

### HOSPITAL GETS COOPERATION

**All Records Broken by City Wide Gifts Donation Day.**  
City-wide cooperation for the benefit of the Rahway Hospital was evident in reports presented at meeting of Woman's Auxiliary held Tuesday. That the recent Donation Day was even more successful than the most sanguine had anticipated was indicated in the remarkable report given by Mrs. C. N. Forrest, who had charge of this feature of the work. All records were broken by the generous response made by citizens in all sections.

The gifts included the following: 1,041 jars of jelly, 638 jars and cans of vegetables and fruits, 261 boxes of cereals, 56 pounds of flour, 10 pounds of rice, 25 pounds of sugar, two sacks of potatoes, one ham, one leg of lamb, two pounds of bacon, quantity of fresh vegetables, and checks and cash amounting to \$77.99. Many expressions of amazement and appreciation were expressed by the members of the auxiliary at this unprecedented showing.

In another column a card of thanks from the Woman's Auxiliary, Hospital Supt. Mrs. Anna H. Hines and Board of Governors will be found. The auxiliary tendered Mrs. Forrest a hearty vote of thanks for the efficient manner in which the Donation Day plans were carried out. Supt. Mrs. Hughes states that all jars will be held for those who desire to have them returned.

During the meeting it was reported that gifts had been received as follows: From Mrs. G. M. Friese, \$25; Collins Edgar, \$20; from anonymous

friend, \$100. Report from rummage sale showed that about \$200 will be cleared when all returns are made. Work done by linen committee Mrs. F. W. Kidd, chairman, in four meetings showed the following made: 79 operating towels, 11 drawer sheets, 51 large sheets, two operating pillow cases, two ordinary cases. The surgical dressings committee reported for five days' work that 2,244 sponges and 54 laparotomy pads had been made.

The weekly sewing meeting at the hospital will be omitted next Tuesday on account of Election Day. On the following Tuesday, Nov. 16, the hostesses will be Mrs. William S. Martin and Mrs. William Bliss. The hostesses last Tuesday were: Mrs. J. W. Ackley and Mrs. George McCready.

Plans for a Thanksgiving dinner for those at the hospital able to partake of same were left to Mrs. C. N. Forrest. Mrs. J. W. Ackley gave an excellent report for the House Committee.

There was a general discussion about payment of dues, which are

payable April 1 in advance. Six new members were received, including Mrs. Robert Langlois, Mrs. R. C. Rice, Mrs. W. F. McKown, Mrs. Charles Howe, Mrs. Victor Stephens and Mrs. Ralph Sullivan.

### BIRTHDAY CELEBRATED

In honor of her birthday anniversary Mrs. A. H. Gruener, of 76 Jacques avenue, pleasantly entertained the members of the Chrysanthemum Club Saturday afternoon. A fine collation together with music and various social diversions made time pass pleasantly. Mrs. Gruener received some pretty gifts together with hearty congratulations and best wishes. Those present were: Mrs. Julius Adler, Mrs. John Boerner, Mrs. Robert D. Uhler, Mrs. Annie Andelfinger, Mrs. George B. Cladek, Mrs. F. C. Hielms, Mrs. Louis Schneider, Mrs. William E. Schuber, Mrs. A. H. Gruener and the Misses Catherine and Margaret Gruener.

### WELL ENTERTAINED

More than 200 members and guests

enjoyed the Halloween party and dance held by the Ladies' Auxiliary to the Elks Monday night. A fine supper was served followed by a pleasing program. Prizes for costumes were awarded as follows: Most original, Mr. and Mrs. Horst, of Chrome; best fancy costume, Miss S. J. Lamparter, of Metuchen. The committee in charge comprised: Mrs. William Hillbert, chairman; Mrs. Charles Koops, Mrs. Louis Rubin, Mrs. William Mel-Loun, Mrs. John Leonard, Miss Fannie Roarko, Mrs. H. W. Urnston, Mrs. Henry Litt, Mrs. E. I. Grossman and

President Mrs. I. W. Thorn.

### HALLOWEEN MASQUERADE

The home of Miss Frances Lambert, daughter of Mr. and Mrs. A. D. Lambert, of Madison Hill Road, was the scene of a delightful Halloween gathering Saturday night. Games, contests, music, dancing and refreshments were the order of the evening. Winners of the Honeymoon Express trip were Mrs. A. R. Bullman and Enoch Cramer, while the consolation awards went to Miss Minnie Flamm and Edward Gibson. Edward Bull-

man won the potato race. The guessing contest was taken by Miss Emily Strakele. Miss Mildred Bullman won the loaded apple. Those present were: Mr. and Mrs. E. L. Smith, Miss M. Smith, Mrs. E. Cramer, Enoch, Jennie and William Cramer, Mrs. A. R. Bullman, Carroll Palmer, of Plainfield; Edward, Hazel and Mildred Bullman, Mr. and Mrs. Samuel Flamm, Minnie and Otto Flamm, Mr. and Mrs. Percy G. Croft, Edward Gibson, Henry Rutledge, Lewis Meissner, Mrs. Engel, Florence Engel, Miss Emily Strakele.

