Discount

Is Allowed

on Every Kind of Lamp! Now while our prices are so radically reduced, why not come in and select that additional lamp you have been wanting?

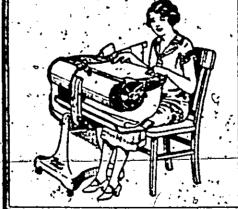

Our stock includes many beautiful and novel styles of lamps, all skillfully constructed and equipped with tasteful shades.

All our floor and bridge lamps are well weighted so that they will not tip. The table lamps are especially attractive in the variety of decorative color treatments; and for the bedside table there are many examples of dainty lighting effects.

A WIDE RANGE OF PRICES WITH 25% DISCOUNT

Reduce Ironing Day to an Hour's Work

- by using The THOR Electric Ironer

Even if the basket is piled high with clothes, the ironing isn't to be dreaded, if you use the Thor Ironer.

It irons everything. It presses elaborate dresses as skillfully and smoothly as plain sheets or tablecloths. It puts a glossy finish on materials which the heaviest pressure of a hand iron cannot

The Thor has an automatic spring which

adjusts the rollers to thin materials or heavy Easy terms have been arranged, so that you may have the convenience of this modern ironer, while making small payment each

18 Months to Pay

Electric Radiators Warm Drafty Corners

Portable warmth is made possible by the electric radiator, as it is light in weight and is easily moved from room to room,

_Connect it to the nearest electric outlet. It will quickly take the chill from the air. The small sized radiator is

priced at \$5.00.

A Skillful Cook Makes Use of

Her Leftovers If you would like to learn some-clever ways of utilizing left-overs, turn on your radio Tuesday and Friday-mornings at eleven o'clock, when Ada Bessle Swann, director of Home Economics Department, broad casts from Station WAAM.

During January Miss Swann is going to tell how you can make appetizing dishes with bits of bread, yolks of eggs, and milk that has soured.

clean itself in a few minutes. \$5.00 Down . . \$5.00 a Month

Extra Conveniences You Should Have

The old way of pressing a button when you want a light is out of date. Use Toggle switches. The merest flick of a finger puts the light on or off.

Keep plenty of new fuses on hand, so you need not be in the dark when a fuse blows out. It is as easy to put in a new one as to change an electric lamp.

