## The Rahway Record

RAHWAY, UNION COUNTY, N. J., TUESDAY AFTERNOÓN, OCTOBER 12, 1923 VIII. SERIAL NO. 1457 SIXTEEN PAGES Let it suffice that he made all things as they were. Then Koshchel took the power from Toupen, and made all things as they are. Yet three of Toupen's servitors, endure upon earth, where they who were once lords of the despairingly knew, were the stock Vendish baye now no power remaining the trade of any fairly competent sorsave to creep humbly as insects; the creer anywhere; and that supreme souse of their wings is denied them, the chasmed stone holds them immutably.

The Koshchel took the deeps in the Shedeem who devastate, of the Shehireem who terrify, and of the Mazikeen who dostromplishments, as fingering the magic colors with which he blazoned the first sketches of his dream. Here was his white, which power of Repartee. FEW HINTS FOR HUSBANDS tatrimonial Adventures "dvice on How to Make One's Wife Perfectly Happy All Through he Bright Bees The secret of success in married "Hre." says a paper, "is to reveal some t new trait in your character from time charmed stone holds them immutably. the master of all dreams was gone burned bones of nine emperors. Here probably Abla to Boast, if He Would, to time." You see the idea? Don't be all yourwhich would free them, a caustrap
which nobely has any rt discovered, and to there release and the protocol of Ohe, but wife, there is a cantrap which would free them, a cantrap which nobody has as yet discovered, and the crited out, "now indeed has miggled blood of behemoths and dragons and here was the polsonous was the yellow slime of Scyros, and That He Never Found Him-' self all at once. Spring little surprises | self at a Loss. on your wife from time to time and James Branch Cabell tongue of her who speaks for her hus.

I know now it is my sufeguard that I coverousness? Why, but, Ninzian, I is, but I thought I'd-like to have cound have made them to true ware?

Then one over To les Cated had well-Then one evening you will be able to \_ of the Department of Agricultongue of her who speaks for her has bare made them in two ways."

"Women everywhere have a hard time of it, but in perticular do I pity

"Went of it, but in perticular do I pity

"Went of it, but in perticular do I pity

"Went of it, but in perticular do I pity

"Went of it, but in perticular do I pity

"Went of it, but in perticular do I pity

"I know now it is my safeguard that I coverousness: truy, but, but in thought I delike to nave count am astonished at your feeltsh taking! sel's opinion free for once."

"What need have I of the Department of Agriculture is my surguent that I coverousness: truy, but, but it thought I delike to nave count am astonished at your feeltsh taking! sel's opinion free for once."

"Then one evening you will be able to say, "I'll show you a little trick, my dear." Lead the conversation up to cards first. "In memoriam" cards are the woman that is nearly to one of you monotrough artists. She has not just as a builde breaks.

The last point in global a husband, she has but the tending of a bady with log logs—

"It is so hunds later than I thought. Why, did you ever see increasity of that ready now—" of crived Ninzian, that ready now—" of crived Ninzian, the like of such cottageousness!"

"And I night have had an cert.

"And I night have had an cert."

"And I night have had good riddance, too,"—says the thousands a good stort. Make your wife take a good stort. Make your wif take a good stort. Make your wife take a good stort. Make your -age in this perfectly ild artists marry? The ART CUTTING, IR. I increasibly grant for the was disting a cown before him the market, when up comes a superclass marked with more than in person would ask for class of the form the select of marked with more than in person would ask for class and the first select of the form the select of marked with more than in person would ask for class and the first select of the form the select of marked with more than in person would ask for class of the first select of marked with more than in person would ask for class of the first select of marked with the form the first should be select of marked with the form the market, when up comes a cycle agent, and, see to, Hallo, me person would see the marked when up comes a cycle agent, and, see to, Hallo, me person would see the first should be marked. Sable Neckpiece With Hat of Black Beaver Coloring and Character of

Peltry Should Be Considered. Most women in selecting a fur piece decide upon the color before they even set out to shop. The individual color ing and character of the fur should be taken into consideration as well as the wearing quality, says the Kansas City Star. Colors should be chosen to suit the complexion and hair. For some faces the dead black lynx would be inappropriate, while the dark brown seal or brownish black skunk might be very becoming.

. If your hair is dark you should thoose a light gray, or a cream tan fur. Women with light hair can wear with great success furs that are mick and binck and shing. With brown eyes, choose a deep, rich brows fur; wear with excellent effect what that match the bue of your own eyes. American black fox or black Canadian much. Brittany, a little larger than The High Quality of "Roth" Meats in Addition to the Low Prices Offered, Has Increased "Roth" Sales to such Proportions that Operating Costs Are Reduced to a Minimum. Therefore, Your Every Purchase, at a "Roth" Market, Assures You Brittany, a little larger than the state of Maryland, occupies the north-west corner of France. The ancesters of the present inhabitants came from Britain during the fifth and sixth centuries as Celtic immigrants, and brought their language, customs and rollgion to their new home, which became known as "little Brittain" or simply Brittany. The native tongue resembles the Welsh, and in many blesse, in the interior French is not places in the interior, French is not understood. The oldest monuments of a prehistoric population are found Carnac and Locmariaquer and co

(many of them sixteen feet high and weighing from forty to fifty tons) standing upright in the fields and bar ren moorland. No one can tell how far back they go, but a "dolmen" was found containing more than

Small Regular Fresh Hams Note "Roth" 20 hundred stone axes, a necklace and other objects of the Bronzo age. It is curious that no rock of the Loins of 28c Fresh Pork 16c Fresh Fresh Pork Shoulders 16th Flat Ribs same geological formation is found nearer than three hundred infles About two thousand "menhirs" (long stones still stand guard over the ancient dead at Carnac. The "alignments" as they are called a re now under the protection of the government and one can drive between the

rows of stones in order better to nd-mire their size and shape.

The peasants explain their pres-ence in this way. Saint Cornely, pa-tron saint of Carnac, being pursued by a Pagan army, appealed to the Deity and turned the soldiers into Prime Sirloin Steak Prime Top Round Steak stone as they marched, so to this d the stones are called the "soldlers". Cornely." St. Cornely."

It is a rugged country of wild coast and wooded heights; the people are extremely industrious, economical, thrifty, and simple in their methods of living. Their principal occupation is the cultivation of their small farms (handed down from father to son). The houses are all of gray stone, usually one stery in height Prime Top and Bottom Round Roast stone, usually one story in heigi with thatched roofs.