**HALLOWEEN SURPRISE**  
A surprise Halloween party was given Mrs. Morris Fagans, of 104 Lexington street, Monday night, by about 50 of her friends and relatives. They were all costumed and caused much guessing as to who they were. The evening was pleasantly spent with music and dancing. Refreshments were served. The guests were from Cincinnati, East Orange, Orange, Perth Amboy, South Amboy, Elizabeth, Linden and Rahway.

### WOMEN GIVE OUT

Housework is hard enough when healthy. Every Rahway woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Rahway woman's experience:

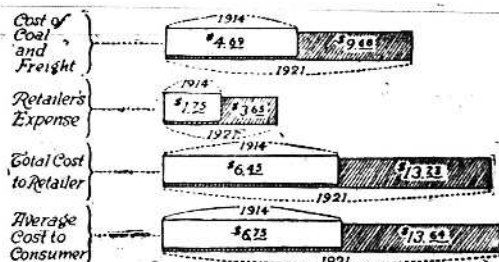

Mrs. Chas. E. Redman, 26 Irving street, says: "I caught cold which settled in my kidneys and caused them to become disordered. My back was so lame I could not stoop to pick up anything. I also had dizzy spells which made everything hazy before me. When I worked around a warm stove, such as baking or ironing, I would become nervous. The least noise bothered me, too. I heard of Doan's Kidney Pills and bought a box and after taking them the pains became less severe. I kept on with them until I was in good health again. I always keep Doan's in hand and if I feel any of these ailments coming on, I always take a few Doan's to relieve me of the pain."

Mrs. Redman gave the above statement June 21, 1916 and on June 23, 1920, she added: "I always recommend Doan's Kidney Pills for they have always benefited me when I have had attacks of kidney complaint."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Redman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## The Dealer's Profit in Coal

THE retail price of stove coal in the district served by the members of the Central New Jersey Coal Exchange varies from \$13 to \$14 a net ton. The variation is due principally to the difference in freight rates. For instance, the rate to Rahway, Linden and Woodbridge is 42 cents more than the rate to

Elizabeth, Plainfield and other points. The average selling price in the district is \$13.64 a net ton. The accompanying table will show where the money goes that the consumer pays for a ton of coal. The figures were obtained by compiling costs and selling prices of representative dealers in this district and striking an average.

### AVERAGE COST AND SELLING PRICES OF ANTHRACITE STOVE COAL IN THIS DISTRICT

# MINUTE BODIES AFFECT WATER

(Continued From Page One)

It was the opinion of the inspectors that it would be impossible to use copper sulphate in combatting the algae growth to be found in the river. The report further stated: "Only a partial remedy is available, that of aeration of the raw water before going into the sedimentation basin. Waldo S. Coulter bacteriologist, employed by city, has recommended the installation of this aerator following the algae troubles which occurred about July 30, but according to him no action has been taken pending the report of the investigating committee on the present water supply."

"Although in the past there has been practically no trouble experienced with algae growths in the Rahway river, it is evident that periodical difficulty in that direction is liable to occur. It is recommended that an aerator be installed to afford some relief from the tastes and odors produced by these algae growths."

Right in line with the report presented by the inspectors of the State Department of Health was that of bacteriologist Waldo S. Coulter rendered to City Commissioners Wednesday night. The report points out that the odor arises from an oil secreted by the protozoan organisms, or the lowest of the animal kingdom. The algae which occasioned the color and odor in May are vegetable organisms.

"The protozoa themselves are intercepted by the filters but the oil from ruptured and dead organisms passes through to consumers and causes the odor. A very minute quantity of oil is sufficient to occasion a very pronounced odor. There is nothing unhealthful about it, but the odor and taste are extremely unpleasant and should of course be eliminated."

Attention is called in report to the fact that the increasing population on catchment area, the shallow flowage area, mean that the city will "experience various manifestations of this character in the future."

The remedy must be obtained by constructional improvements at the plant, as the plankton organisms cannot be satisfactorily and finally eliminated by any reasonable method. This instance it is the ureolena, one of protozoa, and next time it may be algae or something else. It may disappear in a week or persist for months, unless temporary improvement is effected."

In regard to aeration of the water Mr. Coulter stated a permanent aerator for five million gallons daily would cost \$5,000 and a temporary unboxed wooden aerator could be erected for \$1,000.

As the result of two cases of typhoid fever in one family in Inman avenue Health Officer Williams was instructed to take a sample of water from a well on the premises to the State Department of Health at Trenton for examination and decision as to whether the typhoid germs came from the well.

