

COMMISSIONERS' MEETING

(Continued from Page One.)
 In addition to the change in Block 480 the ordinance as passed on first and second reading contains the following changes:
 From the residential to the business zone—
 The northerly side of East Milton avenue from Main street 182 feet and to a depth of 65 feet from the northerly line on East Milton avenue.
 The westerly side of Inman avenue to Murray street to a depth of 150 feet from St. George avenue.
 The westerly side of St. George avenue extending from the intersection of the south side of Milton avenue to the north side of Race street.
 The northerly side of Westfield avenue from Madison avenue to the boundary line of Clark Township and Rahway for a depth of 150 feet from northerly street line.
 The southerly side of Westfield avenue from Madison avenue to the boundary line of Clark Township and Rahway for a depth of 150 feet from northerly street line.
 An addition to the industrial zone included all the territory bounded by Main street, East Milton avenue and Haydock street.
 Another provision under the amendment establishes a Board of Appeals to hear any protests against proposed changes or to act on petitions for other changes desired.
 No action was taken on the Planning Commission's recommendation that that portion of St. George avenue, both sides extending from the tracks of the P. R. R. at the Six Roads to Plainfield avenue be placed in a business zone.
 Mayor Furber stated that he hoped the citizens would accept the amendments as now offered as final as the various authorities had spent much time and consideration on it and had drafted the ordinance to "nearly satisfy" the city planning commission and to the approval of the city commissioners unanimously. He said the authorities with whom the final decision rests cannot allow themselves to be pulled about if the zoning ordinance is to be effective at all. "Someone is bound to be dissatisfied no matter what is done," he said; "no matter how carefully the plans are drawn and we must do the thing that best fits the majority."
 Another matter of real importance which came up at the meeting was the request of A. Halpern, manufacturer of riding breeches, golf knickers and men's and youths' pants, with a plant in New York City, asking if a building suitable for the location of his business here could be secured; specifying the need of from three to five thousand square feet of floor space and asking if the city would desire a business of the type within its borders. It was stated that the firm would employ mostly female help in the operation of light sewing machines.
 Mayor Furber instructed the city clerk to write the applicant stating that the matter had been referred to the city's real estate dealers and also asked that if anyone in the city had such a place and wished to offer it for rental, to make it known.
 A communication of thanks from the Royal Manufacturing Company for the "prompt and efficient service" rendered at the recent fire by the city fire department, was received and filed.
 Inspector Charles Filser submitted his report of a survey of the location of wells in this city. The report showed that there are 361 wells in good condition being used in the five wards of the city, distributed as follows: first, 79; second, 88; third, 78; fourth, 74; fifth, 42. Nine per cent of these are dug wells, it was stated. There are also a number of others which could be used if they were cleaned.

It was stated that this data was gathered for future reference when the commission could take up for more serious consideration the water question.
 C. C. Brunt, of 22 Jefferson avenue, wrote stating that he had received no reply to his request for water in that street and asked if "Commissioner of Streets Simons was still a member of the Board." Commissioner Simons stated that Mr. Brunt had already or would receive shortly a letter informing that the improvement asked could be obtained by the payment of \$500 due the institution on the necessary pipes.
 The Board of Trustees of the Rahway Hospital requested the final payment of \$7,500 due the institution on the 1922 appropriation made by the city, which was later covered in a resolution authorizing the city treasurer to make the payment.
 A communication regarding participation of the city in the drive for funds for Near East Relief was received and filed.
 An ordinance providing for the construction of an eight-inch pipe sewer in Mooney place, from the present terminus 400 feet north of Central avenue for an additional 500 feet in the same direction was passed on third and final reading.
 Approval of plans for a sanitary sewer in Lawrence street as presented by Merck & Co., was contained in a letter from the State Board of Health.
 Phillip Sullivan was granted fireman's exemption.
 A resolution was passed asking the Public Service Railway Company to pave with block or other similar material the strip of roadway between their tracks and extending two feet on either side in Hazelwood avenue from Leesville avenue to Main street and to lower their tracks to grade in Hazelwood avenue, from Leesville avenue to Woodbridge road.
 Another resolution instructed the Public Service to place two 32-candle-power lights in Kilne place, one 600 feet south of Westfield avenue and the other 500 feet south.
 William Armstrong, lessee of the poor farm, was given notice to vacate the property at the expiration of his lease, April 1, 1923, in another resolution passed.
 A series of resolutions effecting financial matters were offered by Commissioner Faulk and passed as follows: \$85.65, payable to the City Treasurer and chargeable to the as-

