The U.S. Senate last week confirmed the appointment of several New Jersey Postmasters made during the recess; among them H, B. R. I nach, of this city. -----

People who do not pay their grocery bills will be interested to know that some effective legislation may be secured against them this Winter in the Legislature. The Retail Merchants' Association is drafting a bill which includes every feature, from making the property of the wife amenable. to process of law for debts contracted by the husband for the necessaries of life, to posting the debtor us a "dead-beat" in every town in the State.

Benator McPherson has introduced a bil. appropriating \$10,000 to buy from Stepher Vail, of Morristown, the original telegraph instrument by which his father. Alfred Vail, sent the first message ever trans mitted over a telegraph wire; also a bi appropriating \$80,000 for a monuments