Complaint lodged by George H. Laing, of 239 Main street, with the City Commissioners and referred by them to Board of Health, was related to the alleged throwing of wash water on the ground and also of an outside toilet of the adjacent property at 243 Main street. The letter was received and filed. It was pointed out that Mr. Laing, although complaining, would not give permission to run a sewer line across his property to connect with a trunk sewer, which would give relief from alleged nuisance.

**Official Reports**  
Monthly report of Child Hygiene Nurse Miss Emma S. Redfern showed her to be particularly active. During October there were 290 cases on her list of home visits, including 230 birth record cases, 40 prenatal, 17 teen second year and five casual. The new birth record cases during the month amounted to 28, while two new prenatal cases were also added. The terminated cases were fifteen birth record and seven prenatal.

There are now on the visiting list 213 birth record cases, 29 prenatal, five casual and 118 second year cases. The weighing station was open each Thursday afternoon during October and 136 babies were weighed and measured. Eight unreported birth record cases discovered during the month are all reported now.

"Miss Kounze, supervisor of midwives, visited Rahway, Oct. 6. Miss Sullivan, district supervisor of midwives visited Rahway, Oct. 27.

Secretary Williams presented his monthly statistical showing nineteen births, including nine males and ten females; seven marriages and eleven deaths. Causes of death were given as follows: Sarcoma of right kidney, one; carcinoma of stomach, one; phosphorus poisoning, one; lobar pneumonia, one; myocarditis, two; acute poliomyelitis, one; cerebral hemorrhage, one; enlarged prostate, one; cardiac valvular disease, one; chronic nephritis, one.

Contagious and infectious diseases reported during October, were as follows: Diphtheria, thirteen; scarlatina, three; acute poliomyelitis, one; typhoid fever, two.

Discussion exchange situation was deferred pending proposed action by the City Commissioners.

Health Officer Williams reported a successful tuberculosis clinic held in this city Oct. 25.

It was voted to install a telephone at home of Child Hygiene Nurse Miss Emma S. Redfern, 162 Main street.

Bonds of three plumbers were approved, including Charles Wilhelms, Morris Goldstein, of Elizabeth, and John Bozung, of this city.

Officials present were: President William H. Randolph, Commissioners S. C. Terrill, Joseph Oxman and William F. Davis, Secretary Fred M. Williams, and Child Hygiene Nurse Miss Emma S. Redfern.

Among the Halloween window displays, that of the James Van Dyk Co., 140 Main street, has attracted much attention, and favorable comment, for its artistic arrangements, and attractiveness. In honor of the occasion they gave away very pretty Halloween souvenirs.

**"PERFECT PACKAGE MONTH"**  
Attention is called by Thomas C. Woodruff, in charge of the local office of the American Railway Express Co. and Agent Mundy, of the Pennsylvania Railroad, to the nationwide "perfect package" movement being conducted during November by the railroads, steamship lines and the express carriers of the United States and Canada. The shipping public of Rahway are asked to cooperate as it is to their individual interest. The purpose of "Perfect Package Month" is to enable the carriers to add shippers in their packing problems and to improve the transportation service of the country.

During November the railroads, steamship lines and express company will examine the condition of all freight and express shipments and record the faults of those which do not come up to the general classification of "perfect packages". Special blank forms for freight and express will be made out for every shipment that is found wanting in some detail, and these reports will be sent to the shippers of the packages. A summary of all exceptions found during November will be tabulated and published at the conclusion of the movement.

**BIRTHDAY CELEBRATION**  
There was a very enjoyable birthday party Monday afternoon at the home of Mr. and Mrs. Paul J. Novak, of Hamilton street, where the fifth anniversary of their son, Paul, was observed. A fine program of games, music and refreshments occupied the time. Those present were: Madeline Becker, Mildred Almquist, Vivian Mundy, Florance Schaefer, Lucille Dohm, Anna Gubas, William Tripke, Raymond and Walter Mundy, George Becker, Herbert Schaefer, Eugene Dohm, Andrew Schaefer and William Gubas.

**OPPORTUNITY DISCOVERED**  
Returning from New York just in the nick of time Saturday night by J. J. Daly, probably saved the residence of his father, John T. Daly, 151 Hamilton street, from partial destruction by fire. When he reached home about 10:30 the kitchen was found ablaze, having started from gas heater. A still alarm to the uptown fire company brought quick response and the flames were put out after a hard fight. The damage is about \$100.

**BIRTHDAY CELEBRATION**  
A delightful birthday party in honor of her twelfth anniversary was held at the home of Mrs. Maurice Chaillet, of 21 Madison street, Saturday, when she entertained about a dozen of her classmates and schoolmates. Dining room was prettily decorated in orange and black and Halloween emblems and stunts appropriate to the occasion occupied the time, supplemented by music and refreshments.