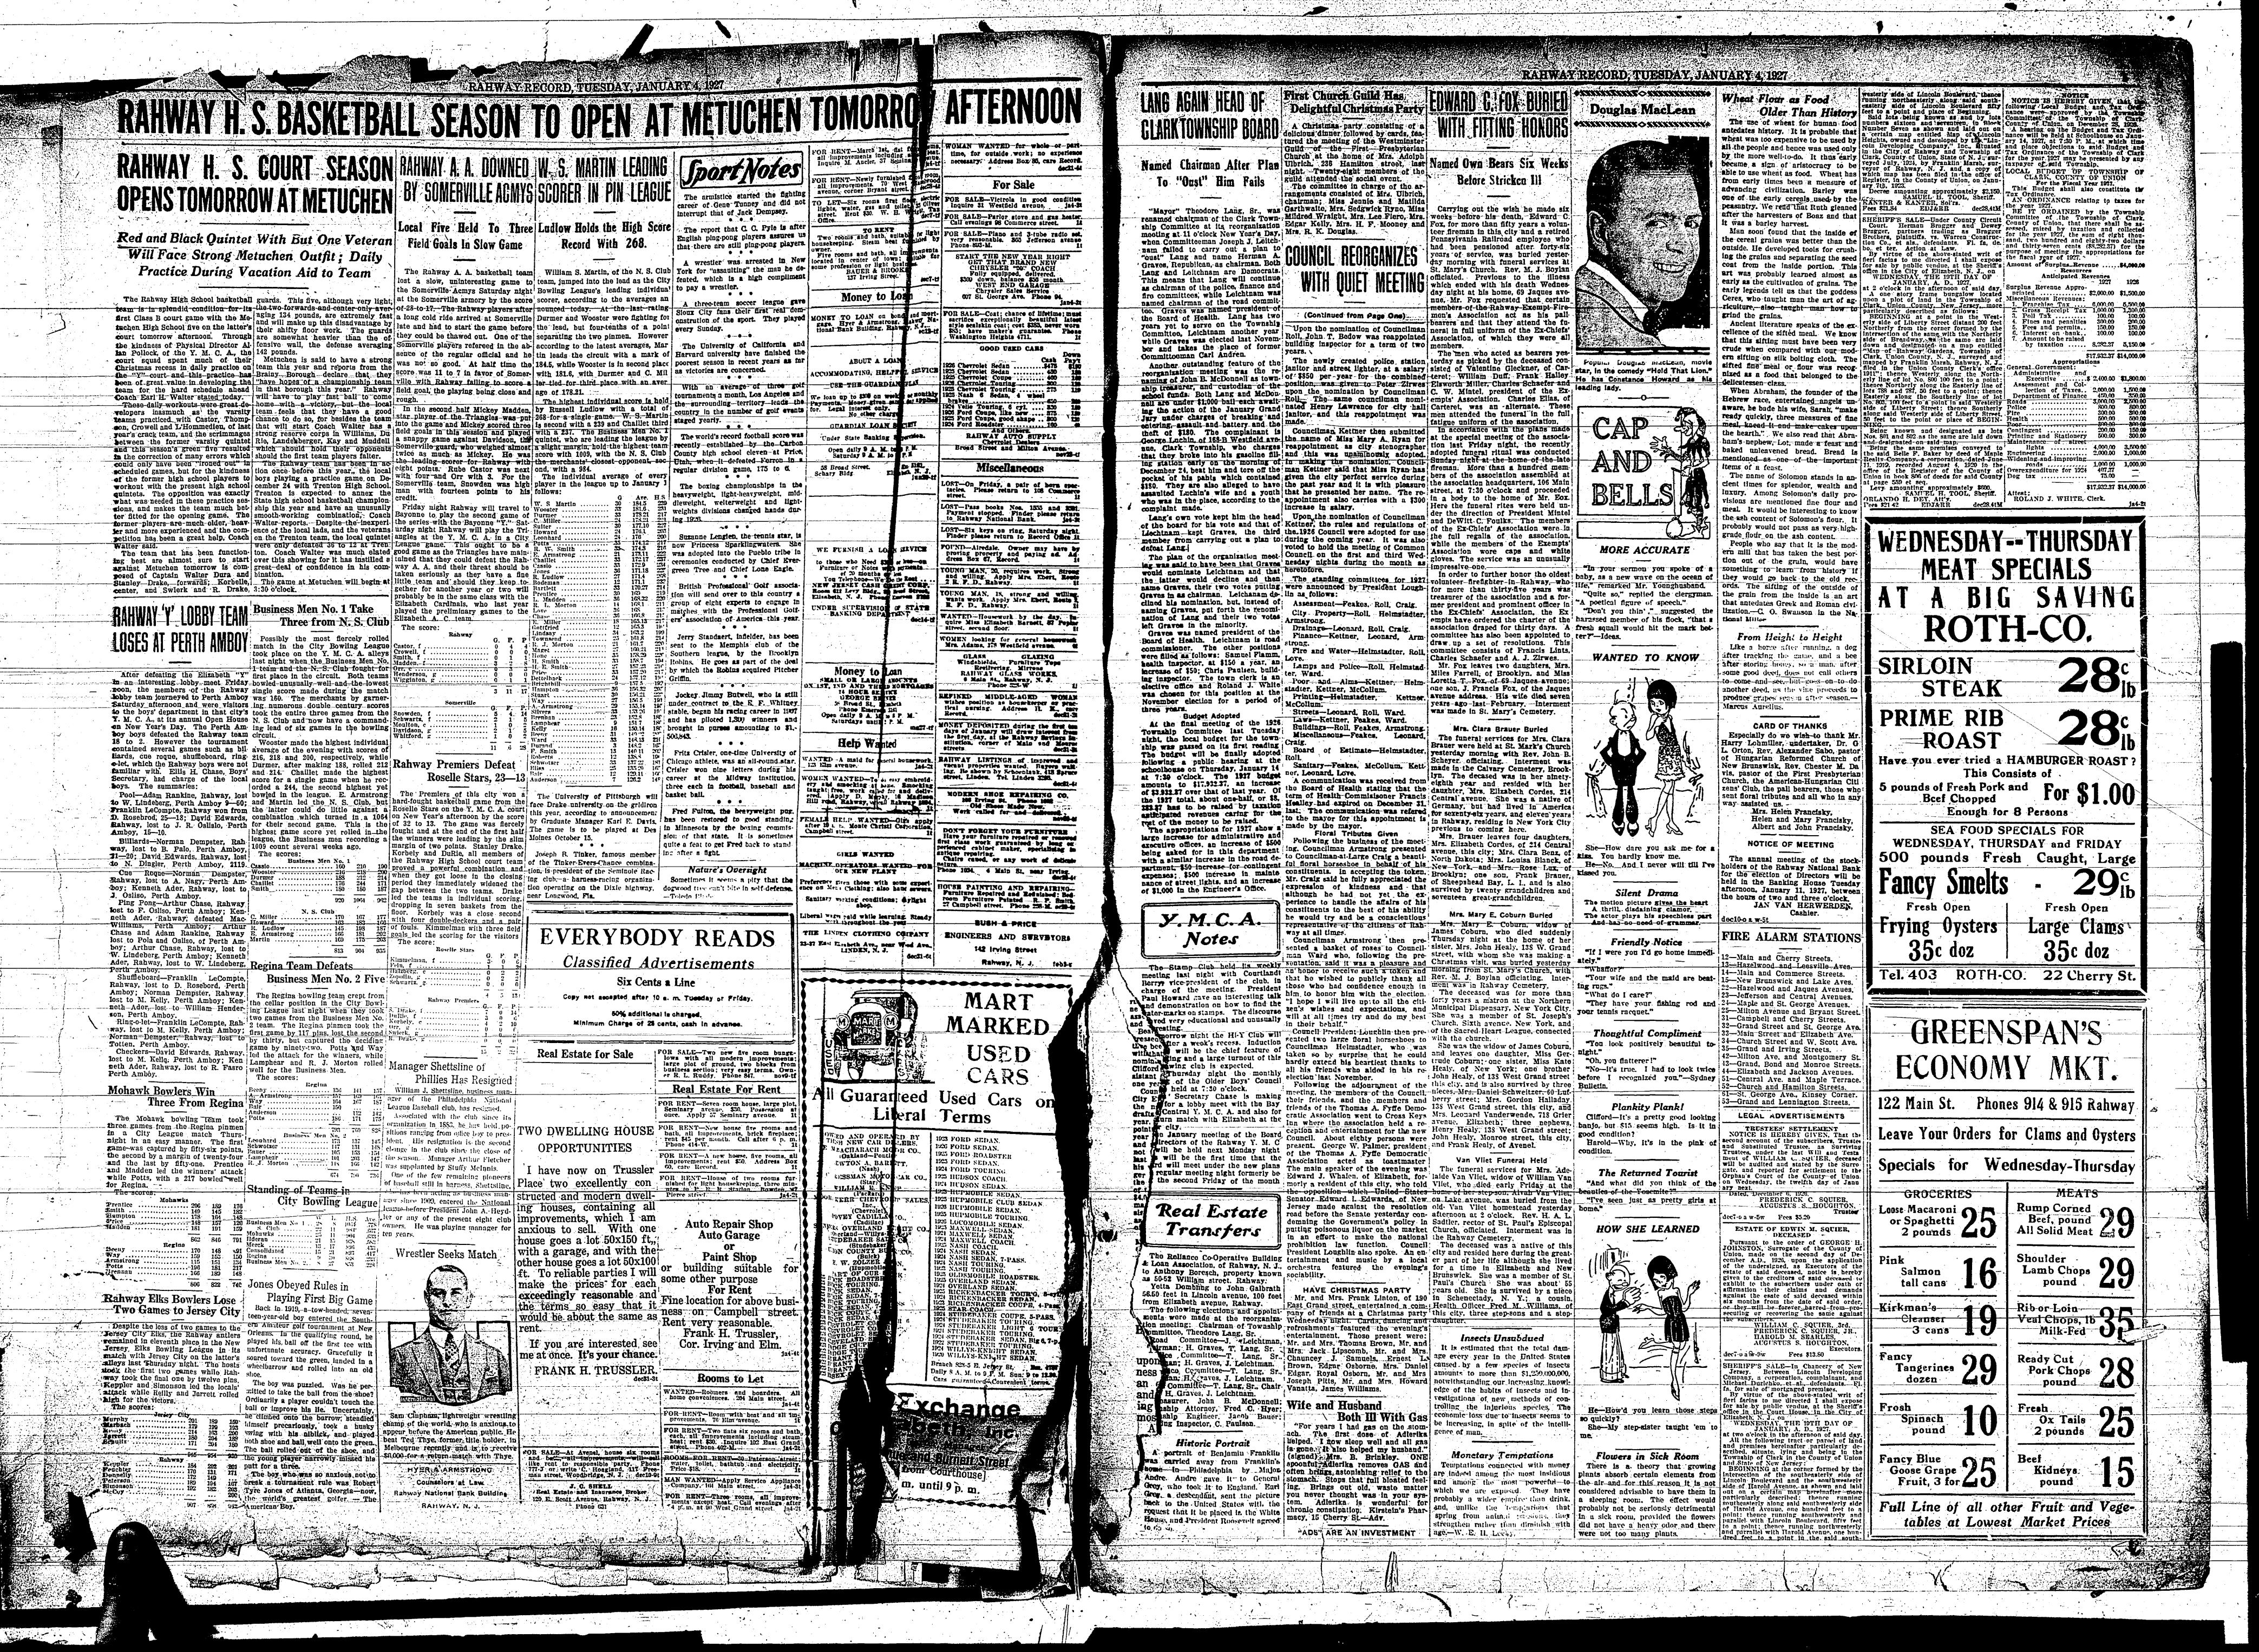

Make use of double sockets, so that two appliances may be used on the same electric outYour Kitchen Should Have the Special Lighting Unit

Placed in the center of the room so that soft, clear light is thrown into every corner, the kitchen lighting unit is much more satisfactory than swinging lights or more elaborate fixtures.

Made of an excellent quality of porcelain enamelled steel which does

not discolor, it is easily kept clean. Purchase it on easy terms: \$1.50 down, \$1.00 a month with your light

Cash Price \$9.00—On Terms \$9.50
