But too much blood has flowed already. The Church of Naples is in teers—she is weeping over the loss of so many of her children. I, therefore, beseech you, in the name of that authority with which I am invested to adjust your differences here; beseech you to leave your hatred on the altar of him who gave his blood to redeem from crime and to heal the sufferings of mankind. PACKAGES.

PACKAGE MAKES FIVE GALLONS, 25 CENTS.

This preparation has steadily grown in public favor during the past ten years, unti to-day it is used in every part of the United States and Canada, and a portion of the old world. Its popularity and wide-spread sales have induced many imitations to appear in the market. The manufacturers thereof, regardless of any merit their article may have, hope to share some of the success and profit on the reputation of Hires' Improved Root Beer Packages that we have so extensively advertised.

The tons of roots, barks and berries, which are collected in the season of their full development, that enter annually the composition of Hires' Improved Root Beer, have alone by their intrinsic valve given it national distinction and fame

mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity? If you have all, or any considerable number

of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden medical Discovery will subdue it if taken according to direct or later, induce a fatal termination.

cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both fiesh and strength. In malarial district, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Fierce's Golden Medical Discovery CURES ALL HUMORS from a common Blotch, or Eruption, to the worst Scrofula. Sult-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases chused by had blood are conquered by the powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Ecsema, Erysipolas, Boils, Carbuncies, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goftre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Br. Pierce's Golden Medical Discovery, and gold digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established. CONSUMPTION, which is Scrofula of the Lungs, is arrested and ctired by this remedy, if taken in the earlier stages of the disease. From its man-yelous power over this terribly fatal disease, when first offering this now world-famed remedf to the public. Dr. Pierce thought seriously of calling it his "Consumerion Cure," but abandoned that name as too restrictive for a thedicine which, from its wonderful combination of tonic, or strengthening, alterative or blood-cleansing, anti-billous, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for all Chronic Discesses of the

Liver, Blood, and Lungs. For Weak Lings, Spitting of Blood, Short-ness of Breath, Chronic Nasil Catarri, Broschitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.