**Every Car in Excellent Running Order—to Sell at much higher prices**  
No Reasonable Offer Refused

Recent reductions on new cars have made it necessary to cut hundreds of dollars from the prices we had planned to sell these cars at. No such values have ever before been obtainable anywhere else. We will take substantial losses. That's your gain.

**Now Get a Car for the wife and children**

How many times have they sat at the window watching the neighbors' families starting off for a day's drive in the fresh country air or a picnic in the woods? If you knew what a little bit it costs to give your wife and kiddies this pleasure you wouldn't miss this sale. Come and pick out your car tomorrow, early.

**YOUR Car at YOUR Price**

No Reasonable Offer Refused  
No such sweeping sale as this has ever been held—the very car you've had your heart set on for months is here and priced much lower than you ever dreamed of. There are small cars and big cars—light fours, light sixes—the finest makes in the country. The values will amaze you.

**Come early tomorrow Saturday morning**

And come prepared to take your car away. Bring your check book or a small cash deposit, so the car you want won't go to some one else. Remember there are 52

fine renewed cars here, but there will be ten times that many buyers. No reservations—every sale on actual sale. Be on the job early and get the car you want.

You don't need to pay all cash unless you want to. This is not only the most remarkable sale from the value standpoint and the price standpoint, but from the credit standpoint as well. That's the advantage of dealing with a big responsible company. Name any reasonable terms—make a small payment down. Drive your car away. Pay the balance in comfortable, easy payments. We will make a liberal allowance on your old car.

**Buy now and save Don't wait till spring**

Buy your car in the Fall. Spring demand makes prices go up. You can buy a rebuilt car from us now for far less than it will cost next spring. The saving will pay for the use of the car all winter and then some. Don't wait longer. Enjoy the wonderful weather just ahead of us.

All cars in this sale are amazing—previously unheard of values—but the specials offered below will go to the first four people in our doors Thursday morning. They will not be sold to dealers.

**Buy the Family a Car Now for the Beautiful Autumn Days**

When the leaves are turning from green to gold—out on the beautiful white roads—through the woods—the tang of Fall in the air—the wife and the kiddies all tucked up in knit-jackets and scarves—lunch at some wayside inn—a cup of hot coffee and the sandwiches the wife prepared—that is the life on a Sunday afternoon. Home, tired and happy—the fresh air adds red cheeks to the youngsters' faces—and puts a new light in the mother's eye. Yes, it is all possible with a car—and a car is possible at our prices and terms.

BUSINESS MEN HIT 1,029

**Big Scores Made in City Bowling League at "V-L" Alleys.**  
Cleans sweeps were made by two teams in City Bowling League at Y. M. C. A. alleys Wednesday night, the Business Men defeating Commuters and R. M. Club trouncing Junior Mechanics. High scores were rolled in both contests, the Business Men climbing to 1,029 in middle game. With one pinner missing in first two games the Junior Mechanics had little chance of winning.

Harvey Wooster rolled high average with 205.2, while C. W. Ludlow had 190 and best game of 282. Smith averaged 177.1. H. Gibbons and Van Sant led Commuters with averages of 177 and 174.2.

A. Jeamboy did best pinning of night, averaging 206.1, with high mark of 224. Muller scattered the maples for an average of 189 and a big score of 218. Schwotzer led Junior Mechanics with an average of 176, followed by Cook and Martin. The scores:

**THE THOUSAND ISLANDS**  
THE River St. Lawrence "As grand as the Rhine" was discovered by a French explorer in 1535. In 1615, Champlain explored the upper reaches of this majestic stream and discovered these islands.

The origin of the name is evident to the beholder. Below Lake Ontario for a distance of some forty miles the river broadens to a width ranging from four to seven miles. Here begins this world-famous archipelago. These islands sometimes in a string like links in a chain again in just pell-mell confusion, appear to block the channel. Apparently there are a thousand of them. Some authorities assert there are as many as 1,700.

Composed mainly of rock or granite, their surfaces are not high. Some are no larger than to provide a foundation for a house—the largest contains about 10,000 acres. Many are privately owned and here man and his money have created castles which look as whimsical as fairy tales sound.

The Thousand Islands were the scene of some hot conflicts between nations—Indian wars (when this region was known as Manatona—Garden of the Great Spirit), contests between the French and the English and battles of Revolutionary fame.

To this generation, however, they are more prominently known for their singularly picturesque beauty and unspoiled charms.

tended to all to be present at this special service of great interest. The mid-week prayer meeting will be conducted by the pastor on Wednesday at 8 p. m.  
"A Church for the People with a Welcome for all."

