REPUBLICAN WOMEN'S A SIMPLE METHOD

FOR SAVING COAL

With his sign the "humanization of the decument" and its enlargement to include news of the "whole United States army, which includes the national guard and the reserve," Brig. Gen. Henry J. Reilly, Chicago, West Pointer, national guardsman and newspaperman, took over publication of the Army and Navy Journal with its issue of August 20. The editor, of before the war.

A SIMPLE METHOD

FOR SAVING COAL

In accordance with its policy of constructive, educational and politic all work, the New Jersey Women's Republican Club has published a Manual State Convention of the American Legion and its Ladies' Auxiliary, to be held here on September 15, 16 and 17. Were completed last night at a meetting of the convention committee of the State Department at the local Legion Home.

Chairman T. J. McEvoy called upon of their activities as sub-chair man of the various committees. Leo all Legionnaires and their friends.

its issue of August 20. The editor, of before the war. commander of "Reillys Bucks," Chi- For this reason, a simple saving caro war-time artillery regiment, has method will appeal to those who realbeen prominent in the American Lee, ize the truth of the old adage that "a Republican State Committee has edit. Millston, Wis.—"I want to give you a word of praise for your wonderful nedicine. We are fond of children, and for a confiderable time after medicine. We are fond of children, and for a considerable time after we were married I feared I would not have any. I began taking Lydia E. Pink-

Mrs. Janssen's experience of interest to childless wives.

Mrs. Held of Marinette, Wis., adds her testimonial for Lydia E. Pinkham's Vegetable Compound. She says:

Marinette, Wis .- "I was in a nervous condition and very irregular. My wishbule of the church and the fam is and friends were waiting when this is laid on, only the tips of the in our Government constitute a sufficient reason for the publication of ceived in response to invitations to uncertainty and leasely as likes and address of the church and the fam corrugations touch the pipe, and take shapes as the corrugations touch the pipe, and take shapes as the corrugations touch the pipe, and take shapes as the corrugations touch the publication of ceived in response to invitations to meet the convention and address the Conventi There are many, many such homes that were once childless, and are now blessed with healthy, happy children because Lydia E. Pinkham's Vegetable Compound has restored the mother to a strong and healthy condition, as it acts as a natural restorative for ailments as indicated by backache, irregulated and all the strong that the strong the strong that ities, displacements, weakness and nervousness.

Women everywhere should remember that most of the commoner ailments

so many apparently serious silments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative. It can be taken with perfect safety and often prevents serious troubles. Therefore if you know of any woman who is suffering and has been unable to secure relief and is regretfully looking forward to a childless old age, ask her to try Lydia E. Pinkham's Vegetable Compound, as it has brought health and happiness into so many homes once darkened by illness and despair Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write

Boilers steam up quickly. An even heat is maintained, for the fire is kept clear of ash and clinker. The exclusive square form of firepot allows the use of grate bars all of the same length. Ashes drop as freely at all sides as in the center. Cutter bar smashes clinkers. Like the firebox of an engine boiler, the firepot of the Doynton is square. The square bed of coal heats a greater radiating area and uses less coal Only Boynton-made boilers for domestic use have square firepots. Your dealer will tell w
