find Montaignac Beavers, satin-

lined, for \$25: Elysians, in all the new shades, at \$22;

Kerseys, in solid and mixed colors, at \$18 and \$20;

Diagonal Velours, (new this season) at \$15 and \$16, and

All-Wool Chesterfield Overcoats, lined with cassimere, in

all the long cuts, at \$10 and \$12; besides a Hundred Stylish

and durable designs, in all shades, at \$7, 8 and \$9.

Remember, these garments are cut single by special

patterns drafted from actual measurement taken in

our custom department, kept on convenient racks, and

handed to you fresh from the hands of our tailors, free from

all creases, wrinkles, or any of the usually objectionable ready

made look. The materials from which Fine Clothing is

made were never as low as now, and as labor is only a trifle

higher you should buy your clothing from 20 to 30 per cent.

below the rates of former years; and this you can do if

you save all Intermediate Profits and Useless Expenses,

and come direct to the makers for it. Before ordering your

WINTER CLOTHING you should try on our New Gar-

ments. They are Custom Made in every detail. No tailor

uses Finer or Newer Fabrics, our Trimmings are the

same, and the Best Custom Tailors Work for us. Then,

how can the difference in the garments be told when worn from

the most expensive work? Besides, you can see just how the

goods Look When Made Up and have no trouble in waiting.

This is where we are pushing our "fine city trade," a Really

Handsome, Correct Cut Garment, Finished, with all

Custom Extras, ALL READY TO PUT ON.

It is a fact well known to the public, and not disputed in the

trade, that our garments are extensively copied, but Never

Reproduced as we set Them Out. SEE THEM and

none of the ordinary styles will look right to you.
