

NATIONAL DEMOCRAT. RAHWAY, N. J., NOV. 7th, 1890.

Look out Old Monmouth, Union is close on you this time!

The new law worked well in this city and every body seems pleased with it, especially the Democrats.

If we have children to refer to the election in any locality, in the tumult of arranging the matter for this issue, our readers can assume that it is Democratic anyway!

The Democrats of Rahway did a good work on Tuesday the workers of the different wards voting with each other to get out a full vote.

Thomas F. Lant, editor of the Summit Record, made a praiseworthy and successful canvass in the 2d District for Assemblyman, as his handsome majority shows.

We congratulate you "Tommy" and know that your brother editors will have a friend in you in the next House.

Dr. Howland's return to the State Senate again, which result is just as was intimated in our issue of Sept. 28th. The Dr. was last winter the champion of the scheme to print the laws in pamphlets to pile away in the state house cellar, instead of continuing to publish them in the newspapers where the people can read them.

The recent heretofore Democrats who boasted of what they were going to do for Rankin, especially in this city and Elizabeth, better now hide their diminished heads; the Democrats have no use for them, and certainly no more honors or emoluments to bestow upon them, and we don't believe the Republicans will give a very high appreciation of their services.

In some cases, at least, the hoodie they received was devoted to betting, and found its way into political Democratic pockets. Any Democrat who could oppose a candidate of his party for Governor in an assemblyman in this contest, in face of the important party laws, can never again expect to gain the confidence of that party.

WE STRUCK IT RIGHT! Last week the New York Herald sent out a request to some of the New Jersey editors to give their opinions as to the result of the election in their respective localities, and in the state generally.

THE DEATH KNELL OF REPUBLICANISM! The Unseating of Senator McDonald Rebuked! Stuhr was Stuhred Out of the Seat Stolen from McDonald!

UNION COUNTY SURPRISES ALL! THE GREAT GOLIATH LAID LOW! 1500 Majority for the Popular Fred. C. Marsh!

JULIANN DEMOCRATS. The services of the Rahway Circuit Court were secured by the Democrats Wednesday evening, and a large crowd gathered around the headquarters on Cherry street, where a procession was formed and marched through the principal streets with drums, flags, banners, etc., and illuminations, bonfires, colored lights, etc., with cheers all along the route.

Over 1500 Majority for Sheriff Hicks! He Didn't Get the Boasted 350 Majority in Rahway! Two Democratic Assemblymen for Union!

Alford B. Cook Makes a Gallant Fight in the 3rd District and Cuts the Republican Majority of last year in two! A LONESOME KYTE! The Democracy Harmonious Throughout the County!

Oh! Ye Scribes and Hypocrites! WHAT A HIGH MORAL GROWD! The victory of the Democracy was so overwhelming in the elections throughout the county on Tuesday that we scarcely know where to begin to relate them; and our enthusiastic friends have kept us so busy with greeting their calls that we have not had time to "write up" the returns. The result is a perfect revolution all over the United States, and of the heretofore strong Republican States having fallen into the Democratic line by the election of Democratic Governors, delegations to Congress and State Legislatures.

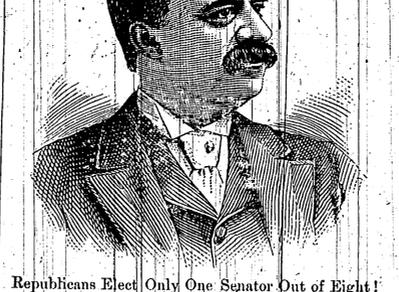

The result in our own state and county surprises the most sanguine Democrat.

VICTORY ALL AROUND! TOO FULL FOR UTTERANCE! DEMOCRACY MAKES A CLEAN SWEEP! A Perfect Revolution! TOO MUCH PROTECTIVE TARIFF! A BIG DEMOCRATIC MAJORITY IN THE NEXT CONGRESS!

NEW JERSEY AT THE FRONT! Five of the Seven Congressmen Democrats!

Congressman Geisenhainer Re-elected by 4,500 Majority!

Republicans Elect Only One Senator Out of Eight! Both Branches of the Legislature Democratic by Large Majorities!