## Stories of Great Scouts

By Elmo Scott Watson

© Western Newspaper Union.  
**BEN CLARK, WHOM THE INDIANS CALLED "MIE NO-TO-WAH."**

When General Custer's Fighting Seventh charged down upon Chief Black Kettle's Cheyennes on the Washita to the tune of "Garryowen" that cold November morning in 1808, at his side rode a man whom the Indians recognized, and they shouted to each other "Look out for Red Neck! He's a dead shot!"

Clark played an important part in Custer's campaigns that year, but his most valuable services were performed as a scout for Gen. Nelson Miles in the war with the Cheyennes, Arapahoes, Comanches and Kiowas in 1874. His greatest feat was his part in the rescue of the German sisters, two little white girls who had been captured when their parents were murdered by raiding Cheyennes in their Kansas home.

Two of the girls, Adelaida and Julia Germaine, were recaptured from the Cheyennes when Lieut. Frank Baldwin struck the camp of Chief Gray Beard so suddenly that the Indians had no chance to kill their prisoners, as they usually did. The girls informed General Miles that two of their sisters, Catherine and Sophia Germaine, still were held by another band of the Cheyennes.

Ben Clark immediately set out to discover where they were. After a long search he found that they were in the camp of Chief Stone Calf. General Miles secured a photograph of Julia and Adelaida and on the back of it he wrote a message to the other sisters telling them that every effort was being made to rescue them. He gave this message to a friendly Indian who visited Stone Calf's camp and, unobserved by the Indians, slipped it into the hand of one of the girls.

The general next sent a message to Stone Calf, demanding his surrender and telling him that no mercy would be shown his warriors unless the German girls were brought to the nearest army post alive and unharmed. In a short time Stone Calf came in to the Cheyenne agency, surrendered his white captives and all four sisters were reunited. Ben Clark's scouting had not been in vain. When the Cheyennes were finally subdued, Clark settled down at Fort Reno, Okla., with them. He became their interpreter in all their dealings with the white men, and the Cheyennes came to honor "Red Neck" as much as they had feared him when he was fighting against them. Later he was custodian of old Fort Reno, and when he died a few years ago, after more than 50 years in the government service, his passing was mourned by white and red men alike.

**MISSIONARY MEETING**  
 An inspiring session of the Ladies'

Mission Circle of the First Presbyterian church was held Tuesday night with Mrs. Henry M. Woodruff, of 56 Seminary avenue. Time was largely devoted to hearing reports of synodical meetings. Mrs. Seymour Williams gave a fine account of the morning session while the afternoon was

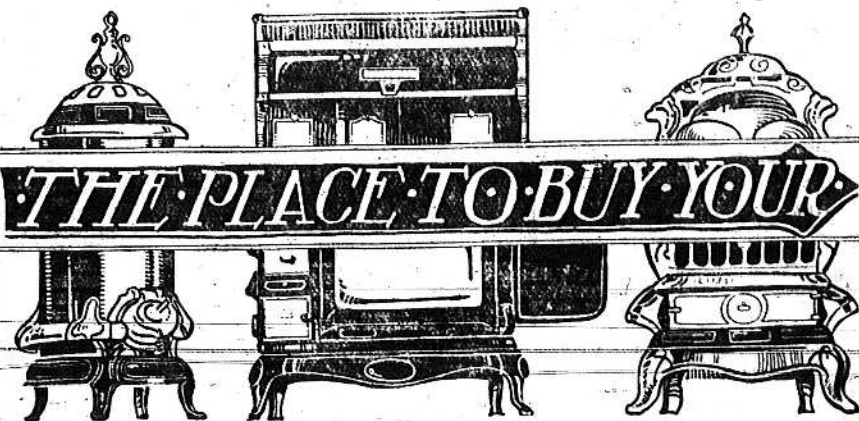

admirably presented by Mrs. John B. D. George. Mrs. Woodruff gave a comprehensive description of the Synod at Atlantic City.

Plans were made for sending crib sheets and surgical aprons to an African hospital. The next meeting will be held with Mrs. Herbert Whet-

ton, of 246 West Grand street. In the absence of President Mrs. C. A. Grove, who is confined to the house by illness, Vice-president Mrs. E. J. Pritchard was in charge of the meeting. Others present were: Mrs. John B. D. George, Mrs. C. W. Squier, Miss Madeline Squier, Mrs. Richard Rob-

erts, Mrs. Seymour Williams, Mrs. Herbert Whetton, Miss Constance Whetton, Mrs. H. F. Mooney and Mrs. H. M. Woodruff.

The Eureka Craftmen's Club, colored, will meet tonight with John Gibson, of 185 St. George avenue.

To help pass the dreary evenings that are to come, one of these generously comfortable leather rockers in your favorite corner will help greatly. They are extraordinarily large and comfortable. All the rockers have the comfortable roll arms. Backs and seats are of full spring construction. Many have wing backs and are upholstered in fine leather. They are specially priced at \$18.00.

