RAHWAY, N. J. Transacis a General Banking Business. Open

flie negroes, was an Ellwood, having been a ninor when she received a step father. The lane opened into a wide lawn, with a garden and yard and a path ran from the track to a side door. As he passed the front of the house—an old style, cross shaped mansion—Andros saw that rough bars were nailed over doors and windows, giving a very deested look. The back part was open and the begrowent to the doorway of a room between the parlor and kitchen. Now the heroine of the occasion stepped out on the porch, and by a simple nod and gesture, showed the sol-dier a seat by the door. Andres saluting, Spread thy wings to the sunshine of love! said, "No, miss, I am on duty. How can I serve you?" He spoke with studied coldness. Come, while our voices are blended in song,

Fly to our ark like the storm beaten dove Without confusion or change of color, the Fly to our ark on the wings of the dove; Speed o'er the far sounding billows of song, other said, "You are certainly welcome. sent to you because I wish to know if there Crowned with thine plive leaf gariand of love, Angel of Peace, thou hast waited too long. must be a guard here at the lane!" "N-no, ma'am, no must about it unless Brothers, we meet on this altar of thina you wish. May I ask why!" She thought a moment and finally said: "There is no objec-Breeze of the prairie and breath of the sea. tion to a guard, yet it might be unpleasant." Meadow and mountain, and forest and sea, The speaker was a type of fair haired, can-Sweet is the fragrance of myrtle and pine; did womanhood a winner of notice rather Sweeter the incense we offer to thee, by her manner than by physical beauty, with Brothers, once more, round this altar of thine. which, however, she was richly endowed. She was earnest, and inclined now to be confidential, and continued: "I regret you cannot rest yourself here (motioning to the broad seat); you soldiers seem to be always in mo-

Roll its long surge like the earth shaking main There were no white people in sight except-Swell the vast song till it mounts to the sky. ing the fragile young woman, but from windows and doors and the corners of houses and Angels of Bethlehem, echo the strain! OUTSIDE THE LINES sheds, the shining faces of the slaves peered out curiously. Andros was assured by this that no enemies lurked at hand or the negroes would be in hiding. He sat down and Miss Ellwood drew a chair in front as though to screen him from prying eyes, and said: "I beg a favor, and that of you personally. It is too trifling, too selfish a matter to take to your generals, busy with other cares." Such frankness was itself winning, and Andros answered: "I shall serve you if I can

and do my duty." "You can be true to duty." she said. " have a friend, a near friend, in your army whom I wish to have come here, to-night, if possible, or the next night, and, it may be fterward." Andres arese, pervously, but the other, not noticing his mood, continued: "There is a lower border of Pennsyl, family secret at the bottom of this and I can vania there are two graves, go no farther now; but I can summon him strangely connected, that through our people, if you will direct them through our people, if you will direct them are visited each Decoration to his camp, and let him come and go-yes day by a Grand Army comyou shall come with him if that will answer with a history. burg campaign and followed their flying

SUNDAY-SCHOOL LESSON JESUS' FIRST TRIAL. LESSON IX, SECOND QUARTER, IN-TERNATIONAL SERIES, JUNE 2 fext of the Lesson, Mark xiv, 55, 65—Commit Verses 55, 56-Golden Text, John xv. 25-Commentary by the Rev. D. M. Compiled from Lesson Helper Quarterly by permission of H. S. Hoffman, publisher, Philadel. 55. "And the chief priests and all the council sought for witness against Jesus to put Him to death; and found none." After the arrest they bound Him and led Him away to Annas, the father-in-law of Caiaphas, the high priest, and if we accept the R. V. of John xviii, 24, it would seem that the conversation and smiting of Jesus recorded in John xviii, 19-23, took place before Annas, after which he sent Him bound to Caiaphas, where we now find Him in the presence of the priests and council who are seeking evidence

decide what make to get until you have investigated the claims that are made for the Estey Piano. The patent repeating action used in these pianos makes them superior to all others, but besides this there are many other improvements that are not found in other makes. The immense business now being dene in these pianos all over the world, and the surprising increase in the demand for them proves that there is something in their construction that is worthy of investigation. Write the catalogue, and mention this paper.