essment fund—deficit highways; \$7,592.73.
 The city engineer's report for the week ending November 17, 1922, shows the labor charges as follows: Collection of garbage, \$131.18; street cleaning, \$48.80; cleaning gutters, \$116.53; laying 6-inch and 3-inch water lines in Central avenue and Charlotte place, \$111.75; carting repair parts for boiler at water works, \$2.00; constructing barn at city yard, \$93.13; scraping roads, \$13.00; carting coal to water works, \$311.35; carting water, \$14.35; repairing water break, \$22.00; general, streets and water, \$43.85; total, \$607.70.

VOLLEY BALL MAKES BOW FOR 1922-23

Volley ball for the season of 1922-23 was ushered in Wednesday night at the Y. M. C. A. when the Maxwells took two straight games from the Chevrolet in a Business Men's League match.

The victors experienced but one period of opposition that extended them and that was in the first part of the second game. The winners won the opening battle with the utmost ease, 15 to 2.

However, as the second tilt began the Chevrolet stepped on the gas and before the Maxwells got through unknocking the carburetor they had run up six points to one.

Captain Lauer led the winners, while Captain Borden was at the wheel for the Chevrolet. The winning team comprised: Lauer, Ainsworth, Piero, Orvis, Robinson, Reed, while the losers were composed of: Borden, Albertson, Chase, Engelman, Karburg and Martin.

POCKET BILLIARDS TOURNAMENT STARTED

While the bowling alleys and the gym, not to mention the swimming pool, have been the scene of much activity for several weeks and various leagues and tournaments have been in operation, it was only Wednesday night that the Knights of the Green Cloth began to click the ivory in competition for championship honors.

Under the direction of Social Secretary G. P. Albright, devotees of pocket billiards have signed up for a series of matches which promise some real competition before the premier cue artist of the local association is decided.

The opening match was played between Marty Cassio and Joan Griggs and the result was 100 to 90 in favor of the former.

Matches will be played Mondays, Wednesdays, Thursdays and Fridays and a complete schedule is being prepared.

COMMUTERS SWEEP SERIES WITH TRINITY

Ice cold water was thrown on the championship aspirations of the Trinity Ushers bowling team Wednesday night in a City League match at the "Y" lanes when the Commuters chalked a clean sweep.

In handling the Methodist's severe scrubbing the Penny patrons yanked the P. U. A. five off first place which they had been occupying jointly with the Juniors and N. S. Club and hurled them into the fifth berth which they had been holding down.

The high score honors for the match were captured by the Travelers as they furnished high team, high individual and high average marks. No records were touched.

"Wild Bill" Van Sant's 214 was top single count while "Doc" Armstrong's 186.2 was star average. Van Sant recorded 180.1 for the three tilts. Schwartz led Trinity with 171.1.

Table with 3 columns: Name, Ave., Pins. Lists names like R. Ludlow, Rosell, C. Wooster, etc.

NEWARK BIRDS COP ODD FROM RAHWAY

Eleven missed spares, coupled with three nasty splits in the last frame of the final game cost the Rahway Eagles the match rolled Wednesday on McCartney's lanes, against the Newark Acers. The final count dropped to a 2-1 score.

The visitors took the first and last games, the opener by a fair margin, while the night cap was close. The middle session was all gray for the homesters. The margins were 36, 78 and 20 pins, respectively, for the three games. Albeit they lost, Rahway had a greater total pinnage than the victors.

In two-century counts likewise the local Birds came out ahead, shooting three against one for the Newark E. O. F.

John Langton and Dave Crowell staged a close battle all the way through for high honors of the match with the former finishing one lone strike better than the latter. Langton smashed the maples for an average of 184, while Crowell got 183.2. Grelich was high for Newark, with 183.

Table with 3 columns: Name, Rahway, Newark. Lists names like Hand, Keller, D. Crowell, etc.

