Sunday trains leave Rahway for points on N.

Y, and Long Branch road—10.35 a. m., and come to ask for fire escapes on the mills.

K 49 n m For Elizabeth—2.49.5.85, 6.05, 6.84.6.54, 7.08.

If there should nappen to come a morning time, when the mills were full, the poor criton, and in the vicinity of Scott avenue, at rog- (.21, (.40, 1.51, 5.20, 8.23, 8.38, 9.08, 9.33, 10.07, 10.30) time, which the different special transfer out in the poor crite sale;

sale;

ters could git out." It was quite a long 9.40,10.25, 11.02,11.31 p.m. Sundays—2.49.7.42,8.30, ence, and he delivered it in the monotonous Yankee drawl which carries high tragedy or "There is no danger," he answered with a gruf laugh, "and in business we can't spend 10.25,1102 and 11.31 p. m. Sundays—2.49, 7.42, events. Fire escapes would be a piece of useless Bill Rogers fingered his pipe uneasily in 9.40, 10.25, 11.02 and 11.31 p.m. Sundays -2.40,7.42, finally drew it half out of his pocket through the significant silence that followed, and (8.30, 9.23, 9.33, 9.58, 10.86 and 10.40 a. m., force of habit in distress. Then he found his Jersey City with boats of "Brooklyn Annex," poor devils down again. The last cut seemed "Yer journ, squire; yer wouldn't cut us affording direct transfer to and from Fulton as if it would kill us, till we found how little it takes to keep soul and body together if a 6.30, 7.00, 7.20, 7.40, 8.00, 9.10, 9.20, 10.10, 11.10, squire, a dog has the best of some on us now; 12.00 a. m., 12.30, 1.00, 2.00, 2.30, 3.00, 3.40, 4.00 for folks let him steal." The tall man thrust back his pipe into the depths of his pocket, as he added solemnly: "I cal'late another cut might as well give us the least we can live on carelessly on the table.

> lstrator, it is ordered that said Administrator give public hotice to the Creditors of the estate of said decedent to bring n their debts, demands or claims against the same, under oath, within hine months from this date, by setting up a copy of this Order, within twenty days hereafter 1 and if any Creditorshall neglect to exhibit his given as aforesaid, such Creditor shall be forever barred of his or heraction thereforagainst the said Administrator. By dec 23-9w GEO. T. AR ROT. Sur rogate. GATE'S OFFICE. December 19th, 1887 Lorenz Hupsch, the Administrator of Genowita principles of political economy, but always lupsch, deceased, Surrogate's Order to Limit had some particular hardship of their own to urgo against its beautiful theories, as if what made the rich mere rich must not in some way help the beggars even that cringed at or claims against the same, under oath, within "Well. well. I don't mean to cut you again if you don't bother me too much. I have lost so much that I really can't afford another dollar of expense." He rang the bell

> twenty days, by advertising the same in the NATIONAL DEMOCRAT for the same space of time; and if any creditor shall neglect to exhibit his There was a gleam of sarcastic John Graves' black eves riod of nine months, public notice being given "But wouldn't it now be quite a loss to as aforesaid, such creditor shall be forever barburning a thousand such good cheap factory red of his or her action therfor against the said han's? I wouldn't thought you could afford that These fire 'scapes now"-"Show them out, Mary," interrupted Mr. I could find a thousand as good and as cheap, On application of the above named Executor thinking you had just as lief they would be hurned to death." expostulated Philip, flush-Nothing of the kind, sir, only that—but do you take sides with them? That is the last thing I expected, that my own son would take part against ma." Possibly the old gentleman was a little ashamed of having spoken quite as harshly to the workmen as he had. It would be repeated all about preditor shall be forever barred of his or her action therefor against the said Executor. By ian 18 9w. GEO. T. PARROT, Surrogate. town. And it was certainly incautious, but his very unensiness made him the more provoked at Philip's suggestion. "I presume