**Louis XIV Dining Room Suite. Aristocratic in Design \$150**

Here is an aristocratic suite for your dining room that you will always be proud of and satisfied with. Lasting beauty and honest workmanship cannot always be had in furniture. This, however, is a suite that is out of the ordinary. The insides are finished with the same care as the outside. The drawers of buffet have hand carved panel inserts. Suite consists of table, buffet, one arm chair and five side chairs. Finished a rich walnut.

**3 Pieces that will please you \$99**  
 They are in Old Ivory Finish

You do not buy furniture every day. Therefore it is necessary that what furniture you do buy should possess a permanent beauty. We recommend highly for your bedroom the three pieces as shown above. The bed has the bow-end, dresser and chiffonade have hand carved lower panels. Inside of doors on chiffonade are finished same as outside. All drawers are of dove tail construction. This is a high grade suite, which you can now buy for the price of an ordinary suite.

## SUPERIOR EMPLOYEES TO GET WAGES IN FULL

Probable payment in full of the wage claims of employees of the late Superior Auto Body Company and the payment of a dividend of ten per cent to general creditors, whose claims have been allowed, is expected to result from the order signed by Vice-Chancellor Fielder Tuesday, approving the report of Robert H. McAdams, of Elizabeth, receiver for the company, who has been in charge of liquidating the affairs of the concern since Nov. 19, 1920. Priority claims approved by the action of the vice-chancellor amount to \$9,773.52, of which amount \$4,773.52 represents wage claims.

Approval is also given of the sale of the factory to the Lincoln Body Company for \$40,000, and the settlement of the claims of the late Superior Auto Body Company with the Tompkins Motor Company, as a tentative settlement with the Columbia Motor Company, for which concerns the Superior Body Company was building auto bodies when the firm went into the receiver's hands. The general claims filed against the concern amounted to \$59,309.03. An advance is made by vice-chancellor of \$6,000 for services of Receiver McAdams, and \$3,000 for George, Cornish and Sheeek, attorneys of receiver, and a further allowance of \$250 for their services to the claimants.

Further plans were made Tuesday night at the meeting of the Official Board of Trinity M. E. church for enlarging the altar and choir loft. Other matters of a routine nature were discussed.

Dr. Watson Says "I'll Never Forget When Father's Hogs Got Cholera." One morning he found 20 hogs dead and several sick. He called in the vet. who after dissecting a rat caught on the premises, decided that the rodents had conveyed germs. "Since then I am never without RAT-KYAP," he says, "the surest, quickest rat destroyer I know." Three doses, 35c. per dose. Sold and guaranteed by Dr. M. Roberts.

**MERRY HALLOWE'EN GATHERING**  
The home of Richard Wigginton, of 39 New Brunswick avenue, was the scene of a merry Hallowe'en gathering. A varied program of games, vocal and instrumental music, dancing and refreshments made the time pass all too quickly. There were many pretty costumes. Those participating were: The Misses Helen Mintel, Alice Schuetz, Alice Farrell, Margaret Schwindinger, Emma Harrison, Virginia Clark, Bernice Crane, Margaret Kelly, Alice Lanning, Gertrude Johnson, Claire Sauers, Emma Van Pelt, Catherine Conway, Alice Miller, Gertrude Cowan, Barbara Wesley, Helen and Katherine Polin, Fannie Wigginton, Messrs. **NURSES ENJOY HALLOWE'EN**  
Through the thoughtfulness of Supt. Mrs. Anna Hughes the staff of nurses at the Rahway Hospital were given a delightful Hallowe'en party Monday night. The nurses' home was artistically decorated for the occasion and a pleasing program of games, music, dancing and refreshments made the hours pass swiftly. The guests and the nurses included the following: Miss Roska Kitch, of Atlanta Ga.; Miss Jean Aylotte, of San Francisco, Cal.; Mrs. A. Mortale, of Albany, N. Y.; Mrs. James Livingood, Jr., of Woodbridge; the Misses Helen Flaherty, Helen Thalaz, Katherine Smalley, Marie Patti, Catherine Barry, Miss Tomasco, Mrs. D. Murray, the Misses Beulah Collier, Anne Wittenberg, Katherine Brunt and Mabel Pender.

**ICE RAMSEY AND MOTORCYCLE OFFICER**  
Orr, Joseph Wingust 5 years old, of Avenel, was restored to his folks on Monday. The child had wandered away from home and had followed the railroad track and was found crying near the Leesville avenue crossing. He could not tell where he lived, but as he was found coming from the direction of Avenel it was surmised that his home was in that place. Chief Ramsey and Officer Orr took the lad to the school and with the aid of the teachers found that the child had an older brother in the school, who took charge of the little fellow.