CLARK TOWNSHIP

There was a jolly party Saturday night at the residence of Mr. and Mrs. George Cordes. A feature of the evening was a dual celebration arranged as a surprise to Mr. and Mrs. Hodge, of Scotch Plains, and Miss Anna Sauer, of Rahway. It was the birthday of the latter and first wedding anniversary of the former.

A fine program of vocal and instrumental music, dancing, followed by a collation, were enjoyed. Those present were Mr. and Mrs. Robert Hodge, of Scotch Plains; the Misses Margaret and Catherine and Charles Hurrao, of Staten Island; six members of the Wang Wang Club, of Rahway, including the Misses Anna Sauer, Helen Drexler, Mary Schuetz, Gertrude Bartell, Johanna Hack and Anna Cordes, also Mr. and Mrs. George Cordes, Frank and George Cordes, Marie and Elizabeth Cordes, Mr. and Mrs. R. J. Sauer, of Rahway.

There is a near prospect of electric-service lines being extended through the Township. Carl Andron deserves well of his fellow townsmen for his efforts in bringing about this happy consummation.

Charles Brewer, Assessor, made his annual official visitation to the north and east sides of the Township during the week.

Friday last there was a pleasant social gathering at the home of Mr. and Mrs. George Walker in Valley road. A feature of the entertainment was the singing of old time popular and national airs in parody and translation.

Mr. Miller's rendition of "The Wearing of the Green" in German was awarded first prize. Those present included Miss Fanny Patchel, Miss Lilly Humiston, Messrs. Robert Walker, Joseph Mocks, Harry Miller and Stephen J. Heyburn.

Theodore Lang, Jr., has disposed of his dairy route to a Rahway dealer. Increased cost of milk coupled with a tendency to lower prices in Rahway is assigned as his reason for selling.

It is enlightening to learn that one of the foremost Railway advocates of cheaper and better milk for the poor, owes a Township dairyman \$12 for milk furnished. A suit for the payment of this bill is reported as imminent.

principles of school life and how the small things influence the accomplishments of the larger ones.

The History, Problems of Democracy and Community Civics classes have resumed their usual work under the supervision of Robert Coan, who has taken the position left vacant by E. G. Smeathers since the latter's promotion.

Preliminary plans are being discussed for the Junior play.

The Senior class held its eleventh meeting in the auditorium, Wednesday morning. Charles Horvath presided as chairman, Dorothy Haas as secretary, and William Opydys as critic. A fine debate was given on the topic: "Resolved, that the Ku Klux Klan Should Be Abolished from the U. S." The affirmative side consisted of Catherine Conran, Florence Eggert and Reginald Roarke, and the negative of Daniel Thorn, Emil Borden and Diana Abrams. Eugene Ludlum acted as timekeeper. The judges were: Miss Morrell, Miss Dayton and Miss Youngs. The affirmative won with a vote of 2 to 0. After the debate the following program was carried out: "Japan Out of Siberia," Harry Simmons, Charlotte Taylor; "The Recovery of the Sick Man of Europe," Barbara Wesley, Dorothy Amber, Frank Bartels; "Roumania's Stake at the Straits," Anna Knorr, Herbert Band; "The Democratic Tidal Wave," Charles Stimisick, Percy E. Hulick.

Superstitious pupils are wondering

about the significance of the fact that last Friday a pigeon landed on the window sill of room C-6 and looked in upon the class for a few minutes and flew away.

The question of the day, "Why are so many pupils getting injured?" The Problems of Democracy Class held its tenth meeting in C-6 Wednesday afternoon. Emil Konez acted as chairman, Gladys Stacy as secretary and Arthur Dubow as critic. Officers were elected for the next five weeks, after which an election on a program committee for next week. The result of this election was: chairman, Mary Overton; Marjory Spooner, Joyce Toms. The following program was then carried out: "The Democratic Tidal Wave," Robert Bauer; "The Ten Thousand Automobile Deaths," Harold Johnson; "Wilson and the Armistice Crisis," Rose Schonwald; "The Menace of the Log Cabin Fire Trap," Andrew Strakelo; party.

"Thanksgiving as Turkey's Home Falls," Mary Overton; "Barley Corn Fighting for Resurrection," Louis Kovacs.

A permit was granted yesterday and the contract price is \$11,500. The site is one of the most desirable in this city. A permit was also granted yesterday to Mrs. Madge E. Tucker for general alterations to her property at 40 Union street, costing \$375, and garage permits to J. Heldt, W. Meiborn and Clyde Armstrong.