THE GREAT GOLIATH LAID LOW! 1500 Majority for the Popular Fred. C. Marsh!

Over 1500 Majority for Sheriff Hicks! He Didn't Get the Boasted 350 Majority in Rahway! Two Democratic Assemblymen for Union!

of it back to the people of Hudson county. It should be the first act of the next Session.

Third Assembly District. For Assembly in the 1st district Carroll, Dem. 1,100 plurality over Robinson, Rep. For Assembly in the 2d district Lane, Dem. 488 plurality over Muller, Rep.

Below we give a synopsis of the general results, together with what figures have been able to compile:

Russell, Democrat, elected Governor of Massachusetts by 8,000 to 10,000 majority. Democrat gain Governor and Legislature in New Hampshire.

McKinley of tariff bill re-elected for Congress in Ohio. New Assembly: Democratic Governor and three out of four Congressmen in Connecticut.

Democratic gains in West Virginia. Democratic Governor in Delaware, and gain in the Legislature. Large Democratic majority in South Carolina.

Solid Democratic delegations from Louisiana and Virginia. Indiana Democratic gains by 7,000 to 10,000. Probably a solid delegation to Congress from Missouri.

"Bad Boy" Peck, Democrat, elected Governor of Wisconsin, with gains in the Legislature. The Republicans probably retain Nevada, Iowa and Washington by great majorities.

Major Grant was re-elected in New York City by nearly 50,000 majority, with a Democratic majority in the Legislature. The result in the state can be briefly shown by the following list of Congressmen, Senators and Assemblymen elected:

First District—Christopher A. Bergen, Rep. Second District—James Buchanan, Rep. Third District—J. A. Geisenhainer, Rep.

Fourth District—Samuel Fowler, Dem. Fifth District—Cornelius A. Cadmus, Dem. Sixth District—Thomas Dunn Gorman, Dem.

RAHWAY, N. J., NOV. 17, 1890.

FRUNNY GRAPHS

By Tho. Bea. Nigles are cutly...

There are those reasons to be sure...

The man who holds the axe can never know...

The man who gets no credit has the satisfaction of boasting...

African travelers say there is no animal that can be so easily shot as the spoor...

The practical joke may never become obsolete...

Chicago has a female engineer...

A bugologist claims to have discovered an insect that can count...

Puffin-Why does the avoirdupois system have no scruples?

The politician who cultivates a faculty for remembering names and faces will succeed better...

Henry-Have you a standing account at Bristol's?

George-No; it's a running one. Wonder comes (Trusten) now. Good-bye.

There is a man, said one department clerk to another...

Yes-that is, I was fool enough to marry her, and she where she comes. Here I am darning.

There is no song that appeals with more tantalizing force to the feelings than that beautiful ballad entitled 'The Me-Tremas'...

No, sh! I excitedly exclaimed a flannel department...

Miss Fannie-If you don't quite hug me, I'll call you...

Miss Fannie-Don't do that, your father might hear you.

Miss Fannie-Great heavens! How stupid of me! I forgot all about him.

The Board of a Jersey City church recently notified a woman that her two daughters distributed the congregation during service by chewing gum and smoking their lips.

Well Qualified-Old Lady-My dear to you really think you are fit to be come a minister's wife?

Engaged-William-You're kidding me. Yes, indeed. I don't mind being talked about at all. I've got the energy of a buffalo bull and the hide of a rhinoceros.

Jennie-Charlie, won't you write something in my album? Charlie-Certainly, here's a branch pen. How's that? (Woman is the Sunday man.) Jennie-Quite good-but (shyly) I wouldn't write it in that way. Charlie-How would you write it in that way? (Woman is the Sunday man.) Jennie-How's that? Charlie-How's that? Jennie-How's that? Charlie-How's that?

She-And you are the only man I love my heart for.

He-I am not good enough for you. She-Please don't say that. I am full of those words.

He-Why, I never used them before. She-Not now? (Yanked blade.)

In Hard Luck-Blinkin-What's the matter, Wilkin? Wilkin-Matter no-thing. You know some time ago I assigned all my property to my wife, to keep it out of the hands of other people I've now know it.