**SURPRISED ON BIRTHDAY**  
In celebration of his birthday anniversary, William Moore, son of Mrs. Rose Moore, of 10 Main street, was tendered a surprise party Sunday night. Hallowe'en decorations, games, music and dancing made time pass pleasantly. Those present: Mr. and Mrs. Fred Thayer, Julia and Freda Thayer, of Westfield; Mr. and Mrs. C. Zeyer, Dorothy, Josephine, Elsie, Wilhelm and Carl Zeyer, of Seward; Mr. and Mrs. A. Lauter, Evelyn and Thelma Lauter, of Carteret; William and John Schaefer, Raymond Drake, John and Albert Francis, James

## WHAT COUNTY PARK SYSTEM MEANS

Able Exposition of Question Before Voters Given by A. R. Wendell

Editor of Record—On Election Day, November 8th, the voters of Union County will have the opportunity of expressing themselves in favor of the new Park Bill or against it. The question is an important one and means much to Union County and Rahway in particular.

Under Chapter 31 of the Laws of 1895, the new Park Bill provides for a County System of Parks. This does not mean one large park. It means a number of parks or playgrounds in different parts of the county so that every thickly settled community has a readily accessible park or playground nearby. It means, further, a Reservation, or large area of land combining natural scenery and beauty spots of mountain, lake, woodland and river, which should be preserved for all time. These different parks and playgrounds and reservation should be connected by parkways or boulevards where existing highways are inadequate.

To gain a comprehensive idea of just what a County Park System represents one has only to go into our neighboring county of Essex and see the wonderful development of parks, playgrounds and reservations, parkways, etc., which that county has so successfully established during the past twenty-six years.

In Union County there are many available spots admirably adapted for park purposes. There are also large areas of natural beauty, which on account of their present inaccessibility are almost unknown to our residents. These spots should be preserved and made into a County System of Parks.

The Act of 1895 provides for the appointment by the Justice of the Supreme Court presiding in Union County of five Commissioners to serve five-year terms without compensation. The Act further provides for the purchase of ground necessary for the proposed system of County Parks, payments to be made from the proceeds of bonds to be issued when and as required by the Commission, but in no event to exceed the total sum of \$250,000 except by further action and approval of the voters.

Judging from the experience of our sister county, Essex, which has spent upon the average about \$200,000 a year for the purchase of land for park purposes, and development of same, Union County would not have to spend over \$200,000 a year on the average. The issue of this amount for a term of fifty years would involve an average annual appropriation of \$4,000 for the payment of interest on same at six per cent, and for the retirement of the principal sum of the bonds, \$1,000 per year.

This amount would have small influence upon our tax rate, and would probably mean on the average of only four mills for each hundred dollars of valuation, or four cents on each hundred dollars of valuation.

cents on each five thousand dollars of valuation. In other words, tax payer now assessed at \$1,000 would have to pay only 4 cents each year for each \$200,000 issued for the purchase and development of land for park purposes.

The advantages of a County System of Parks are manifest from the standpoint of health and recreation, so that little argument is necessary to expatiate upon those advantages. From a financial standpoint, they are just as necessary for the proper development of a community, for it is only by providing adequate outdoor spaces for the recreation and enjoyment of its citizens that a community can prosper. To attract new citizens to our county and to make those already residing there more contented and happy we require proper park systems, and under the Act of 1895 such would be and could be provided.

It has been the invariable experience in the development of communities that park systems, though temporarily withdrawing a certain amount of taxable property from taxation, have so increased the valuations of adjacent properties that the increased valuation of the areas contiguous to the parks has been enough to cover the cost of the parks themselves. Therefore, instead of being a burden of expense they have been producers of revenue.

Take for instance Weequahic Park, Essex County. In 1906 the value of the ground in a 200 feet wide strip next to the park was assessed at about \$500,000. The normal development of the park as a whole, or in districts where there are no parks, has been a little over 300 per cent. in the fourteen years ending in 1920. If we assume that without the park this belt would have increased in value to \$2,500,000. But actually this belt has increased 1400 per cent. to the tremendous sum of \$11,250,000, so that the increased valuation brought about by the transformation of the park from marsh or waste ground to a thing of beauty has caused values in the immediate vicinity to increase practically \$9,000,000 in the fourteen years.

An amount sufficient to pay the cost of not only Weequahic Park but all other parks in the system! Surely this is a very strong argument for the establishment of parks from a financial standpoint, leaving out all other advantages gained.

A County Park System would undoubtedly save on water courses throughout Union County, and more than anything else would prevent the present and future pollution of our streams and the same time guard them from becoming open sewers like the Passaic River in its lower reaches.

At the present time there are many areas in Union County capable of real estate development so new residents can be attracted here who will build homes and help bear our burden. By providing adequate park facilities we can do much to attract prospective residents to this county. We should do all we can to attract such.

