AT THE EMPIRE "The Little Church Around the Corner" is the big feature attraction at the Empire Theater for Monday and Tuesday of this week. The cast includes such notable stars as Claire Windsor, Kenneth Harlan, Walter Long, Cyril Chadwick and Pauline Starke. It is conceded to be one of the greatest romantic melodramas ever filmed and one of the most intensely interesting of feature production.

Another great added attraction is Larry Semon in his very latest."The Midnight Cabaret." For Wednesday "Lights Out" fea-
