The National Women's Trade Union League in Convention (1913) adopted unanimously the following resolution:

WHEREAS, The most costly production of any nation, and its most valuable asset, is its output of men and women and the industrial conditions under which over 6,000,000 girls and women are forced to work are an individual and social

WHEREAS: Working women as an unenfranchised class are continually used to lower the wage standards of men and, as, during the recent uplifting of working women to better their economic conditions it has been conclusively demonstrated that the political powers of the employers are persistently used so as to defeat the organized efforts of the unenfranchised class and

WHEREAS, A group of women of leisure, who by accident of birth have led sheltered and protected lives and know nothing of the dangers and hardships confronting the working women, and who never through experience have had to face the misery that low wages and long hours produce, are carrying on an active campaign of propaganda to defeat the efforts of working women to obtain this essential instrument of their industrial freedom and.

WHEREAS, Every thinking working woman realizes her individual and social responsibility toward controlling these conditions for herself, her fellow workers and the coming generation and wants the power the ballot will give her and her fellow workers therefore be it

RESOLVED, That the National Women's Trade Union League of America in Convention assembled, representing the organized-working women of America, hereby solemnly protest against the active opposition of these women of leisure, who persist in selfishly obstructing the efforts of the organized working women to obtain full citizenship, thereby making the struggle for the protection of the working people's homes immeasurably: more difficult; and be it further

RESOLVED. That a copy of these resolutions be sent to all anti-suffrage headquarters, the press, the National American Woman Suffrage Association. The Woman's Journal and the International Suffage Alliance
