These sayings evidently refer to what is recorded in this chapter from verses 18 to 27, including the testimony of Peter concerning Christ, Christ's own testimony concerning His approaching sufferings and death and resurrection, and tified that if any preferred their life in this world they would lose the world to come, but if willing to renounce this world for His sake they would receive and forever enjoy the glory of the kingdom of God. (Matt. iii, 17; Mark i, 11; Luke iii, 23). On a third occasion when Jesus prayed, "Father, glorify Thy name," the voice from Heaven said, "I have both glorified it and will glorify it again" (John xii, 28). So that we have Louisville, via Washington, without extra three distinct testimonies from the Father concerning His Son. We have also the Son's own testimony to this effect, "He that sent me is with mo: the Father hath not left me please Him" (John viii, 29). when you get off the horse car at 56 Mongomery Street, Jersey City, to see what a plain, every-day looking store I have. It isn't a furniture palace by any means. People who buy furniture at the furniture palaces of New York have to help pay for the palaces. That's where I beat them on prices. The same goods, mind you, precisely the same, the choicest goods made, and yet I can sell them cheaper than the New York stores can. Why, I have already sold furniture to some of

the best people of your town, and the reason I'm advertising is becase I want more of the same I sell to people who live in New York and Brooklyn and all the towns around, and just because I sell an honest article at a low price, and

Whether my house would have a rental value if I wish to put it on the market in that why. The net income from that property, if rented, should exceed by 1 or 2 per cent, the current rate of interest in the section of country in which the structure is erected.
