Central Avenue, secretary of the—Rahway—Citizens—for-Flood Control, suggested that the Council have the city engineer present at meetings where engineering a \$145,000 appropriation to complete the preliminary study of the Rahway River basin's flood control needs. Mrs. Dwyer revealed that she has been cooperating

with the Administration, the House of Representatives and Senate Appropriations Committees, and Senator Clifford P. Case of Rahway to obtain the money for the study. She said that if she is successful, a full year would -reach the goal-flood control. This year's Public Works ppropriations Bill includes \$ 000 for the Rahway River asin study, Mrs. Dwyer said. he called the amount olddling" and added that she has been endeavoring to obtain an additional \$140. 000. She noted that the Rahway River basin has had three major floods since Mrs. Dwyer commented "Somehow we've got to speed

up the process of studying,

planning and constructing flood control projects, not

only in terms of the Corps

of Engineers' responsibili
