THE man who now seems to you quite competent to manage your affairs as executor-trustee, may prove to be lacking when faced with the necessity of justifying your judgment. This is not to question his honesty, but handling one's own affairs and handling another's require two very different points of view.\_ That a man is wise in his own affairs, does not prove that he will be wise in yours.

Trust companies are organizations of many men, thoroughly lective experience of these men, supported by large resources financial responsibility and exceptional facilities, giving careful, impartial attention to your affairs, offers advantages that no single individual possesses, however able he may be.

Buick Performance steps further ahead in World Leadership

The Valve-in-Head engine in the Better Buick Master models delivers more than 75 horsepower! Extra power has been added to the extra power always a feature of Buick's famous Sealed power always a feature of Buick's famous Sealed Chassis. An air cleaner, a gasoline filter, and an oil filter, now insure clean air, oil and gasoline for the engine.

Even drivers of previous Buicks will be amazed at the performance the Better Buick now places at their command.

The higher efficiency of the engine in the Better Buick includes the same economical consumption of gasoline and oil that has distinguished all past Buicks.

And the Better Buick now leads the world in protection for engine and driving units. Three new seals have been added to Buick's famous Sealed Chassis. An air cleaner, a gasoline filter, and an oil filter, now insure clean air, oil and gasoline for the engine.

Drive one of the Better Buicks. Know how much the new 75 horsepower. Standard of Performance adds to the pleasure of Buick ownership.

You never again will be satisfied with the power and performance of the ordinary motor car!