HIGH SCHOOL NOTES
By Andrew Strakelo
More and more students are beginning to realize the benefits derived from the possession of a savings account. The high school bank offers a twofold service, in that it receives deposits both on its own account and in behalf of the Rahway Savings Institution. The facility with which all the ordinary operations are carried out adds to the value of the banking department. As the end of the year grows nearer each one ought to prepare for the time to come when a student enters college a small sum of money comes in very handy. In another way the bank serves excellently as the pupils are able to deposit anything from a penny up; thus a penny which might have been spent for candy or some other luxury, is saved. Faculty advisor, of the Bank J. A. Crowley, has reported that Miss Dorothy Umber has been added to the staff.

Principal E. S. Smeathers gave an eloquent address on the fundamental

Electric Rates Reduced \$1,600,000 a Year

PUBLIC SERVICE ELECTRIC COMPANY is pleased to announce herewith the filing with the Board of Public Utility Commissioners of a **NEW SCHEDULE OF RATES**, which will result in the above **Substantial saving** to its lighting and retail power customers.

What the New Rates Will Be

Base rate for lighting reduced from 10 cents to 9 cents;

Second step rate reduced from 9 cents to 8 cents;

Third step rate reduced from 8 cents to 7 cents;

Fourth step rate reduced from 7 cents to 6 cents;

Base rate for retail power and for optional retail power also reduced from 10 cents to 9 cents.

New schedule of rates will become effective with December sales, meaning January bills, and every householder, every shopkeeper, every factory owner served under uniform lighting rates, as well as every retail power used will share in the substantial money benefit. Reductions apply in one hundred and ninetyseven municipalities. No change in minimum charge.

Before Public Service engaged in the electric business the base rate for lighting in Newark was 13 cents per kilowatt hour. Other companies in New Jersey have raised lighting rates, this company never. On the contrary, Public Service has voluntarily made successive reductions as conditions warranted, in keeping with a policy of giving the best service at the lowest cost.

Twenty years ago there were only 16,000 electric meters in the territory served by Public Service. Today there are more than 330,000 meters in use and every meter installed means more comfort and convenience for the user of electricity. This is one way Public Service has helped make New Jersey a more desirable place in which to live and do business.

The company believes that the steadily increasing use of electricity for light, heat and power will justify these reductions which have been made possible by the great growth of the business and by economies and efficiencies obtained through the exercise of the highest technical and the most careful management.

Every effort is being made to meet the needs of customers, old and new. The company is planning and constructing further large additions to its generating transmission and distribution plants. It already has on order and in course of installation apparatus which will increase the available capacity of energy from 294,000 kilowatts to 410,000 kilowatts.

The company takes this occasion to express its appreciation of past favors and to give assurance of its intention to continue applying itself to the limit of its ability and capacity to rendering helpful service to the people of New Jersey.

SOCIAL AND PERSONAL

Friends of Mrs. R. C. Hull, Jr., of East Grand street, will be pleased to learn that she is on the road to recovery from a course of illness which necessitated eight operations at St. Elizabeth's Hospital, Elizabeth, Sunday. She is now able to receive visitors.

Frank Ellis, of Englewood, a native son of this city and for the most of his life a resident here, was a visitor Tuesday, being entertained at the home of his brother, Herbert Ellis, of Hamilton street, and his cousin, Clarence J. Cook, of North Montgomery street.

Success attended the presentation of "The Old Maid's Convention" by the Ladies' Aid Society of Wesley M. E. Church, in the New Dover Church, Tuesday evening.

Much progress is being made in the rehearsals of the St. Mary's Alumni Association for the presentation of the play, "Out of the Kitchen," to be presented Monday, December 4.

Rev. Edwin O. Clark, of Pitman, N. J., a candidate for the pastorate here, conducted the midweek prayer service at the First Baptist Church Wednesday night. A good attendance was present.

A five-reel picture, "Charles Ray in 'The Pinch Hitter,'" is scheduled for tonight, Friday, November 24, at the Y. M. C. A., when the Junior department will be the hosts to the "Prep" department boys. Any boy in town over ten years will be welcome to attend.

The dedication exercises tonight at the new Franklin School are open and the public is cordially invited to attend.

