POETRY. the rarest in the famous cellar had been brought to welcome the heir to his home Since She Went Home. Madame, touched with the rejuvena-Since she went home—
The evening shadows longer linger here,
The winter days fill so much of the year. And ever summer winds are chill and irear Since she went home. Since she went home-The robin's note has touched a minor strain. The old glad songs breathe but a sad refrain And laughter sobs with hidden bitter pain.
Since she went home. Latour at length said:

Since she went home—
How still the empty rooms her presence blessed
Untouched the pillow that her dear hen My lonely heart hath nowhere for its rest maman—to my brother!" The long days have crept away like years, The sunlight has been dimmed with doubt to him." And the dark nights have rained in lonely raised his.

Vers blank, it books had not evoked their ghosts, And kept the pale emb From fleshless lips. Darkness before, all joy behind! Who reads with back against the light!

A CHARACTER STUDY IN THREE PARTS.

By T. O. DE LEON. Author of "Four Years in Rebel Capitals," "Juny," "Cross Purposes." DEDICATED TO THE HON, HENRY WAT-TERSON, IN MEMORY OF SCHOOLBOY DAYS, STILL UNFORGOTTEN, ASSOUR SHADOWS New Orleans busy by early dawn. LENGTHEN TOWARD THE SUNSET.] Copyright by I. B Lippincott Company, and published by special arrangement with them.

head erect, the color mantling in her cheeks and her eyes flashing toward the portiere of the back room, as ever and again she paused to listen. At last a light step flew across the hall, the por-tiere was brushed aside and Adrien— still the Pierrot in all save mask and cape—folded her in his arms "Maman!" "ARlrien!" Only two little words; but they blend-

ed with a lavish love and tenderness that old the whole long story of waiting-of suspense of perfect joy! At length she released her er race, holding him off at arms' length with hands pressed against his cheeks, and eager, loving gaze searching for every thought behind the deep tender eyes. "At last!" she whispered "Ah, my boy, it has been so long!" "And to me, maman! Figure to yourself how time must have dragged for the exile, far from the home he loves, and that home the prey of the stranger "
"But thou, Adrien, wert busy; hand and brain and heart were occupied; while I, with nothing to do but thinkand long for thee! Ah! but this meeting pays for all! Come, my child, sit

hood. Rapidly he ran over the details stranger had ridden in and tried the his head, their leader had made the river jumps. by a forced night ride and crossed just "I refused him?" the man added. "till n time to elude capture. he showed me a permit from Gen. Sheri "And to what end?" he ended, fising dan, as the American entry." nd pacing the floor. "I escape enemies No one had heard even a hint of such here to meet others here worse ones an entry; but the opinion of all because of my own race! If I am recogvoiced by Antoine Lamotte. Plucky, rather, he said in French nized I will be a prisoner, for I will never take their parole." But, poor devil! he'll wish himself at "So I have just told him—your friend, Bull Run again when Chivrac show Dale Everett," madame answered; and him the heels of that magnificent stal she detailed the latter's visit, and did lion L'Empereur!" justice to his warm words for his friend Did he give his name at "Dear old Dale! Ever true as steel!" isked Mr. Beniston of the club. dirien said feelingly. "Clemence told No. sir. He was a young un-a ne he was here, but I could not guess enant, I should say from his age. I got the reason of his visit. Is he not a grand into the judges' stand with my glass, fellow, maman? I could not resist riskbut it was too hazy to tell much about ing a look at him there—perhaps for the his chances." last time. And again, just as I came 'He has no showing, Beniston," Judge here, this hideous disguise almost crazed Landry said. his mare. Ah! had I only known as I None in the world; he enters too donow I might have made myself known. late," was the donfident answer. I should never have doubted but these virac must beat him." times make one doubt even himself "It is perhaps not treason to say But years and the bitterness of war have shall not be bitterly disappointed if he dol" put in Lamotte. "Nor I." Beniston added.

GENTLEMEN I beg leave to notify your many delicious ones that glorify late winter in the gulf region. The soft, fleecy haze over sunrise was nature's pledge that noon would be clear, but not too warm. The gulf breeze crept lazily up the river loaded with pilfered sweets of the orange and early jasmines, fanning away reminders from those stagnant ditches which make sewerage a satire in the Crescent city.

I many delicious ones that glorify late winter stretch; the bookmakers stopped short, and the maskers jerked off their false faces to see better. Every eye was turned toward the stable gates, through which emerged a group of riders, goodly to see as they pranced down the stretch. Count de Chavirac kept well in hand a magnificent blood bay, tall and long to the county of the plan and written specification of the construction of a certain waste gate. dence, \$6. nant ditches which make sewerage a satire in the Crescent city.

At the early restaurants, about hotel lobbies, in the chaffer with intolerant cabmen—eyen among the working girls hurrying to early tasks—the race was the absorbing topic of talk.