James H. Durand, the Executor of Eliza Fiecta - school No doubt you would like to put on Evans, deceased. Surrogate's Order to Limit the fire escapes out of the money your mother left you." He rang the bell violently "Yes I would," exclaimed Philip, his eves lighting up. "I will be very glad to pay for decedent to bring in their debts, demands or it all It seems unjust, somehow, to crowd that many against the same under oath, within nine claims against the same, under oath, within nine the men and girls into the mills as thick as months from this date, by setting up a copy of the men and girls into the mills as thick as town, go into their meeting, if there is the men and girls into the mills as thick as town, go into their meeting, if there is the case how, this order, within twenty have hereafter in five they can work, and not provide so but that of the most public places in the county of they all may be burned to"
Union, for two months, and also within the fuld happen to strike to-morrow, good gracous, Phil, it might knock my corporation scieme all to smithercens. Little mercy "But they are on the street by this. Jersey City, Northern New Jersey, Delaware & said period of nine months, public notice being old gentleman brought his fist down with a lackawanna, and New Jersey Central Railroads given as aforesaid, such creditor shall be forverbarred of his or her action therefor against | crash on the table. "Go after them if you have to chase them a mile. Bring them back. the said Executor. By Jan 18-9W GEO, T. PARROT, Surrogate jan 18-9W The little office clock ticked its loudest break the silence until the door opened to let hi and his father expected him to-GATE'S OFFICE—January 16th, 1828. in the returning committee. What could it | Frank's right, my boy; don't delay; I am William H. Brown, the Executor of Rebecca A. mean? Mr. Breton stood with his back Hougherty, deceased, surrogate's Order to Limturned to them drumming on the window pane, while Philip, pale and uncomfortable, tor, it is ordered that said Executor give

He glanced at the of the rule which perhaps works to rob some bis embrace. She tried to smile at him writing, and then was so angry at the sweet particular set of hands wholly without their glow about his heart that he tossed the letter fault. "But I have no duthority to change through her tears. "No, no, you must go!" Still he hesitated it, though it does seem hard; better see the till a strange eagerness came into the blue as he makes his way to the agent to be re-The maid had lingered with a woman's uneyes. "No, no, you must go,

As he went down the steps and out of the

eyes hung about his heart. Then he stopped

and looked about. She had closed the door,

but something white fluttered on the step. But the maid did not see, for the door was It was her handkerchief, with the perfume shut, what might have better suited her ideas she always used in its delicate folds. He carried it to his face—it was almost as if he touched her. He stood hesitating a moment the letter before Mary had finished her dis--a moment big with issues to them both gusted soliloquy. Then he reread it a dozen He remembered her tender words and the times and behaved generally in as foolish a rare caresses she had had for him; he forgot fashion as the most exacting sweetheart could have desired. But there were only three preted them. It was as if he had tasted of some priceless vintage of wine. He would return in an hour and taste again. Ah, he ; but will you call before 7 to-night? had waited patiently for the moment when this woman of stainless marble would turn But where was his sullen determination to flesh! And now his foolish heart counted never to see her again? Had he forgotten so all its hard lessons for nothing, but beat high soon that she had never leved him? Bu, he with triumph. "To-morrow." She underremembered that moment that to morrow stood him, then, but how modest and timid was the day she had promised to let him talk she was. To-morrow would be for them of marriage to her. There was a new flush both the brightest day of their lives. She on his face, which any woman might have was not startled at herself now, no wonder, will be on you," thought handsome now, and a new bright at the revelation of the depths of such a light in his eyes. Why, it was near 7 o'clock heart. She wanted a little time to calm herself; to get wonted to the new woman that "Bah!" It was his father who opened the door and came in, tearing a scrap of paper looked out of her eyes. He had made up his mind, and the moon between his fat fingers. went under a black cloud for anger. But it But Philip thrust his letter into his inside pocket, and then made sure it was safe, as if it were a precious ticket of admission Market hall was crowded, and Curran was "My dear Phil, if there ever was a man fool speaking at a pitch of impassioned cloquence enough to try and give the poor what they beyond anything Philip had ever heard. want, they would lead him the wildest kind "What overwhelms you is your own enerof a wild goose chase, I can tell you. You'll
