John J. Sprowle and Lawko was absent tribution of printed material via the student body was or the agenda but was not moved. Mr. Higgins' motion-replaced the motion included on the agends for the meeting. The motion on the agenda read as follows: 'Motion to establish a policy to restrict the distribution of any printed matter-or-materials-via the student body, which is not directly related to the Rahway school program, unleas prior approval for such distribution has been granted

L. Keefe. Opposed were Dr.

by the superintendent o The new policy was instituted because of a bulletin given to Roosevelt School pupils by Mrs. John Bugay of 305 Elm Avenue, presiden of school's Parent-Teacher Association. The bulletin concerned the National School Boards Associations' list o qualifications for school board membership. A letter from Mrs. Joseph Scardaville of 390 Jenser Avenue who expressed opposition to the bulletin, was on the board's agenda for the meeting. The board referred her letter to the committee of the whole. Mrs. Bugay stated at th meeting that she had the National School Boards As-

sociation list of qualifications sent to the parents bewas important to the PTA membership. Mrs. Hugay said she was sorry a mistake had been made and that it had caused embarrassment. She added that she felt her action was "in the best interests of all" and that she was "not trying to hurt anyone. It was stated during the discussion that the PTA president had arranged for the distribution of the bulletin without con-

sulting the PTA executive board or membership. The distribution was approved by Eugene Warga, school prin cipal, it was stated. Mrs. Scardaville in he: letter said she believes the bulletin's content was de signed to favor three candidates for the board. Eric Beckhusen, Mrs. Elizabeth Davis and Harry McDowell Mrs. Scardaville quoted similarities between the bulletin and a campaign-statementby the three candidates. Dr. Sprowls stated that

RAY'S CORNER (Continued from Page 8) to come to this city in a major sport, except track. The Rahway school system should be able to compete on the same level with other member schools of the Watchung Conference, But in recent years, we have not. It is about time the Board of Education started to look for top coaches for the varsity teams or we should withdraw from the Watchung Conference.

Rahway always was "big league" in sports. Why not return to the good old days with good school spirit and community spirit in athletic competition. On Sunday afternoon the lege, was seriously injured New Jersey Sports Writers in an auto - bicycle accident Association will honor New last October. into synthetic natural gas.

The "energy burst" and our new slogan, "The Energy People," reflect Public Service Electric and Gas Company's responsiveness to the new challenges of today and the future. More than fifteen thousand PSE&G people are working diligently to provide even better facilities and serv ices to power New Jersey's growth. **Nuclear Power** 

way on our new two-million kilowatt Salem nuclear generating station, which will produce clean, safe, economical electric power for our customers. Two more nuclear stations are in the planning

stage, one of them offshore in the Atlantic Ocean. This electric power is vital to the Garden State's contin--ued growth. More than five million people live in our service area, and most of America's leading corpora

tions have facilities here.

The Energy People are **Environment People Too** We're doing a lot about the environment, too. We've converted conventional generating plants to low-sulfur oil or natural gas. High-voltage transmission lines are being installed on low-profile towers, preserving trees and other natural features as much as possible. Our facilities are being designed to blend in with their surroundings. As we continue our plans for progress in 1972, we intend to prove that our new look is backed up with solid