It was a semi-military affair, being under the patronage of the commanding at general, though not in his official capacity. A noted horseman himself, and pacity. A noted horseman himself, and pacity and pacity of plain himself, and pacity and pacity and pacity of plain himself, and pacity and p field, and Messrs. G. 'W. > RESOLUTIONS. By Freeholder Trahon Whereas. It has come to the knowledge of this Board that a bill has passed bo branches of the Legislature and is nov in the hands of the Governor which largely increases the salary of the presiding judge of the county, and, where as, for many years, when the volume of business was greater, the idsition was filled at a salary of \$2,500, which was considered ample Resolved. That a committee phointed to wait upon the Governor and equest him to defeat the bill, as in un ecessay and unwarrated increase of pub On motion of Freeholder Roll adopte

The director named as the committee Freeholders Trahon. Jones. Wright. By Freeholder Trahon Vuereas. A bill has been presented in the Legislature of this State (Assembly No. 312) to repeal entirely the wharf act of 1851, which gives to the boards of cho. sen freeholders of this State the author ity to grant to shore owners licenses to build wharves on the waters in front of their properties. Resolved, That this Board respectfully rotests against passage of said act. There are frequent instances where the enercise of the authority now held by the Board

s the means of bringing enterprise and improvement to the State which other vise would not be secured. The repeal f this act would establish as the only means of improving shore, front, a more ceived and is the most attractive number expensive mode of procedure and a con of this original and striking journal that sequent stoppage in this county of this we have yet seen. A brilliant feature, kind of development, simply produce worthy of special mention, is the Art Supstagnation in the business of improving plement, an aquarelle portrait of Sitting our shore fronts. The high charges already Bull in seven colors, showing the great made by the State for this privilege have medicine man of the Sioux in full cosinterfered with this form of growth and tume. The stories poems, scientific and when increased, as would naturally be descriptive articles in this number are the case if this repealer should pass, would more than usually attractive, and are the competition of other locations outside; at listic illustrations. A copy of this spebe called to this measure, and they be re-

quested to use all honorable means to prevent its passage. adopted unanimously. had long been a division in feeling, the Public building - New York and New tribe of Judah and some fractions of other the nation occasionally breaking away did this spirit produce dangerous or bloody the tribes till the heir of Saul, Ishbosheth. had been assassinated. Twice during that of Judah were greatly favored at the court tribes smoldered all through the forty we see in many of their utterances. Against the dark background of war and apostacy Elisha, heroes and patriots, almost martyrs, yet miraculously sustained and preserved, struggling, mightily but in vain to bring back a deluded people to their duty to God and their native land. As the northern kingdom began its career under Jeroboam by systematically excluding the Mosaic institutions, so its downward career was most rapid. Idol-

methods; conspiracy, revolt and regicide under the dynasty of Jehu (who was anointed by Elisha) there was a show of order during the reigns of Jehoahaz, Joash, Jeroboam II and Zachariah; but the latter was murdered a month later by Menahem whose son Pekahiah was slain by Pekah. who was in turn assassinated by Hoshea were taken into captivity, and so disappeared from history. Many fanciful accounts of them have appeared, and many learned men, whose learning was not tempered with judgment, have maintained extravagant theories concerning "The Lost Northern Michigan, Iowa, Minnesota, Tribes," but there is every reason to be-Missouri, South Dakota and North lieve that they were never reunited. Their idolatry and neglect of the Mosaic law would naturally cause them to be absorbed First-Class People patronize First than and lost as a race in the nations among whom they settled The history of the other kingdom, con

monly called Judah, is far more important and interesting; for it continued a kingdom till 588 B. C., was partially restored erate struggle for nationality for nearly ive centuries longer. Nor was the Jewish. community completely broken up and the when the last insurrection under Bar-Cokheba was suppressed in frightful massicres, after which the Jews were forbidden to enter Jerusalem under penalty of death. and the dispersion was complete. Nevertheless it is Judah that has preserved the main a people apart among all nations to this day. It is fitting to cite here a few facts as to that portion of Jewish history between the close of the Old Testament and opening of

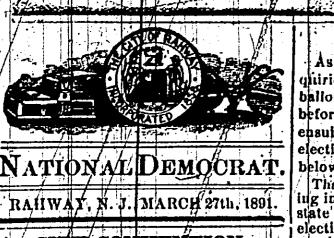

the New. Cyrus decreed the return of the. Jews, but of the whole dispersion certainly not more than a third, and some think ho more than a fifth, came back, and these completed the new temple about 576 B. C. Ezra somewhat later brought a colony from beyond the Euphrates, and Nehemiah another in 445 B.C. There was a long \$200 offered by the Cosmopolitan for? the peace, during which the sacred books were completed, and the canon of the Hebrew farm life, with suggestions as to the best | Scriptures made up. Nor was this peace broken till Alexander the Great conquered Palestine remained a Greek province. though under various rulers, for a century and a half; all the educated people read and to some extent spoke Greek, and the Scriptures were translated into that tongue (the Septuagint). In 170-160 B. C. the land became again independent under the Maccabees, but a century later a horrible civil war resulted in an appeal to the Romans, who took the country. The lessons just closed, the careers of Elijah and Elisha, cover the first stages o this dreadful history, and it may with reverence be said that they deserve the study of those who would be statesmen almost as much as that of those who would be enlightened Christians. In these chapters is portrayed God's method in dealing with an apostate and decaying nation. The moral is set forth in Scripture lan-