A System of County Parks will do much for the present growing generation and for those who come after us, and it behooves every citizen who is looking forward to the future to support this project and see that a large and favorable vote is expressed on Election Day in favor of the new Park Bill.

I shall be very glad to answer any questions regarding the project and hope that on Election Day every man and woman will feel the necessity of going to the polls and expressing themselves in favor of the new Park Bill which will mean the establishment of a County System of Parks in Union County. It is a chance for the voters of Union County to take a long step toward the benefit of their own and future generations at a cost which will be almost none.

## CITIZENS' VIEWS ON PAVING PLAN

Several Prominent Men Indicate Their Attitude on the Josephson Referendum

In regard to the referendum appearing on the ballots for Election Day concerning the paving of Central Avenue and Mooney place, west of St. George Avenue, several letters have been written to The Record regarding the project. Owing to lack of space The Record cannot publish them in full, but gives the most vital parts rather than eliminate them entirely.

Editor Record—In the matter of the Concrete Paving Ordinance, to be voted upon next Tuesday, this is a business proposition entirely, and there is no call for personalities at all. I feel that the ordinance should be opposed for the following reasons:

It means practically, extending the city's credit for personal profit. It imposes a heavy burden of expense upon those who can ill afford it, without any justification of a real public need.

Such a costly pavement is unnecessary and unwarranted, in any locality where the traffic is confined to the needs of a few families. It is a luxury, and if the promoter wants luxuries he should do his own financing for them, not expect the city to do so. The city would be doing its full duty, by giving the section in question, a good stone road, the same as all other parts of the city is content with. Such a road would meet all the requirements of that section.

If this ordinance is approved by the voters, every other land developing company in the city will be entitled to the same treatment—for public favors should be granted equally—and the outcome will likely be a case of history repeating itself, financially in Rahway. There is vast difference between "progressiveness" and rank extravagance. It is like buying a Packard or Rolls-Royce car when a Ford would meet every requirement.

F. H. Trussler has done more development of property, than all the others put together, during the last few years, and he has paid his own way with very little encouragement officially, and has made a success solely on his own merits and initiative, and without concrete pavements along the streets of his properties. Vote against this ordinance, and reserve the city's credit for concrete paving for streets where the traffic warrants it, is sound sense.

CITIZEN.

P. R. Forman, general manager of the National Pneumatic Company, writes:

"The permanent improvement that is being made on St. George Avenue will make that highway more than ever a main artery for automobile travel and the general impression that Rahway is to receive by the traveling public will be more from what they see when traveling along St. George Avenue than from any other point except possibly the Pennsylvania Railroad; therefore, it would seem to me all streets either crossing or adjoining St. George Avenue should at our earliest opportunity be thoroughly paved from curb to curb and good sidewalks laid."

"To vote down the improvement of Central Avenue and Mooney place would in my opinion be a step backward, while if the improvement went on it would indicate that Rahway is taking its position among the progressive communities in this part of the State."

"It, of course, is quite out of the question to hope to make such improvements without it being felt by those on whom the burden is laid, but a minority cannot, under our existing popular rule, stand in the way of a majority for if that was true our whole plan of government would fail. Personally, I am of the opinion that on account of the large majority of the people who are going to pay the expense of this improvement wishing it, that the question should never have gone to referendum but now that it has I sincerely hope that the civic pride of Rahway will be demonstrated at the polls with an overwhelming majority in favor of this permanent and desirable improvement."

Editor of Record: After inquiring into the so-called Josephson pavement project on Central Avenue and Mooney place, I fail to understand how any one can oppose it. I consider it from any standpoint, an improvement worthy of imitation and commendation, and a positive asset to the city at large.

WILLIAM F. ROSSSELL

James Smith, Superintendent Hamilton Co-operative, writes:

"I am in favor of this pavement being done, providing it is properly done. Good streets are as much importance to a city as good roads are to a country. If our city is to grow we will soon learn that it is imperative we have better streets than we have at present."

From M. F. Quinn, head of the large publishing concern and a member of the Board of Education, the following has been received by Mr. Josephson: "I think you should receive all the encouragement possible in your efforts to develop that section of the city. I was surprised to hear of the opposition against this city improvement, as I consider opposition to enterprises of this kind is what keeps Rahway where it is today. It appears to be usual when any enterprising citizen endeavors to do something for the benefit of the whole city without any cost there is always some one in our midst who finds some objection for some reason or another."

Today J. A. Josephson, who is behind the paving project, issued a letter to the voters setting forth that 71.90 per cent of property owners in Central Avenue and Mooney place, owning 2,120 feet, petitioned for the improvement; that five owners controlling 7.30 per cent, or a frontage of 220 feet, could not be located, as they live outside of city; four owners controlling 10.80 per cent, or 630 feet, objected to improvement. Supplementing this is a review of the proceedings that have taken place before the City Commission, and which have previously appeared at length in The Record.