Miss Rose Barney, of 72 Norwood avenue, Montclair, was a recent visitor at the home of Mr. and Mrs. W. L. Springer, Sr., in East Milton avenue.

The feminine gym classes of the Y. M. C. A. will hold a luncheon on Tuesday, November 28.

A splendid entertainment will be given tonight at Trinity Methodist Church, when Miss Mabel Mullins, of Perth Amboy, will present "Amarilly of Clothes Line Alley." Mrs. Daisy Minger, violinist of this city, will also appear on the program. The affair is under the auspices of the Epworth League.

Mr. and Mrs. James Bradstreet, of Monmouth, spent Sunday at the home of her parents, Mr. and Mrs. Joseph Kistner, of 23 Monroe street.

The Welfare Association of the Second Presbyterian Church will hold a food and one dollar article sale Tuesday afternoon, December 5, at 3 o'clock at the residence of Mrs. Fred C. Hyer, of 222 Elm avenue.

Superintendent of Schools William F. Little will address the Parent Association of Westwood on December 1.

Club card party will be held at the club rooms, Tuesday night, November 28. Waist and pinchie will be played. Tickets are now on sale to the public.

Beginning Monday, December 4, Education Week will be observed in this city and the movement to have all parents and others interested visit the local schools will be stressed. The U. S. Bureau of Education, co-operating with the National Education Association and the American Legion, is fostering the Education Week in the interests of Americanization.

E. A. Sherwood, of the Peddie Memorial Baptist Church, of Newark, will address the First Baptist Christian Endeavor Society Sunday night at 7 o'clock. All members and friends are urged to attend.

The Plus Ultra Bible Class, of the First Methodist Episcopal Sunday School, will hold an entertainment and food sale, Friday, December 5.

For the third year, Rev. H. A. L. Sadtler, rector of St. Paul's Episcopal Church, has been secured to lead the Fellowship Bible Class at the Y. M. C. A. on Thursday nights. The opening session is scheduled for December 7.

Progress is reported in the plans being made by the Wisteria Sewing Club for a "guest party" at Ebenezer A. M. E. Church, December 7.

Miss Edith Knichtinger, of this city, visited in Woodbridge recently. A number of young women from Woodbridge are enjoying the swimming pool at the local "Y" on Tuesday evenings.

SHOWER FOR MISS HEROLD

Under the guidance and direction of her near friend, Miss Anna Heath, of Cherry street, a surprise linen shower was given Miss Adele Herold Saturday night at her home, 71 Cherry street. The "shower" was uniquely arranged and as Miss Herold appeared in the room, from a basket over the door confetti rained down on her and through the fluttering bits of paper she discerned the parcels prettily arranged, filled with gifts of linen, etc. Miss Herold expressed her grateful appreciation to all. Music, dancing and delicious refreshments made the occasion most enjoyable.

Those present were: Mr. and Mrs. Ernest Schoenfeld, of Elizabeth; Mr. and Mrs. Joseph Herold, Maurice and Miss Louise Herold, of Newark; Joseph Bowen, of West New Brighton, S. I.; Mr. and Mrs. Ernest Oltbrich, Mr. and Mrs. Louis Herold, Mr. and Mrs. Thomas Horton, Mr. and Mrs. Elmer Slack, Mr. and Mrs. William Smith, Mrs. Mildred Lawler, William Cornelius, Miss Elysis Fitzpatrick, Miss Anna Heath, Fred Oltbrich, Dr. Edward J. Heath, Mr. and Mrs. Robert Heath, of this city.

DANGERS OF A COLD

Rahway People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Rahway resident's example:

Mrs. W. A. Boulton, 25 Georgia street, says: "I suffered from the effects of weak kidneys and when I catch cold it is sure to settle on my back and kidneys. My back became lame and pained so I couldn't stoop. When I got up mornings I felt languid and had frequent dizzy spells which caused my head to ache. I learned of Doan's Kidney Pills and bought a box. I began to get relief and Doan's soon relieved all the trouble. Since then I have always kept Doan's in the house and when I feel such troubles coming on I take a few and they soon give me fine relief. Other members of my family have always been helped by the use of Doan's." After six years, Mr. Boulton added: "I gladly confirm all I said in favor of Doan's Kidney Pills. They always have proven satisfactory and I have great faith in them."
